SECOND SESSION OF THE ONE-HUNDREDTH CONGRESS

OF THE

UNITED STATES OF AMERICA

Begun and held at the City of Washington on Monday, January 25, 1988, adjourned sine die on Saturday, October 22, 1988. RONALD REAGAN, *President;* GEORGE BUSH, *Vice President;* JIM WRIGHT, *Speaker of the House of Representatives.*

Joint Resolution

To designate February 4, 1988, as "National Women in Sports Day".

Feb. 9, 1988
[S.J. Res. 196]

Whereas women's athletics is one of the most effective avenues available through which women of America may develop self-discipline, initiative, confidence, and leadership skills;

Whereas support and fitness activity contributes to emotional and physical well-being and women need strong bodies as well as strong minds;

Whereas the history of women in sports is rich and long, but there has been little national recognition of the significance of women's athletic achievements;

Whereas the number of women in leadership positions of coaches, officials, and administrators has declined drastically over the last decade and there is a need to restore women to these positions to ensure a fair representation of women's abilities and to provide role models for young female athletes;

Whereas the bonds built between women through athletics help to break down the social barriers of racism and prejudice;

Whereas the communication and cooperation skills learned through athletic experience play a key role in the athlete's contributions at home, at work, and to society;

Whereas women's athletics has produced such winners as Flo Hyman, whose spirit, talent, and accomplishments distinguished her above others and exhibited for all of us the true meaning of fairness, determination, and team play;

Whereas early motor-skill training and enjoyable experiences of physical activity strongly influence life-long habits of physical fitness;

Whereas the athletic opportunities for male students at the collegiate and high school level remain significantly greater than those for female students; and

Whereas the number of funded research projects focusing on the specific needs of women athletes is limited and the information provided by these projects is imperative to the health and performance of future women athletes: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That February 4, 1988, is hereby designated as "National Women in Sports Day", and the President is authorized and requested to issue a proclamation calling upon local and State jurisdictions, appropriate Federal agencies, and the people of the United States to observe the day with appropriate ceremonies and activities.

Approved February 9, 1988.

Joint Resolution

To designate January 28, 1988, as "National Challenger Center Day" to honor the crew of the space shuttle Challenger.

Feb. 9, 1988
[S.J. Res. 201]

Whereas the crew of the space shuttle Challenger was dedicated to stimulating the interest of American children in space flight and science generally;

Whereas the members of the Challenger crew gave their lives trying to benefit the education of American children;

Whereas a fitting tribute to that effort and to the sacrifice of the Challenger crew and their families is needed;

Whereas an appropriate form for such a tribute would be to expand educational opportunities in science by the creation of a center that will offer children and teachers activities and information derived from American space research; and

Whereas the Challenger Center is the only institution expressly established by the immediate families of the crew of the Challenger for the above-named purposes, and is intended to be the living expression of the Nation's commemoration of the Challenger crew: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That January 28, 1988, is designated as "National Challenger Center Day" and the President is authorized and requested to issue a proclamation calling on the people of the United States to observe such day—

(1) by resolving that in the course of their regular activities the people of the United States will remember both the Challenger astronauts who died while serving their country, and the importance of the Challenger Center is honoring the accomplishments of the Challenger crew by continuing their goal of the expansion of interest and ability in space and science education; and

(2) with other appropriate ceremonies and activities.

Approved February 9, 1988.

Joint Resolution

Feb. 10, 1988
[H.J. Res. 402]

To designate the week of February 7-13, 1988, as "National Child Passenger Safety Awareness Week".

Whereas motor vehicle crashes are the number one cause of death of children over the age of 6 months in the United States;

Whereas motor vehicle crashes are the number one cause of the crippling of children in the United States;

Whereas more children under the age of 5 years are killed or crippled as passengers involved in motor vehicle crashes than the total number of children killed or crippled by the 7 most common childhood diseases; pertussis (whooping cough), tetanus, diphtheria, measles, mumps, rubella (German measles), and polio;

Whereas motor vehicle crashes are the leading trauma related cause of spinal cord injuries, epilepsy, and mental retardation in the United States;

Whereas, during the years 1978 through 1986, nearly 9,300 children under the age of 5 years were killed in traffic crashes and more than 450,000 children were injured in the United States;

Whereas an unrestrained child is less protected by padding and energy-absorbing materials than an adult in a motor vehicle crash as a result of protective devices being placed in areas more likely to benefit adults;

Whereas unrestrained children are subject to a significantly higher risk of serious head, spine, chest, and abdominal injury in motor vehicle crashes than adult passengers because the bodies of children are less developed and provide less protection;

Whereas an unrestrained child in a motor vehicle crash faces an increased danger of fatal or serious injury from ejection as well as injuries resulting from contact with the vehicle interior;

Whereas an unrestrained child in a motor vehicle not involved in a collision may be killed or injured as a result of sudden stops, turns, swerves, or falling from a moving vehicle;

Whereas all 50 States and the District of Columbia have enacted laws mandating the use of child passenger protection systems;

Whereas the latest national surveys show that 72 percent of children under the age of 5 are placed in child safety seats in the United States and that one-third of such seats are used incorrectly;

Whereas current nationwide studies estimate that only 48 percent of children under the age of 5 are fully protected in cars in the United States through the correct usage of child safety seats;

Whereas numerous government and private sector organizations have agreed to work in concert to achieve a minimum 70 percent correct usage of child passenger protection devices and adult safety belts by the year 1990;

Whereas research shows that the correct use of child passenger protection devices is 90 percent effective in preventing death and 67 percent effective in preventing injury; and

Whereas death and injuries may be reduced significantly through greater public awareness, information, education, and enforcement: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the week of February 7–13, 1988, is designated as "National Child Passenger Safety Awareness Week", and the President is authorized and requested to issue a proclamation calling upon the people of the United States to observe such week with appropriate programs, ceremonies, and activities to maximize correct usage of child safety seats.

[S.J. Res. 172]

To designate the period commencing February 21, 1988, and ending February 27, 1988, as "National Visiting Nurse Associations Week".

Whereas Visiting Nurse Associations have served homebound Americans since 1885;

Whereas such Associations annually provide home care and support services to nearly 1,000,000 men, women, children, and infants;

Whereas such Associations serve 504 urban and rural communities in 47 States;

Whereas such Associations adhere to high standards of quality and provide personalized and cost-effective home health care and support regardless of the individual's ability to pay;

Whereas such Associations are voluntary in nature, independently operated, and community-based;

Whereas such Associations ensure the quality of care through oversight provided by professional advisory committees composed of local physicians and nurses;

Whereas such Associations enable hundreds of thousands of Americans to recover from illness and injury in the comfort and security of their homes;

Whereas such Associations ensure that individuals who are chronically ill or who have physical and mental handicaps receive the therapeutic benefits of care and support services provided in the home;

Whereas, in the absence of such Associations, thousands of patients with mental or physical handicaps or chronically disabling illnesses would have to be institutionalized;

Whereas such Associations provide a wide range of services, including (where appropriate) health care, hospice care, personal care, homemaking, occupational, physical, and speech therapy, "friendly visiting services", social services, nutritional counseling, specialized nursing services, and meals on wheels;

Whereas such Associations offer nursing care provided by registered nurses, homemaking, therapy, and social services by qualified specialists, and "friendly visiting services" by volunteers;

Whereas in each community served by such Associations, local volunteers support the Association by serving on the board of directors, raising funds, visiting patients in their homes, assisting patients and nurses at wellness clinics, delivering meals on wheels to patients, running errands for patients, working in the Association's office, and providing tender loving care;

Whereas the need for home health care for young and old alike continues to grow annually; and

Whereas on February 23, 1988 a national meeting of Visting Nurse Associations from throughout the United States will be held in Innisbrook, Florida: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the period commencing February 21, 1988, and ending February 27, 1988, is designated as "National Visiting Nurse Associations Week", and the President is authorized and requested to issue a proclamation calling upon the people of the United States to observe such week with appropriate programs, ceremonies, and activities.

Feb. 11, 1988
[S.J. Res. 39]

To provide for the designation of the 70th anniversary of the renewal of Lithuanian independence, February 16, 1988, as "Lithuanian Independence Day".

Whereas this year marks the 70th anniversary of the establishment of the Independent Democratic Republic of Lithuania by the Lithuanian National Council on February 16, 1918;

Whereas the Government of the Soviet Union recognized the sovereignty and independence of the Republic of Lithuania in the peace treaty of July 12, 1920;

Whereas the United States does not recognize the illegal incorporation of the free and independent Republic of Lithuania into the Union of Soviet Socialist Republics in 1940;

Whereas the United States continues to provide accreditation to the Charges d'Affaires of the Republic of Lithuania;

Whereas the United States remains firmly committed to the principle of self-determination as contained in the Final Act of the Conference on Security and Cooperation in Europe (also known as the "Helsinki Final Act"), an agreement to which the Soviet Union is a party;

Whereas the people of the Republic of Lithuania struggle every day under Soviet domination;

Whereas the United States condemns the Soviet policy of forced Russification, ethnic dilution, and religious and political persecution; and

Whereas it is appropriate that the people of the United States, who so strongly cherish the principles of independence and self-determination denied the Lithuanian people by the Soviet Union, join with the people of the Republic of Lithuania to demonstrate our common desire to advance the cause of freedom: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the 70th anniversary of the renewal of Lithuanian independence, February 16, 1988, is designated as "Lithuanian Independence Day" and the President of the United States is authorized and requested to issue a proclamation calling upon the people of the United States to observe that day with appropriate ceremonies and activities.

To designate April 1988, as "Fair Housing Month".

Whereas the year 1988 marks the twentieth anniversary of the passage of title VIII of the Civil Rights Act of 1968, commonly referred to as the "Federal Fair Housing Act", declaring a national policy to provide fair housing throughout the United States;

Whereas the Federal Fair Housing Act prohibits discrimination in housing on the basis of race, color, religion, sex, or national origin;

Whereas fairness is the foundation of our way of life and reflects the best of our traditional American values;

Whereas invidious discriminatory housing practices undermine the strength and vitality of America and the American people; and

Whereas in this twentieth year since the passage of the Fair Housing Act, all Americans must work to continue to improve the Fair Housing Act by strengthening enforcement provisions, by extending the protections of the Act to all our citizens, by assuring there are no victims of discriminatory housing practices, and by making the ideal of fair housing a reality: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the President is authorized and requested to issue a proclamation designating April as "Fair Housing Month" and to invite the Governors of the several States, the chief officials of local governments, and the people of the United States to observe the month with appropriate ceremonies and activities.

Joint Resolution

Feb. 29, 1988
[S.J. Res. 122]

To designate the week beginning October 16, 1988, as "Gaucher's Disease Awareness Week."

Whereas Gaucher's disease is caused by the failure of the body to produce an essential enzyme;

Whereas the absence of such enzyme causes the body to store abnormal quantities of lipids in the liver and spleen and frequently has an adverse effect on tissues in the body, particularly bone tissue;

Whereas among Jewish persons, Gaucher's disease is the most common inherited disorder affecting the metabolism of lipids, which are one of the principle structural components of living cells;

Whereas there is no known cure for Gaucher's disease and no successful treatment of the symptoms of the disease;

Whereas the increased awareness and understanding of Gaucher's disease by the people of the United States can aid in the development of a treatment and cure for the disease;

Whereas the National Gaucher's Disease Foundation provides funds for research in the United States with respect to the disease; and

Whereas research and clinical programs with respect to Gaucher's disease should be increased: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the week beginning October 16, 1988, is designated as "Gaucher's Disease Awareness Week", and the President is authorized and requested to issue a proclamation calling upon the people of the United States to observe such week with appropriate ceremonies and activities.

Joint Resolution

Mar. 8, 1988
[S.J. Res. 251]

Designating March 4, 1988, as "Department of Commerce Day".

Whereas the ability of the United States to provide for the economic security of the American people depends primarily upon the vitality of the private sector and the competitive free enterprise system;

Whereas the ability of the private sector to generate jobs and a constantly improving standard of living depends heavily on the policies which the Federal Government pursues and the services it provides;

Whereas the Congress of the United States, recognizing the importance of these policies and services, on March 4, 1913, reestablished as the Department of Commerce the executive agency created by the Act of February 14, 1903, and directed it to "foster, promote, and develop the foreign and domestic commerce" of the United States;

Whereas the Department of Commerce has been charged with many important responsibilities, including the effective administration of the trade laws, providing social and economic statistics for business and government planners, promoting the protection of intellectual property at home and abroad, advancing the Nation's science and technology and facilitating their use for public benefit, working to improve our understanding of the Earth's physical environment and ocean resources, helping the private sector take advantage of commercial opportunities in space, assisting in the growth of minority business, promoting domestic economic development, assessing policies and conducting research on telecommunications, and encouraging foreign travel to the United States; and

Whereas the officers and employees of the Department of Commerce, by their dedication, diligence, loyalty, and integrity, reflect the finest traditions of public service and, along with the important work they perform deserve public recognition as the Department of Commerce celebrates its seventy-fifth birthday: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That March 4, 1988, is designated as "Department of Commerce Day", and the President is authorized and requested to issue a proclamation calling upon the people of the United States to observe that day with appropriate ceremonies and activities.

[S.J. Res. 262]

To designate the month of March 1988, as "Women's History Month".

Whereas American women of every race, class, and ethnic background have made historical contributions to the growth and strength of the Nation in countless recorded and unrecorded ways;

Whereas American women have played and continue to play a critical economic, cultural, and social role in every sphere of our Nation's life by constituting a significant portion of the labor force working in and outside of the home;

Whereas American women have played a unique role throughout our history by providing the majority of the Nation's volunteer labor force and have been particularly important in the establishment of early charitable philanthropic and cultural institutions in this country;

Whereas American women of every race, class, and ethnic background served as early leaders in the forefront of every major progressive social change movement, not only to secure their own right of suffrage and equal opportunity, but also in the abolitionist movement, the emancipation movement, the industrial labor movement, the civil rights movement, and other movements to create a more fair and just society for all; and

Whereas, despite these contributions, the role of American women in history has been consistently overlooked and undervalued in the body of American history: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the month of March 1988, is designated as "Women's History Month", and the President is requested to issue a proclamation calling upon the people of the United States to observe such month with appropriate ceremonies and activities.

To designate March 16, 1988, as "Freedom of Information Day".

Mar. 23, 1988
[S.J. Res. 126]

Whereas a fundamental principle of our Government is that a well-informed citizenry can reach the important decisions that determine the present and future of the Nation;

Whereas the freedoms we cherish as Americans are fostered by free access to information;

Whereas many Americans, because they have never known any other way of life, take for granted the guarantee of free access to information that derives from the First Amendment to the Constitution of the United States;

Whereas the guarantee of free access to information should be emphasized and celebrated annually; and

Whereas March 16 is the anniversary of the birth of James Madison, one of the Founding Fathers, who recognized and supported the need to guarantee individual rights through the Bill of Rights: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That March 16, 1988, is designated as "Freedom of Information Day", and the President is authorized and requested to issue a proclamation calling upon Federal, State, and local government agencies and the people of the United States to observe such day with appropriate programs, ceremonies, and activities.

Joint Resolution

Mar. 23, 1988
[S.J. Res. 252]

Designating June 5–11, 1988, as "National NHS—NeighborWorks Week".

Whereas Neighborhood Housing Services (NHS) and its affiliated partnership organizations of neighborhood residents, local governments, and businesses all comprise the NeighborWorks Network;

Whereas the NeighborWorks Network is successfully revitalizing declining neighborhoods and building and rehabilitating housing for lower income Americans in 137 cities throughout the United States;

Whereas America's neighborhoods are made up of families of a variety of ethnic, social, and economic backgrounds and such diversity is fundamental to a strong nation;

Whereas deterioration of a neighborhood's physical, economic, and social structures harms the neighborhood's homes, businesses, and residents and especially harms the neighborhood's elderly and poor residents;

Whereas reversing such deterioration is essential to the strength of America's families, neighborhoods, and businesses;

Whereas the NeighborWorks Network has generated over $4,000,000,000 in reinvestment funds for 297 declining neighborhoods and has improved the quality of life of over 3 million individuals, the majority of whom are lower income, elderly, or minority Americans;

Whereas more than 3,000 businesses and local governments are annually contributing over $16,000,000 to the operations of their local NeighborWorks partnerships; and

Whereas, to accomplish their goals, NHS and both Apartment Improvement Programs and Mutual Housing Associations in the NeighborWorks partnerships rely on local government and private sector resources and on the help of thousands of volunteers who contribute millions of hours of service to rebuild America's declining neighborhoods: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That June 5–11, 1988, is designated as "National NHS—NeighborWorks Week" and the President is authorized and requested to issue a proclamation calling upon all government agencies and the people of the United States to observe the week with appropriate programs, ceremonies, and activities.

Mar. 23, 1988
[S.J. Res. 265]

To designate March 20, 1988 as "National Agriculture Day".

Whereas agriculture is the Nation's largest and most basic industry, and its associated production, processing, and marketing segments together provide more jobs than any other single industry;

Whereas agriculture serves all Americans by providing food, fiber, and other basic necessities of life;

Whereas the performance of the agricultural economy is vital to maintaining the strength of our national economy, the standard of living of our citizens, and our presence in world trade markets;

Whereas it is important that all Americans should understand the role that agriculture plays in their lives and well-being, whether they live in urban or rural areas; and

Whereas, since 1973, the first day of spring has been celebrated as National Agriculture Day by farmers and ranchers, commodity and farm organizations, cooperatives and agribusiness organizations, nonprofit and community organizations, and Federal, State, and local governments: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That March 20, 1988, is hereby proclaimed "National Agriculture Day", and the President is authorized and requested to issue a proclamation calling upon the people of the United States to observe this day with appropriate ceremonies and activities during the week of March 20 through March 26, 1988.

To designate the period commencing on May 9, 1988, and ending on May 15, 1988, as "National Stuttering Awareness Week".

Mar. 24, 1988
[S.J. Res. 125]

Whereas stuttering occurs when the natural flow of speech is interrupted, such as with the inability to produce certain sounds, or when an initial sound, word, or phrase is repeated;

Whereas over 3,000,000 Americans, both children and adults, suffer from this handicap;

Whereas there is a tendency for stuttering to be an inherited trait which can often be traced through family genealogy;

Whereas men have been found to be four times as likely as women to have this disorder, the same male to female ratio as with some learning disorders;

Whereas it should be recognized that although there is no known cure for stuttering, there is help available, and that available help should be emphasized; and

Whereas there has been no national recognition of the condition known as stuttering, and the public and Federal Government are not sufficiently aware of the frustration and anxiety felt by persons who stutter and the diminished self-respect and self-esteem which follows: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the period commencing on May 9, 1988, and ending on May 15, 1988, is designated as "National Stuttering Awareness Week", and the President is authorized and requested to issue a proclamation calling on the people of the United States to observe such period with appropriate ceremonies and activities.

Whereas the joint resolution approved October 27, 1986 (100 Stat. 3144), authorizes the Black Revolutionary War Patriots Foundation to establish a memorial on Federal land in the District of Columbia and its environs to honor the estimated five thousand courageous slaves and free black persons who served as soldiers and sailors or provided civilian assistance during the American Revolution and to honor the countless black men, women, and children who ran away from slavery or filed petitions with courts and legislatures seeking their freedom; and

[S.J. Res. 218]

To designate March 25, 1988, as "Greek Independence Day: A National Day of Celebration of Greek and American Democracy".

Whereas the ancient Greeks developed the concept of democracy, in which the supreme power to govern was vested in the people;
Whereas the Founding Fathers of the United States of America drew heavily upon the political and philosophical experience of ancient Greece in forming our representative democracy;
Whereas March 25, 1988, marks the one hundred and sixty-seventh anniversary of the beginning of the revolution which freed the Greek people from the Ottoman Empire;

Joint Resolution

Mar. 28, 1988
[S.J. Res. 229]

To designate the day of April 1, 1988, as "Run to Daylight Day".

Whereas between one million and one million eight hundred thousand people in the United States suffer head injuries each year;

Whereas twenty years ago 90 per centum of the people who suffered severe head injuries died as a result of such injuries, but currently the survival rate for such injuries is 50 per centum;

Whereas most people who suffer head injuries are under thirty years of age and will survive such injuries for at least forty years;

Whereas more than fifty thousand of the people who survive head injuries annually are unable to resume their normal lifestyles without intensive physical and psychological therapy;

Whereas the long term rehabilitation that is available for survivors of head injuries has not improved at the same rate as the medical treatment of such injuries;

Whereas Run to Daylight, a nonprofit corporation concerned with improving the rehabilitation that is available for survivors of head injuries, is sponsoring a three-thousand-six-hundred-mile run across the United States called the "Run to Daylight";

Whereas the purpose of the "Run to Daylight" is to raise the awareness of the people of the United States about the rehabilitation needs of survivors of head injuries and to raise funds to support the National Head Injury Foundation, an organization dedicated to improving the quality of life for survivors of such injuries and their families and to developing and supporting programs to prevent such injuries; and

Whereas the "Run to Daylight" will begin in San Francisco, California, on April 1, 1988, and will end in Boston, Massachusetts, on June 30, 1988: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That April 1, 1988, is designated as "Run to Daylight Day", and the President is authorized and requested to issue a proclamation calling on the people of the United States to observe such day with appropriate ceremonies and activities.

Designating April 9, 1988, as "National Former Prisoners of War Recognition Day".

Mar. 28, 1988
[S.J. Res. 253]

Whereas the United States has fought in many wars;
Whereas thousands of members of the Armed Forces of the United States who served in such wars were captured by the enemy and held as prisoners of war;
Whereas many such prisoners of war were subjected to brutal and inhumane treatment by their captors in violation of international codes and customs for the treatment of prisoners of war and died, or were disabled, as a result of such treatment;
Whereas in 1985, the United States Congress (in Public Law 99-145) directed the Department of Defense to issue a medal to former prisoners of war in recognition and commemoration of their great sacrifices in service to our Nation; and
Whereas these great sacrifices of former prisoners of war and their families deserve national recognition: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That April 9, 1988, is designated as "National Former Prisoners of War Recognition Day" in honor of the members of the Armed Forces of the United States who have been held as prisoners of war, and the President is authorized and requested to issue a proclamation calling upon the people of the United States to commemorate such days with appropriate ceremonies and activities.

Whereas heart attacks struck an estimated 1,500,000 Americans in 1987, a third of whom died immediately;

Whereas scientific data indicates that effective measures to lower serum cholesterol are capable of decreasing occurrences of heart disease;

Whereas only 8 per centum of Americans know their cholesterol level; and

Whereas as many as 250,000 lives could be saved each year if Americans were tested for and took action to reduce high levels of cholesterol: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the month of April 1988, is designated as "National Know Your Cholesterol Month", and the President of the United States is authorized and requested to issue a proclamation calling upon the people of the United States to observe such month with appropriate programs and activities.

[S.J. Res. 185]

To designate the period commencing on May 2, 1988, and ending on May 8, 1988, as "National Drinking Water Week".

Whereas water itself is God-given, and the drinking water that flows dependably through our household taps results from the dedication of the men and women who operate the public water systems of collection, storage, treatment, testing, and distribution that insures that drinking water is available, affordable, and of unquestionable quality;

Whereas the advances in health effects research and water analysis and treatment technologies, in conjunction with the Safe Drinking Water Act Amendments of 1986 (Public Law 99-339), could create major changes in the production and distribution of drinking water;

Whereas this substance, which the public uses with confidence in so many productive ways, is without doubt the single most important product in the world and a significant issue of the future;

(2) PATENT.—Upon being surveyed, the Secretary shall issue a patent for such lands. The boundary of such lands shall be that which was defined in and conveyed by the interim conveyance, except that the boundary may be corrected and redescribed in the patent, where necessary, as a result of the survey of such lands.

Such terms and conditions shall apply to all subsequent purchasers, transferees, and other holders of any land covered by any such interim conveyance, patent, or lease.

Such legal descriptions shall have the same force and effect as if included in this Act, except that the Secretary may correct clerical and typographical errors in such legal descriptions and in the maps referred to in subsection (a). Such legal descriptions and maps shall also be on file and available for public inspection in the Nevada office of the State Director of the Bureau of Land Management, Department of the Interior. (2) WITHDRAWAL.—Subject to valid existing rights, the lands described in paragraph (1) are withdrawn from all forms of entry and appropriation under the public land laws (including the mining laws) and from the operation of the mineral leasing and geothermal leasing laws. The withdrawal of such lands shall remain in effect so long as such lands are leased under authority of this Act.

(b) REQUIREMENTS RELATING TO LEASE.—

(1) TERM.—Any lease issued pursuant to subsection (a) shall be for an initial term of ninety-nine years, during which time no rental shall be required to be paid to the United States. Lands leased pursuant to subsection (a) shall not be deemed to be entitlement lands for purposes of Public Law 94-565 (31 U.S.C. 1601 et seq.).

(2) USE OF LEASED LANDS.—During the term of any lease issued pursuant to subsection (a), the lessee shall be entitled to use the lands which are subject to such lease only for purposes of constructing and using necessary roads, utility lines, storage facilities, and wells. The lessee also shall be entitled to use such lands for such other related purposes as the Secretary may from time to time permit, subject to the requirements of this Act and other applicable law and to reasonable requirements the Secretary, acting through the Director of the Fish and Wildlife Service, may establish for the protection of fish, wildlife, or plants. The lease shall provide that the lessee shall consult with the Secretary concerning the location of any roads, utility lines, facilities, and wells on the leased lands, and that with regard to any such location, the lessee, so far as possible, shall follow recommendations of the Secretary intended to minimize adverse impacts on the desert tortoise and other species of wildlife or plants.

(3) FISH, WILDLIFE, AND PLANTS.—Any lease issued pursuant to subsection (a) shall require the lessee to take all reasonable steps the Secretary, acting through the Director of the Fish and Wildlife Service, may from time to time require to minimize adverse impacts on desert tortoises and any other species of fish, wildlife, and plants (including, but not limited to, endangered or threatened species) from the lessee's activities occurring on such lands.

(4) ASSIGNABILITY.—A lease issued pursuant to this section may be assigned or transferred by Aerojet only with the consent of the Secretary, which shall not be unreasonably withheld.

SEC. 5. CONDITIONS OF EXCHANGE.

(a) VALUE.—

(1) EQUALIZATION OF VALUE.—Any exchange of lands pursuant to this Act shall be on the basis of equal value as determined by the Secretary, except that the Secretary may accept a payment of money in order to equalize values between lands transferred,

or leased, to Aerojet by the Secretary and lands transferred to the United States by Aerojet. The Secretary shall require that any conveyance of a production well drilled at Federal expense which Aerojet or its successors or assigns subsequently uses for withdrawal of water for industrial purposes shall be in consideration of receipt by the United States of land or money equal in value to the cost of drilling a well suitable for industrial purposes and located at the same site as the well conveyed.

(2) APPRAISAL.—Any determination by the Secretary of values of lands to be conveyed or leased by the Secretary pursuant to this Act shall be based on the fair market value of such lands, as determined by appraisals carried out in accordance with established procedures used by the Bureau of Land Management and done after the date of enactment of this Act by qualified appraisers selected and reimbursed by the Secretary. The values of lands to be conveyed by Aerojet pursuant to this Act shall be the values agreed to pursuant to section 7(a).

(3) NOTICE AND PUBLIC INSPECTION.—Upon completion of such appraisals, the Secretary shall—

(A) publish in newspapers of general circulation in Clark, Lincoln, and Mineral Counties, Nevada, a notice as to where and when the results of appraisals carried out pursuant to this Act will be available for public inspection, and

(B) transmit to the Committee on Energy and Natural Resources of the Senate and the Committee on Interior and Insular Affairs of the House of Representatives a copy of such appraisals and the determination by the Secretary of the values of lands to be conveyed and leased.

The Secretary shall not issue any interim conveyance, patent, or lease pursuant to this Act before ten days after such transmittals are made to the committees specified in subparagraph (B).

(b) TRANSMISSION CORRIDOR.—

(1) RESERVATION TO THE UNITED STATES.—The transfer of the lands in Clark and Lincoln Counties, Nevada to be conveyed to Aerojet under this Act shall be subject to the reservation to the United States of the right-of-way corridor described in the draft exchange agreement referred to in subsection (g). This corridor shall be designated and administered by the Secretary, who may grant rights-of-way over, upon, under, and through the corridor for systems and facilities used or useful for the construction, operation, and maintenance of electric transmission lines consistent with title V of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1761 et seq.).

(A) such rights-of-way or other rights or privileges are pursuant to or in furtherance or continuation of the specific rights referred to in subsection (c);

(B) at the time the land becomes so available there is pending an application for a right-of-way in the corridor reserved in this subsection and in the opinion of the Secretary such application is being diligently pursued; or

(C) such rights-of-way or other rights or privileges are in renewal of a right-of-way granted prior to the land becoming so available.

(c) PRESERVATION OF EXISTING RIGHTS.—The existing rights referred to in section 3(a) include the right-of-way (Number U-42519, granted April 3, 1980) to construct, operate, and maintain an electric transmission line from the Intermountain Power Project at Delta, Utah, through the land in Clark County and Lincoln County, Nevada, referred to in section 3(b), and the interest of the White Pine Power Project in the Southern Transmission System (described and analyzed in the final Environmental Impact Statement as the selected alternative and displayed on the map attached to the Record of Decision approved on March 26, 1985), within the land in Clark County and Lincoln County, Nevada, referred to in section 3(b). Nothing in this Act or in the draft exchange agreement referred to in subsection (g) shall negate or diminish such existing rights in any respect, except that (unless otherwise agreed to by the owner of the land in Clark County and Lincoln County, Nevada, referred to in section 3(b)) on and after the consummation of the exchange of lands authorized by this Act and without further act by the holders of such existing rights, such existing rights shall be altered so that—

(1) all transmission lines and related facilities to be located on the land in Clark County and Lincoln County, Nevada, referred to in section 3(b) pursuant to such existing rights may only be located within the corridor referenced in subsection (b); and

(2) the right to locate such transmission lines and related facilities pursuant to such existing rights on the land in Clark County and Lincoln County, Nevada, referred to in section 3(b) outside of that corridor shall be extinguished and of no further force or effect.

Safety.

(d) OFF-ROAD VEHICLES AND ALL-TERRAIN VEHICLES.—Except for purposes of administration or in cases of emergency or for public safety, off-road vehicles and all-terrain vehicles may not be used on unroaded portions of land located in the State of Nevada which is conveyed or leased under this Act.

Claims.

(e) IMMUNITY.—Notwithstanding any other provision of law, the United States, its officers, employees, and instrumentalities, may not be held liable for, and shall be immune from, any claim arising

from any acts or omissions of Aerojet, its employees, agents, successors, or assigns, on or related to any land conveyed or leased pursuant to this Act.

(f) OTHER REQUIREMENTS.—Any exchange pursuant to this Act (including any conveyance and any lease) shall be performed in accordance with and subject to the terms of this Act, the exchange agreement, and the lease agreement.

(g) AGREEMENTS.—

(1) IN GENERAL.—The issuance of any interim conveyance, patent, or lease in furtherance of an exchange under this Act shall be governed by and be in accordance with a written exchange agreement and lease agreement between the Secretary and Aerojet which shall incorporate the relevant terms and conditions of this Act. Such agreements shall incorporate all provisions of the draft exchange agreement and draft lease agreement, respectively, dated October 1, 1987, printed as Appendices to the Report of the Committee on Energy and Natural Resources to accompany S. 854 (S. Rept. 100-292), which are not inconsistent with this Act. Patents and trademarks.

(2) LIMITATIONS.—The Secretary shall not agree to the inclusion in the exchange agreement of any terms or conditions which, after completion of the exchange authorized and directed by this Act, would limit the ability of the Secretary to properly manage lands in Nevada or Florida for which the Secretary will have responsibility, or which, after completion of such exchange, would prevent the Secretary from properly discharging the responsibilities of the Secretary under any then-applicable provision of law. Nothing in the exchange agreement shall afford Aerojet or any other party a preferential position with regard to purchase or lease of any public lands other than those described in this Act.

(3) RULE OF CONSTRUCTION; NOTIFICATION.—In the case of any inconsistency between the terms of the exchange agreement or the lease agreement or any amendments thereto and this Act, the provisions of this Act shall prevail. The Secretary shall not agree to any amendment to either the exchange agreement or the lease agreement without first consulting with the Committee on Energy and Natural Resources of the Senate and the Committee on Interior and Insular Affairs of the House of Representatives, and shall transmit copies of any such amendment to such committees at the time of agreeing to such amendment.

SEC. 6. HABITAT PROTECTION.

(a) GROUND WATER.—

(1) MONITORING OF CONDITIONS AND HABITAT.—The Secretary, acting through the Director of the Fish and Wildlife Service, shall monitor the conditions and habitat of endangered or threatened species whose habitat the Secretary believes could be affected by the withdrawal of ground water from the aquifer beneath lands conveyed or leased pursuant to this Act.

(2) POTENTIAL ADVERSE EFFECTS.—If the Secretary has reasonable evidence to believe that the withdrawal of ground water from the aquifer beneath lands conveyed and leased pursuant to this Act is likely to adversely affect the habitat of any endangered or threatened species, the Secretary shall—

(A) promptly notify Aerojet (or its successors or assigns in the event that Aerojet has transferred its interests in such lands), the Committee on Energy and Natural Resources of the Senate, the Committee on Interior and Insular Affairs of the House of Representatives, and the State Engineer of Nevada concerning such likely adverse effect of such withdrawal; and

(B) request the State Engineer to take appropriate action, in accordance with applicable laws of the State of Nevada, to ascertain whether the withdrawal of ground water from such aquifer is in fact reducing the supply of water to the habitat of any endangered or threatened species, and, if so, to mitigate that reduction in accordance with applicable laws of the State of Nevada.

(3) DEPLETION.—In the event that the State Engineer of Nevada determines that the withdrawal of ground water from beneath lands conveyed or leased pursuant to this Act or from beneath other lands underlain by the same aquifer is causing depletion of water to a surface water habitat of any endangered or threatened species, Aerojet (or its successors or assigns) and the Secretary shall jointly petition the State Engineer to reduce the total water allocation in the affected area, or to take any other actions authorized by State law, in order to eliminate such depletion of water to such habitat.

(b) ALTERNATIVE SOURCES OF WATER.—The Secretary may not convey or lease lands under this Act until the Secretary has been assured by the State Engineer of Nevada that Aerojet has developed a feasible plan, consistent with applicable laws of the State of Nevada, for obtaining an alternative source of water (other than the withdrawal of ground water from the aquifer beneath lands conveyed and leased under this Act) to be used, in total or in part, in the event that Aerojet or a successor in interest is required to cease pumping ground water from beneath the conveyed or leased lands.

(c) ACCESS FOR MONITORING.—The Secretary, acting through the Director of the Fish and Wildlife Service, shall have access at any time to any land conveyed or leased under this Act to monitor—

(2) the condition of endangered or threatened species located on such land,

Plants.

(3) the impact of any activity occurring on such land on wildlife and plants, including (but not limited to) endangered or threatened species.

In exercising such right of access, the Secretary shall afford reasonable notice to Aerojet (or its successors or assigns).

(d) POLLUTION CONTROLS.—Nothing in this Act shall be construed as limiting or impairing the power of any Federal or State agency to monitor and regulate the handling by Aerojet or its successors in interest of hazardous materials or wastes or air or water pollutants to assure compliance with applicable State and Federal laws. The Secretary, from time to time, shall consult and cooperate with the Administrator of the Environmental Protection Agency and appropriate officials of the State of Nevada to facilitate such monitoring and regulation.

SEC. 7. TRANSFER OF FLORIDA LANDS TO WATER MANAGEMENT DISTRICT.

(a) SALE TO SOUTH FLORIDA WATER MANAGEMENT DISTRICT.—Notwithstanding any other provision of law, the Secretary is authorized and directed to sell by issuance of a quitclaim deed any lands acquired in accordance with an exchange pursuant to this Act to the South Florida Water Management District at such per-acre price as may be mutually agreed upon by the Secretary and the District.

(b) USE OF FUNDS RECEIVED BY THE UNITED STATES.—Notwithstanding any other provision of law, any funds received by the United States from the sale of lands authorized by subsection (a) and from any payments by Aerojet to equalize values of lands exchanged pursuant to this Act shall be deposited in the "Contributed Fund Account" of the Fish and Wildlife Service, and shall be utilized for the purchase of additional lands at existing elements of the National Wildlife Refuge System in the State of Florida. Such funds shall be available for obligation without appropriation. National Wildlife Refuge System.

Any public land in the State of Nevada which, as of March 1, 1987, was managed pursuant to section 603(c) of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1782) shall be retained in Federal ownership and shall continue to be so managed until Congress determines otherwise. Congress.

SEC. 9. CLAIMS.

Nothing in this Act or in the exchange and lease agreements shall be construed as affirming or denying the validity of any claim which is pending on the date of enactment of this Act by any Indian tribe or any other person with respect to any lands in Nevada.

SEC. 10. JUDICIAL REVIEW.

(a) GENERAL PROVISIONS.—Except as provided in subsection (b), nothing in this Act shall be construed as limiting any right of the Secretary or any other person to bring any action with regard to the responsibilities of the Secretary or any other person under applicable law, as affected or modified by this Act. The Secretary shall not include in the exchange agreement any term or condition that would limit the ability of the Secretary to bring any action or take any other step the Secretary may find appropriate in order to carry out the responsibility of the Secretary under this Act or any other applicable provision of law, as affected or modified by this Act.

(b) FINDING AND LIMITATION.—The Congress hereby finds that studies and analyses completed prior to the date of enactment of this Act have made available information sufficient to meet the objectives of the National Environmental Policy Act of 1969 and other relevant law so far as concerns the possible environmental and other effects of the conveyance and lease of public lands in Nevada as provided for in this Act, and that the provisions of this Act adequately address such possible effects. SEC. 2. CONSISTENCY WITH SAPOA AGREEMENT.—The assistance and support for which this joint resolution provides shall be administered consistent with the Sapoa Agreement. SEC. 3. PURPOSE OF ADDITIONAL ASSISTANCE FOR THE NICARAGUAN DEMOCRATIC RESISTANCE.—(a) CONGRESSIONAL INTENT.—It is the intention of Congress in providing additional assistance to the Nicaraguan democratic resistance to reinforce the Central American peace process by supporting negotiations leading to a permanent negotiated ceasefire agreement. Such an agreement is seen by the Congress as an essential step towards the establishment of peace and democracy in Nicaragua. The Congress provides assistance under this section with the understanding and strong expectation that the Government of Nicaragua and the Nicaraguan democratic resistance will cease permanently offensive military activities against each other and engage in good faith negotiations towards a permanent ceasefire.

President of U.S.

(b) TRANSFER AND USE.—(1) The President is authorized to transfer to the Agency for International Development $17,700,000 of unobligated funds from the appropriations accounts specified in section 6 to provide assistance for the Nicaraguan democratic resistance in accordance with this joint resolution. (2) The amount which is authorized to be transferred under paragraph (1) shall be reduced by the cost to the United States Government of any items or services described in subsection (c)(1) which were previously, specifically authorized by law for the Nica-

raguan democratic resistance and which are delivered to the Nicaraguan democratic resistance under subsection (e).

(c) DESCRIPTION OF ASSISTANCE ALLOWED.—(1) As used in this section, "assistance" means only food, clothing, shelter, medical services, medical supplies, and payment for such items or services.

(e) TRANSPORTATION.—(1) The President shall transfer to the Agency for International Development, from unobligated funds from the appropriations accounts specified, in section 6, such funds as may be necessary to provide, to the extent consistent with the Sapoa Agreement, transportation for the assistance authorized by subsection (b), including rental and indemnification of aircraft, trucks or other vehicles, and transportation for the items and services described in paragraph (3) of this subsection. Such cooperation shall include detailing to the Agency, on a reimbursable basis, such personnel as the Agency, with the approval of the President, may request.

(e) SUPPLEMENTAL AUTHORITIES.—In addition to the authorities otherwise available by law to the Agency for International Development, in carrying out this joint resolution, the Agency for International Development may exercise the same authorities, including authorities relating to procurement and expenditure of Government funds other than confidential funds, as the agency administering the assistance provided pursuant to section 111 of the joint resolution making further continuing appropriations for the fiscal year 1988 (Public Law 100-202) could exercise with respect to provision of that assistance.

Joint Resolution

To designate March 29, 1988, as "Education Day, U.S.A.".

Apr. 6, 1988
[H.J. Res. 470]

Whereas Congress recognizes the historical tradition of ethical values and principles which are the basis of civilized society and upon which our great Nation was founded;

Whereas these ethical values and principles have been the bedrock of society from the dawn of civilization, when they were known as the Seven Noahide Laws;

Whereas without these ethical values and principles the edifice of civilization stands in serious peril of returning to chaos;

Whereas society is profoundly concerned with the recent weakening of these principles that has resulted in crises that beleaguer and threaten the fabric of civilized society;

Whereas the justified preoccupation with these crises must not let the citizens of this Nation lose sight of their responsibility to transmit these historical ethical values from our distinguished past to the generations of the future;

Whereas the Lubavitch movement has fostered and promoted these ethical values and principles throughout the world;

Whereas Rabbi Menachem Mendel Schneerson, leader of the Lubavitch movement, is universally respected and revered and his eighty-sixth year will be seen as the year of continued "turn and return", the year in which we continue to turn to an education which will return the world to the moral and ethical values contained in the Seven Noahide Laws; and

Whereas this is reflected in the "international scroll of honor" which has been signed by the President of the United States and other heads of state: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That March 29, 1988, the birthday of Rabbi Menachem Mendel Schneerson, leader and head of the worldwide Lubavitch movement, is designated as "Education Day, U.S.A.". The President is requested to issue a proclamation calling upon the people of the United States to observe such day with appropriate ceremonies and activities. We also call on heads of state of the world to join our President in this tribute by signing the international scroll of honor which will be presented in their respective countries this year of completing "celebration 85".

The Board shall adopt rules and regulations to provide for purchasing from the lowest responsible bidder when sealed bids, notice and publication are not required by this section. The Board may suspend and waive the provisions of this section requiring competitive bids whenever: Contracts. Public information. Regulations.

"(a) the purchase is to be made from or the contract is to be made with the Federal or any State government or any agency or political subdivision thereof or pursuant to any open-end bulk-purchase contract of any of them; State and local governments.

"(b) the public exigency requires the immediate delivery of the articles;

"(c) only one source of supply is available; or

"(d) the equipment to be purchased is of a technical nature and the procurement thereof without advertising is necessary in order to assure standardization of equipment and interchangeability of parts in the public interest.".

(4) Section 76(a) is amended to read as follows:

Law enforcement and crime.

"76.(a) The Authority is authorized to establish and maintain a regular police force, to be known as the Metro Transit Police, to provide protection for its patrons, personnel, and transit facilities. The Metro Transit Police shall have the powers and duties and shall be subject to the limitations set forth in this section. It shall be composed of both uniformed and plainclothes personnel and shall be charged with the duty of enforcing the laws of the signatories, and the laws, ordinances and regulations of the political subdivisions thereof in the Transit Zone, and the rules and regulations of the Authority. The jurisdiction of the Metro Transit Police shall be limited to all the transit facilities (including bus stops) owned, controlled or operated by the Authority, but this restriction shall not limit the power of the Metro Transit Police to make arrests in the Transit Zone for violations committed upon, to or against such transit facilities committed from within or outside such transit facilities, while in hot or close pursuit or to execute traffic citations and criminal process in accordance with subsection (c) below. The members of the Metro Transit Police shall have concurrent jurisdiction in the performance of their duties with the duly constituted law enforcement agencies of the signatories and of the political subdivisions thereof in which any transit facility of the Authority is located or in which the Authority operates any transit service. Nothing contained in this section shall either relieve any signatory or political subdivision or agency thereof from its duty to provide police, fire and other public safety service and protection, or limit, restrict or interfere with the jurisdiction of or the performance of duties by the existing police, fire and other public safety agencies. For purposes of this section, 'bus stop' means that area within 150 feet of a metrobus bus stop sign, excluding the interior of any building not owned, controlled, or operated by the Washington Metropolitan Area Transit Authority.".

(5) Section 76(c) is amended to read as follows:

Law enforcement and crime.

"(c) Members of the Metro Transit Police shall have power to execute on the transit facilities owned, controlled, or operated by the Authority any traffic citation or any criminal process issued by any court of any signatory or of any political subdivision of a signatory, for any felony, misdemeanor, or other offense against the laws, ordinances, rules, or regulations specified in subsection (a). However, with respect to offenses committed upon, to, or against the

transit facilities owned, controlled, or operated by the Authority, the Metro Transit Police shall have power to execute criminal process within the Transit Zone.".

To designate the period commencing on April 10, 1988, and ending on April 16, 1988, as "National Productivity Improvement Week".

Whereas the economic stability and growth of this Nation relies largely on the collective industry and endeavor of its working citizens;

To designate April 21, 1988, as "John Muir Day".

Apr. 7, 1988
[S.J. Res. 245]

Whereas April 21, 1988, marks the one hundred and fiftieth birthday of the great American conservationist John Muir, heralded worldwide for his dedication to the preservation of wilderness in this country;

Whereas generations of Americans have reveled in the wonders of Yosemite, the Grand Canyon, and other parklands set aside by past Presidents and Congresses at the urging of the Scottish-born naturalist;

Whereas a system of natural, cultural, historical, and recreational national parks which John Muir helped pioneer has grown in size to almost eighty million acres symbolizing the stewardship Americans demonstrate for their precious public resources;

Whereas John Muir was the cofounder and first president of the Sierra Club, an organization which contributes in making this Nation a leader in the global environmental movement;

Whereas the John Muir National Historic Site, in Martinez, California, one of three hundred and thirty-seven units of the National Park Service, was set aside by Congress in 1964 as a monument to the wild lands crusader and was the site from which Muir wrote books celebrating the natural beauty and wildlife of the United States, books that are still widely read and treasured by people of all ages; and

Whereas the important role of an ecologically sound environment in the quality of life for all people was proselytised by the tireless voice and pen of John Muir: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That April 21, 1988, is designated as "John Muir Day", and the President is authorized and requested to issue a proclamation calling upon the people of the United States to observe such day with appropriate ceremonies and activities.

Apr. 7, 1988
[S.J. Res. 260]

To designate the week beginning April 10, 1988, as "National Child Care Awareness Week".

Whereas the status and composition of the family in the United States is constantly changing;

Whereas women hold 53 percent of all jobs in the United States;

Whereas 80 percent of the women in the United States who are employed are of childbearing age;

Whereas, while child care is no longer considered the sole responsibility of women, the percentage of single-parent families headed by women has increased by more than 51 percent in 12 years;

Whereas it is estimated that 80 percent of the women with children of preschool age will hold jobs by 1990;

Whereas the increasing participation of women in the workforce will continue to increase the demand for child care during the working hours;

Whereas communities across the United States are planning special activities to honor child care providers and to illustrate the importance of quality child care as part of the Child Care America project of the Public Television Outreach Alliance;

Whereas the National Association for the Education of Young Children and the Public Television Outreach Alliance are sponsoring a week of the child, and it is appropriate for the Congress to designate the same week as a period devoted to increasing public awareness of child care issues; and

Whereas all children deserve quality child care, and all parents have a profound obligation to provide a safe and wholesome environment for their children at all times: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the week beginning April 10, 1988, is designated as "National Child Care Awareness Week", and the President of the United States is authorized and requested to issue a proclamation calling upon the people of the United States to observe the week with appropriate ceremonies and activities.

To designate April 6, 1988, as "National Student-Athlete Day".

Apr. 12, 1988
[H.J. Res. 513]

Whereas, the student-athlete represents a role model worthy of emulation by America's youth;

Whereas, such worthy values and behaviors as perseverance, teamwork, self-discipline and commitment to a goal are fostered and promoted by both academic and athletic pursuits;

Whereas, participation in athletics, together with education, provides opportunities to develop valuable social and leadership skills and to gain an appreciation of ethnic and racial groups different from one's own;

Whereas, in spite of all the positive aspects of sport, overemphasis on sport at the expense of education can cause serious harm to an athlete's future;

Whereas, the pursuit of victory in athletics among our nation's schools and colleges too often leads to exploitation and abuse of the student-athlete;

Whereas, only 1 in 10,000 high school athletes who dream of a career in professional sports ever realize that aspiration, while those who do can expect a professional sports career of less than 4 years;

Whereas, thousands of America's youth sacrifice academic achievement to the dream of professional athletics;

Whereas, the practice of keeping athletes eligible for participation on a team, even at the high school level, must be abandoned for a policy of ensuring a meaningful education and degree;

Whereas, coaches, parents and educators of student-athletes must express high expectations for academic performance as well as for athletic performance; and

Whereas, there is a need in this Nation to reemphasize the "student" in the term "student-athlete": Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That April 6, 1988, is designated as "National Student-Athlete Day" and the President of the United States is authorized and requested to issue a proclamation calling upon the people of the United States to observe that day with appropriate programs, ceremonies, and activities.

Designating the week of April 17, 1988, as "Crime Victims Week".

Apr. 18, 1988
[S.J. Res. 234]

Whereas millions of Americans are victims of crime each year;
Whereas many of those crime victims are traumatized further by the physical, psychological, and financial burdens resulting from their victimizations;
Whereas the sensitivity of our Nation's criminal justice system must be improved when working with crime victims and their families;
Whereas much progress has been made to correct these injustices by implementing in the Federal, State, local, and private sectors the recommendations of the President's Task Force on Victims of Crime; and
Whereas continuation of these efforts must be encouraged to ensure the restoration of balance to our Nation's criminal justice system and the fair and compassionate treatment of crime victims and their families: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the week of April 17, 1988, is designated as "Crime Victims Week", and the President is authorized and requested to issue a proclamation calling upon the people of the United States to observe such week with appropriate programs, ceremonies, and activities.

[H.J. Res. 527]

To designate the week of April 17, 1988, through April 24, 1988, as "Jewish Heritage Week".

Whereas April 21, 1988, marks the fortieth anniversary of the founding of the State of Israel;

Whereas the months of March, April, and May contain events of major significance in the Jewish calendar—Passover, the anniversary of the Warsaw Ghetto Uprising, Solidarity Sunday for Soviet Jewry, and Jerusalem Day;

Whereas the Congress recognizes that an understanding of the heritage of all American ethnic groups contributes to the unity of our country; and

An Act

To amend the Federal Food, Drug, and Cosmetic Act to ban the reimportation of drugs produced in the United States, to place restrictions on the distribution of drug samples, to ban certain resales of drugs by hospitals and other health care entities, and for other purposes.

Apr. 22, 1988
[H.R. 1207]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

Prescription Drug Marketing Act of 1987.
Commerce and trade.
21 USC 301 note.

SECTION 1. SHORT TITLE; REFERENCE.

(a) SHORT TITLE.—This Act may be cited as the "Prescription Drug Marketing Act of 1987".

(b) REFERENCE.—Whenever in this Act an amendment or repeal is expressed in terms of an amendment to, or repeal of, a section or other provision, the reference shall be considered to be made to a section or other provision of the Federal Food, Drug, and Cosmetic Act.

SEC. 2. FINDINGS.

21 USC 353 note.

The Congress finds the following:

(1) American consumers cannot purchase prescription drugs with the certainty that the products are safe and effective.

(2) The integrity of the distribution system for prescription drugs is insufficient to prevent the introduction and eventual retail sale of substandard, ineffective, or even counterfeit drugs.

(3) The existence and operation of a wholesale submarket, commonly known as the "diversion market", prevents effective control over or even routine knowledge of the true sources of prescription drugs in a significant number of cases.

(4) Large amounts of drugs are being reimported to the United States as American goods returned. These imports are a health and safety risk to American consumers because they may have become subpotent or adulterated during foreign handling and shipping.

(5) The ready market for prescription drug reimports has been the catalyst for a continuing series of frauds against American manufacturers and has provided the cover for the importation of foreign counterfeit drugs.

(6) The existing system of providing drug samples to physicians through manufacturer's representatives has been abused for decades and has resulted in the sale to consumers of misbranded, expired, and adulterated pharmaceuticals.

(7) The bulk resale of below wholesale priced prescription drugs by health care entities, for ultimate sale at retail, helps fuel the diversion market and is an unfair form of competition to wholesalers and retailers that must pay otherwise prevailing market prices.

(8) The effect of these several practices and conditions is to create an unacceptable risk that counterfeit, adulterated, mis-

branded, subpotent, or expired drugs will be sold to American consumers.

SEC. 3. REIMPORTATION.

Section 801 (21 U.S.C. 381) is amended by redesignating subsection (d) as subsection (e) and by inserting after subsection (c) the following:

"(d)(1) Except as provided in paragraph (2), no drug subject to section 503(b) which is manufactured in a State and exported may be imported into the United States unless the drug is imported by the person who manufactured the drug.

"(2) The Secretary may authorize the importation of a drug the importation of which is prohibited by paragraph (1) if the drug is required for emergency medical care.".

SEC. 4. SALES RESTRICTIONS.

Section 503 (21 U.S.C. 353) is amended by adding at the end the following:

"(c)(1) No person may sell, purchase, or trade or offer to sell, purchase, or trade any drug sample. For purposes of this paragraph and subsection (d), the term 'drug sample' means a unit of a drug, subject to subsection (b), which is not intended to be sold and is intended to promote the sale of the drug. Nothing in this paragraph shall subject an officer or executive of a drug manufacturer or distributor to criminal liability solely because of a sale, purchase, trade, or offer to sell, purchase, or trade in violation of this paragraph by other employees of the manufacturer or distributor.

"(2) No person may sell, purchase, or trade, offer to sell, purchase, or trade, or counterfeit any coupon. For purposes of this paragraph, the term 'coupon' means a form which may be redeemed, at no cost or at a reduced cost, for a drug which is prescribed in accordance with section 503(b).

"(3)(A) No person may sell, purchase, or trade, or offer to sell, purchase, or trade, any drug—

"(i) which is subject to subsection (b), and

"(ii)(I) which was purchased by a public or private hospital or other health care entity, or

"(II) which was donated or supplied at a reduced price to a charitable organization described in section 501(c)(3) of the Internal Revenue Code of 1954.

"(B) Subparagraph (A) does not apply to—

"(i) the purchase or other acquisition by a hospital or other health care entity which is a member of a group purchasing organization of a drug for its own use from the group purchasing organization or from other hospitals or health care entities which are members of such organization,

"(ii) the sale, purchase, or trade of a drug or an offer to sell, purchase, or trade a drug by an organization described in subparagraph (A)(ii)(II) to a nonprofit affiliate of the organization to the extent otherwise permitted by law,

"(iii) a sale, purchase, or trade of a drug or an offer to sell, purchase, or trade a drug among hospitals or other health care entities which are under common control,

"(iv) a sale, purchase, or trade of a drug or an offer to sell, purchase, or trade a drug for emergency medical reasons, or

"(v) a sale, purchase, or trade of a drug, an offer to sell, purchase, or trade a drug, or the dispensing of a drug pursuant to a prescription executed in accordance with section 503(b).

For purposes of this paragraph, the term 'entity' does not include a wholesale distributor of drugs or a retail pharmacy licensed under State law and the term 'emergency medical reasons' includes transfers of a drug between health care entities or from a health care entity to a retail pharmacy undertaken to alleviate temporary shortages of the drug arising from delays in or interruptions of regular distribution schedules.".

SEC. 5. DISTRIBUTION OF DRUG SAMPLES.

Section 503 (as amended by section 4 of this Act) is amended by adding at the end thereof the following:

"(d)(1) Except as provided in paragraphs (2) and (3), no representative of a drug manufacturer or distributor may distribute any drug sample.

"(iv) the date of the request.

"(C) Each drug manufacturer or distributor which makes distributions by mail or common carrier under this paragraph shall maintain, for a period of 3 years, the request forms submitted for such distributions and the receipts submitted for such distributions and shall maintain a record of distributions of drug samples which identifies the drugs distributed and the recipients of the distributions. Forms, receipts, and records required to be maintained under this subparagraph shall be made available by the drug manufacturer or distributor to Federal and State officials engaged in the regulation of drugs and in the enforcement of laws applicable to drugs.

"(3) The manufacturer or distributor of a drug subject to subsection (b) may, by means other than mail or common carrier, distribute drug samples only if the manufacturer or distributor makes the distributions in accordance with subparagraph (A) and carries out the activities described in subparagraphs (B) through (F) as follows:

"(A) Drug samples may only be distributed—

Health care professionals.

"(ii) at the written request of such a licensed practitioner, to pharmacies of hospitals or other health care entities. Drug manufacturers or distributors shall maintain records for at least 3 years of all drug samples distributed, destroyed, or returned to the manufacturer or distributor, of all inventories maintained under this subparagraph, of all thefts or significant losses of drug samples, and of all requests made under subparagraph (A) for drug samples. Records and lists maintained under this subparagraph shall be made available by the drug manufacturer or distributor to the Secretary upon request.

SEC. 6. WHOLESALE DISTRIBUTORS.

Section 503 (as amended by section 5 of this Act) is amended by adding at the end the following:

"(e)(1) Each person who is engaged in the wholesale distribution of drugs subject to subsection (b) and who is not an authorized distributor of record of such drugs shall provide to each wholesale distributor of such drugs a statement identifying each sale of the drug (including the date of the sale) before the sale to such wholesale

TITLE I—ELEMENTARY AND SECONDARY EDUCATION PROGRAMS REAUTHORIZED

SEC. 1001. AMENDMENT TO THE ELEMENTARY AND SECONDARY EDUCATION ACT OF 1965.

The Elementary and Secondary Education Act of 1965 (20 U.S.C. 2701 et seq.) (other than title X of such Act) is amended to read as follows:

20 USC 2701 note.

"SECTION 1. SHORT TITLE.

"This Act may be cited as the 'Elementary and Secondary Education Act of 1965'.

"TITLE I—BASIC PROGRAMS

"CHAPTER 1—FINANCIAL ASSISTANCE TO MEET SPECIAL EDUCATIONAL NEEDS OF CHILDREN

20 USC 2701.

"SEC. 1001. DECLARATION OF POLICY AND STATEMENT OF PURPOSE.

"(a) DECLARATION OF POLICY.—In recognition of—

"(1) the special educational needs of children of low-income families and the impact of concentrations of low-income families on the ability of local educational agencies to provide educational programs which meet such needs, and

"(2) the special educational needs of children of migrant parents, of Indian children, and of handicapped, neglected, and delinquent children,

the Congress declares it to be the policy of the United States to—

"(A) provide financial assistance to State and local educational agencies to meet the special needs of such educationally deprived children at the preschool, elementary, and secondary levels;

"(B) expand the program authorized by this chapter over the next 5 years by increasing funding for this chapter by at least $500,000,000 over baseline each fiscal year and thereby increasing the percentage of eligible children served in each fiscal year with the intent of serving all eligible children by fiscal year 1993; and

"(C) provide such assistance in a way which eliminates unnecessary administrative burden and paperwork and overly prescriptive regulations and provides flexibility to State and local educational agencies in making educational decisions.

"(b) STATEMENT OF PURPOSE.—The purpose of assistance under this chapter is to improve the educational opportunities of educationally deprived children by helping such children succeed in the regular program of the local educational agency, attain grade-

level proficiency, and improve achievement in basic and more advanced skills. These purposes shall be accomplished through such means as supplemental education programs, schoolwide programs, and the increased involvement of parents in their children's education.

"PART A—BASIC PROGRAMS OPERATED BY LOCAL EDUCATIONAL AGENCIES

"Subpart 1—Allocations

"SEC. 1005. BASIC GRANTS. 20 USC 2711.

"(a) AMOUNT OF GRANTS.—

"(1) GRANTS FOR TERRITORIES.—There is authorized to be appropriated for each fiscal year for the purpose of this paragraph 1 percent of the amount appropriated for such year for payments to States under this section. The amount appropriated pursuant to this paragraph shall be allotted by the Secretary (A) among Guam, American Samoa, the Virgin Islands, the Northern Mariana Islands, and the Trust Territory of the Pacific Islands according to their respective need for grants under this part, and (B) to the Secretary of the Interior in the amount necessary (i) to make payments pursuant to paragraph (1) of subsection (d), and (ii) to make payments pursuant to paragraph (2) of subsection (d). The grant which a local educational agency in Guam, American Samoa, the Virgin Islands, the Northern Mariana Islands, and the Trust Territory of the Pacific Islands is eligible to receive shall be determined pursuant to such criteria as the Secretary determines will best carry out the purposes of this chapter. Appropriation authorization.

"(2) GRANTS FOR LOCAL EDUCATIONAL AGENCIES AND PUERTO RICO.—

"(A) In any case in which the Secretary determines that satisfactory data for that purpose are available, the grant which a local educational agency in a State is eligible to receive under this subpart for a fiscal year shall (except as provided in paragraph (3)), be determined by multiplying the number of children counted under subsection (c) by 40 percent of the amount determined under the next sentence. The amount determined under this sentence shall be the average per pupil expenditure in the State except that (i) if the average per pupil expenditure in the State is less than 80 percent of the average per pupil expenditure in the United States, such amount shall be 80 percent of the average per pupil expenditure in the United States, or (ii) if the average per pupil expenditure in the State is more than 120 percent of the average per pupil expenditure in the United States, such amount shall be 120 percent of the average per pupil expenditure in the United States.

"(B) In any case in which such data are not available, subject to paragraph (3), the grant for any local educational agency in a State shall be determined on the basis of the aggregate amount of such grants for all such agencies in the county or counties in which the school district of the particular agency is located, which aggregate amount shall be equal to the aggregate amount determined under

subparagraph (A) for such county or counties, and shall be allocated among those agencies upon such equitable basis as may be determined by the State educational agency in accordance with the basic criteria prescribed by the Secretary.

"(C) For each fiscal year, the Secretary shall determine the percentage which the average per pupil expenditure in the Commonwealth of Puerto Rico is of the lowest average per pupil expenditure of any of the 50 States. The grant which the Commonwealth of Puerto Rico shall be eligible to receive under this subpart for a fiscal year shall be the amount arrived at by multiplying the number of children counted under subsection (c) for the Commonwealth of Puerto Rico by the product of—

"(i) the percentage determined under the preceding sentence; and

"(ii) 32 percent of the average per pupil expenditure in the United States.

"(3) SPECIAL ALLOCATION PROCEDURES.—

"(A) Upon determination by the State educational agency that a local educational agency in the State is unable or unwilling to provide for the special educational needs of children described in clause (C) of paragraph (1) of subsection (c), who are living in institutions for neglected or delinquent children, the State educational agency shall, if it assumes responsibility for the special educational needs of such children, be eligible to receive the portion of the allocation to such local educational agency which is attributable to such neglected or delinquent children, but if the State educational agency does not assume such responsibility, any other State or local public agency, as determined by regulations established by the Secretary, which does assume such responsibility, shall be eligible to receive such portion of the allocation.

"(B) In the case of local educational agencies which serve in whole or in part the same geographical area, and in the case of a local educational agency which provides free public education for a substantial number of children who reside in the school district of another local educational agency, the State educational agency may allocate the amount of the grants for those agencies among them in such manner as it determines will best carry out the purposes of this chapter.

"(C) In any State in which a large number of local educational agencies overlap county boundaries, the State educational agency may apply to the Secretary for authority during any particular fiscal year to make the allocations under this part (other than section 1006) directly to local educational agencies without regard to the counties or may continue to make such allocations if the agency had the authority to do so under chapter 1 of the Education Consolidation and Improvement Act of 1981. If the Secretary approves an application of a State educational agency for a particular year under this subparagraph, the State educational agency shall provide assurances that such allocations will be made using precisely the same factors for determining a grant as are used under this part and that a

procedure will be established through which local educational agencies dissatisfied with the determinations made by the State educational agency may appeal directly to the Secretary for a final determination.

"(4) DEFINITION.—For purposes of this subsection, the term 'State' does not include Guam, American Samoa, the Virgin Islands, the Northern Mariana Islands, and the Trust Territory of the Pacific Islands.

"(b) MINIMUM NUMBER OF CHILDREN TO QUALIFY.—A local educational agency shall be eligible for a basic grant for a fiscal year under this subpart only if it meets the following requirements with respect to the number of children counted under subsection (c):

"(1) In any case (except as provided in paragraph (3)) in which the Secretary determines that satisfactory data for the purpose of this subsection as to the number of such children are available on a school district basis, the number of such children in the school district of such local educational agency shall be at least 10.

"(2) In any other case, except as provided in paragraph (3), the number of such children in the county which includes such local educational agency's school district shall be at least 10.

"(3) In any case in which a county includes a part of the school district of the local educational agency concerned and the Secretary has not determined that satisfactory data for the purpose of this subsection are available on a school district basis for all the local educational agencies or all the counties into which the school district of the local educational agency concerned extends, the eligibility requirement with respect to the number of such children for such local educational agency shall be determined in accordance with regulations prescribed by the Secretary for the purposes of this subsection.

"(c) CHILDREN TO BE COUNTED.—

Disadvantaged persons.

"(1) CATEGORIES OF CHILDREN.—The number of children to be counted for purposes of this section is the aggregate of—

"(A) the number of children aged 5 to 17, inclusive, in the school district of the local educational agency from families below the poverty level as determined under paragraph (2)(A),

"(B) the number of children aged 5 to 17, inclusive, in the school district of such agency from families above the poverty level as determined under paragraph (2)(B), and

"(C) the number of children aged 5 to 17, inclusive, in the school district of such agency living in institutions for neglected or delinquent children (other than such institutions operated by the United States) but not counted pursuant to subpart 3 of part D for the purposes of a grant to a State agency, or being supported in foster homes with public funds.

"(2) DETERMINATION OF NUMBER OF CHILDREN.—

"(A) For the purposes of this section, the Secretary shall determine the number of children aged 5 to 17, inclusive, from families below the poverty level on the basis of the most recent satisfactory data available from the Department of Commerce for local educational agencies (or, if such data are not available for such agencies, for counties); and in determining the families which are below the poverty level, the Secretary shall utilize the criteria of poverty used

by the Bureau of the Census in compiling the most recent decennial census.

"(B) For purposes of this section, the Secretary shall determine the number of children aged 5 to 17, inclusive, from families above the poverty level on the basis of the number of such children from families receiving an annual income, in excess of the current criteria of poverty, from payments under the program of aid to families with dependent children under a State plan approved under title IV of the Social Security Act; and in making such determinations the Secretary shall utilize the criteria of poverty used by the Bureau of the Census in compiling the most recent decennial census for a family of 4 in such form as those criteria have been updated by increases in the Consumer Price Index. The Secretary shall determine the number of such children and the number of children of such ages living in institutions for neglected or delinquent children, or being supported in foster homes with public funds, on the basis of the caseload data for the month of October of the preceding fiscal year (using, in the case of children described in the preceding sentence, the criteria of poverty and the form of such criteria required by such sentence which were determined for the calendar year preceding such month of October) or, to the extent that such data are not available to the Secretary before January of the calendar year in which the Secretary's determination is made, then on the basis of the most recent reliable data available to the Secretary at the time of such determination. The Secretary of Health and Human Services shall collect and transmit the information required by this subparagraph to the Secretary not later than January 1 of each year.

"(C) When requested by the Secretary, the Secretary of Commerce shall make a special estimate of the number of children of such ages who are from families below the poverty level (as determined under subparagraph (A) of this paragraph) in each county or school district, and the Secretary is authorized to pay (either in advance or by way of reimbursement) the Secretary of Commerce the cost of making this special estimate. The Secretary of Commerce shall give consideration to any request of the chief executive of a State for the collection of additional census information. For purposes of this section, the Secretary shall consider all children who are in correctional institutions to be living in institutions for delinquent children.

"(d) PROGRAM FOR INDIAN CHILDREN.—

"(1) From the amount allotted for payments to the Secretary of the Interior under the second sentence of subsection (a)(1), the Secretary of the Interior shall make payments to local educational agencies, upon such terms as the Secretary determines will best carry out the purposes of this chapter with respect to out-of-State Indian children in the elementary and secondary schools of such agencies under special contracts with the Department of the Interior. The amount of such payment may not exceed, for each such child, 40 percent of (A) the average per pupil expenditure in the State in which the agency is located, or (B) 120 percent of such expenditure in the United States, whichever is the greater.

"(2) The amount allotted for payments to the Secretary of the Interior under the second sentence of subsection (a)(1) for any fiscal year shall be, as determined pursuant to criteria established by the Secretary, the amount necessary to meet the special educational needs of educationally deprived Indian children on reservations serviced by elementary and secondary schools for Indian children operated with Federal assistance or operated by the Department of the Interior. Such payment shall be made pursuant to an agreement between the Secretary and the Secretary of the Interior containing such assurances and terms as the Secretary determines will best achieve the purposes of this chapter. Such agreement shall contain (A) an assurance that payments made pursuant to this subparagraph will be used solely for programs and projects approved by the Secretary of the Interior which meet the applicable requirements of subpart 2 of this part and that the Department of the Interior will comply in all other respects with the requirements of this chapter, and (B) provision for carrying out the applicable provisions of subpart 2 of this part and part F. Such agreement shall consider a tribal organization operating a school under the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450 et seq.) or the Tribally Controlled Schools Act of 1987 as a local educational agency, and shall consider the Secretary of the Interior as a State or State educational agency for all purposes defining the authority of States or State educational agencies relative to local educational agencies. If, in the capacity as a State educational agency, the Secretary of the Interior promulgates regulations applicable to such tribal organizations, the Secretary shall comply with section 1451 of this Act and with section 553 of title 5 of the United States Code, relating to administrative procedure, and such regulations must be consistent with subsections (d) and (e) of section 1121, section 1130, and section 1133 of the Education Amendments of 1978.

Contracts.

"(e) STATE MINIMUM.—(1) For any fiscal year for which—

"(A) sums available for the purposes of this section exceed sums available under chapter 1 of the Education Consolidation and Improvement Act of 1981 for fiscal year 1988; and

"(B)(i) sums available for the purpose of section 1006 equal or exceed $400,000,000, or

"(ii) sums available for the purpose of section 1005 equal or exceed amounts appropriated for such purpose in fiscal year 1988 by $700,000,000,

the aggregate amount allotted for all local educational agencies within a State may not be less than one-quarter of 1 percent of the total amount available for such fiscal year under this section.

"(2) The provisions of paragraph (1) shall apply only if each State is allotted an amount which is not less than the payment made to each State under chapter 1 of the Education Consolidation and Improvement Act of 1981 for fiscal year 1988.

"(3)(A) No State shall, by reason of the application of the provisions of paragraph (1) of this subsection, be allotted more than—

"(i) 150 percent of the amount that the State received in the fiscal year preceding the fiscal year for which the determination is made, or

"(ii) the amount calculated under subparagraph (B),

whichever is less.

"(B) For the purpose of subparagraph (A)(ii), the amount for each State equals—

"(i) the number of children in such State counted under subsection (c) in the fiscal year specified in subparagraph (A), multiplied by

"(ii) 150 percent of the national average per pupil payment made with funds available under this section for that year.

"(g) DURATION OF ASSISTANCE.—During the period beginning October 1, 1988, and ending September 30, 1993, the Secretary shall, in accordance with the provisions of this part, make payments to State educational agencies for grants made on the basis of entitlements created under this section.

Disadvantaged persons.
20 USC 2712.

"SEC. 1006. GRANTS FOR LOCAL EDUCATIONAL AGENCIES IN COUNTIES WITH ESPECIALLY HIGH CONCENTRATIONS OF CHILDREN FROM LOW-INCOME FAMILIES.

"(a) ELIGIBILITY FOR AND AMOUNT OF SPECIAL GRANTS.—

"(1)(A) Except as otherwise provided in this paragraph, each county, in a State other than Guam, American Samoa, the Virgin Islands, the Northern Mariana Islands, and the Trust Territory of the Pacific Islands, which is eligible for a grant under this chapter for any fiscal year shall be entitled to an additional grant under this section for that fiscal year if—

"(i) the number of children counted under section 1005(c) of this chapter in the school district of local educational agencies in such county for the preceding fiscal year exceeds 6,500, or

"(ii) the number of children counted under section 1005(c) exceeds 15 percent of the total number of children aged five to seventeen, inclusive, in the school districts of local educational agencies in such county in that fiscal year.

"(B) Except as provided in subparagraph (C), no State described in subparagraph (A) shall receive less than—

"(i) one-quarter of 1 percent of the sums appropriated under subsection (c) of this section for such fiscal year; or

"(ii) $250,000,

whichever is higher.

"(C) No State shall, by reason of the application of the provisions of subparagraph (B)(i) of this paragraph, be allotted more than—

"(i) 150 percent of the amount that the State received in the fiscal year preceding the fiscal year for which the determination is made, or

"(ii) the amount calculated under subparagraph (B),

whichever is less.

"(D) For the purpose of subparagraph (C), the amount for each State equals—

"(i) the number of children in such State counted for purposes of this section in the fiscal year specified in subparagraph (B),

multiplied by

"(ii) 150 percent of the national average per pupil payment made with funds available under this section for that year.

"(2) For each county in which there are local educational agencies eligible to receive an additional grant under this sec-

tion for any fiscal year the Secretary shall determine the product of—

"(A) the greater of—

"(i) the number of children in excess of 6,500 counted under section 1005(c) for the preceding fiscal year, in the school districts of local educational agencies of a county which qualifies on the basis of subparagraph (A) of paragraph (1); or

"(ii) the number of children counted under section 1005(c) for the preceding fiscal year in the school districts of local educational agencies in a county which qualifies on the basis of subparagraph (B) of paragraph (1); and

"(B) the quotient resulting from the division of the amount determined for those agencies under section 1005(a)(2) of this chapter for the fiscal year for which the determination is being made divided by the total number of children counted under section 1005(c) for that agency for the preceding fiscal year.

"(3) The amount of the additional grant to which an eligible county is entitled under this section for any fiscal year shall be an amount which bears the same ratio to the amount reserved under subsection (c) for that fiscal year as the product determined under paragraph (2) for such county for that fiscal year bears to the sum of such products for all counties in the United States for that fiscal year.

"(4) For the purposes of this section, the Secretary shall determine the number of children counted under section 1005(c) for any county, and the total number of children aged five to seventeen, inclusive, in school districts of local educational agencies in such county, on the basis of the most recent satisfactory data available at the time the payment for such county is determined under section 1005.

"(5)(A) Pursuant to regulations established by the Secretary and except as provided in subparagraphs (B) and (C) and paragraph (6), funds allocated to counties under this part shall be allocated by the State educational agency only to those local educational agencies whose school districts lie (in whole or in part) within the county and which are determined by the State educational agency to meet the eligibility criteria of clauses (i) and (ii) of paragraph (1)(A). Such determination shall be made on the basis of the available poverty data which such State educational agency determines best reflect the current distribution in the local educational agency of low-income families consistent with the purposes of this chapter. The amount of funds under this part that each qualifying local educational agency receives shall be proportionate to the number or percentage of children from low-income families in the school districts of the local educational agency.

"(B) In counties where no local educational agency meets the criteria of clause (i) or (ii) of paragraph (1)(A), the State educational agency shall allocate such funds among the local educational agencies within such counties (in whole or in part) in rank order of their respective concentration and numbers of children from low-income families and in amounts which are consistent with the degree of concentration of poverty. Only local educational agencies with concentrations of poverty that

exceed the county wide average of poverty shall receive any funds pursuant to the provisions of this subparagraph.

"(C) In States which receive the minimum grant amount under paragraph (1), the State educational agency shall allocate such funds among the local educational agencies in such State by either of the following methods:

"(i) in accordance with the provisions of subparagraphs (A) and (B) of this paragraph; or

"(ii) without regard to the counties in which such local educational agencies are located, in rank order of their respective concentration and numbers of children from low-income families and in amounts which are consistent with the degree of concentration of poverty, except that only those local educational agencies with concentrations of poverty that exceed the Statewide average of poverty shall receive any funds pursuant to the provisions of this clause.

"(6) A State may reserve not more than 2 percent of its allocation under this section for the purpose of making direct payments to local educational agencies that meet the criteria of clauses (i) and (ii) of paragraph (1)(A), but are otherwise ineligible.

"(b) PAYMENTS; USE OF FUNDS.—

"(1) The total amount which counties in a State are entitled to under this section for any fiscal year shall be added to the amount paid to that State under section 1401 for such year. From the amount paid to it under this section, the State shall distribute to local educational agencies in each county of the State the amount (if any) to which it is entitled under this section.

"(2) The amount paid to a local educational agency under this section shall be used by that agency for activities undertaken pursuant to its application submitted under section 1012 and shall be subject to the other requirements in subpart 2 of this part.

"(c) RESERVATION OF FUNDS.—

"(1) For any fiscal year for which amounts appropriated for part A of this chapter exceed $3,900,000,000, the amounts specified in paragraph (2) of this subsection shall be available to carry out this section.

"(2)(A) The first $400,000,000 in excess of $3,900,000,000 appropriated for part A of this chapter in any fiscal year shall be available to carry out this section.

"(B) Whenever the amounts appropriated for part A exceed $4,300,000,000 in any fiscal year, 10 percent of the amount appropriated for that fiscal year shall be available to carry out this section, except that no State shall, as a result of implementation of paragraph (2) of this subsection, receive less under section 1005 than it received for the previous fiscal year under such section or under section 554(a)(1)(A) of the Education Consolidation and Improvement Act of 1981.

"(d) RATABLE REDUCTION RULE.—If the sums available under subsection (c) for any fiscal year for making payments under this section are not sufficient to pay in full the total amounts which all States are entitled to receive under subsection (a) for such fiscal year, the maximum amounts which all States are entitled to receive under subsection (a) for such fiscal year shall be ratably reduced. In case additional funds become available for making such payments

for any fiscal year during which the preceding sentence is applicable, such reduced amounts shall be increased on the same basis as they were reduced.

"Subpart 2—Basic Program Requirements

"SEC. 1011. USES OF FUNDS. 20 USC 2721.

"(a) PROGRAM DESCRIPTION.—

"(1) A local educational agency may use funds received under this part only for programs and projects which are designed to meet the special educational needs of educationally deprived children identified in accordance with section 1014 and which are included in an application for assistance approved by the State educational agency.

"(2) Such programs and projects under paragraph (1) may include preschool through secondary programs; the acquisition of equipment and instructional materials; books and school library resources; employment of special instructional personnel, school counselors, and other pupil services personnel; employment and training of education aides; payments to teachers of amounts in excess of regular salary schedules as a bonus for service in schools serving project areas; the training of teachers, librarians, other instructional and pupil services personnel, and, as appropriate, early childhood education professionals (including training in preparation for the implementation of programs and projects in a subsequent school year); the construction, where necessary, of school facilities; parental involvement activities under section 1016; planning for and evaluation of such programs and projects assisted under this chapter; and other expenditures authorized under this chapter.

"(3) State and local educational agencies are encouraged to develop programs to assist eligible children to improve their achievement in basic skills and more advanced skills and to consider year-round services and activities, including intensive summer school programs.

"(b) INNOVATION PROJECTS.—Subject to the approval of the State educational agency, a local educational agency may use not more than 5 percent of payments under this part for the costs of conducting innovative projects developed by the local educational agency that include only—

"(1) the continuation of services to children eligible for services in any preceding year for a period sufficient to maintain progress made during their eligibility;

"(2) the provision of continued services to eligible children transferred to ineligible areas or schools as part of a desegregation plan for a period not to exceed 2 years;

"(3) incentive payments to schools that have demonstrated significant progress and success in attaining the goals of this chapter;

"(4) training of chapter 1 and nonchapter 1 paid teachers and librarians with respect to the special educational needs of eligible children and integration of activities under this part into regular classroom programs;

"(5) programs to encourage innovative approaches to parental involvement or rewards to or expansion of exemplary parental involvement programs;

"(6) encouraging the involvement of community and private sector resources (including fiscal resources) in meeting the needs of eligible children; and

"(7) assistance by local educational agencies of schools identified under section 1021(b).

20 USC 2722.

"SEC. 1012. ASSURANCES AND APPLICATIONS.

"(a) STATE EDUCATIONAL AGENCY ASSURANCES.—Any State desiring to participate under this chapter shall submit to the Secretary, through its State educational agency, assurances that the State educational agency—

"(1) will meet the requirements in section 435(b)(2) and (b)(5) of the General Education Provisions Act relating to fiscal control and fund accounting procedures;

"(2) will carry out the activities required under this chapter with regard to evaluation and school program improvement;

"(3) has on file a program improvement plan that meets the requirements of section 1020; and

"(4) will ensure that its local educational agencies and State agencies receiving funds under this chapter comply with all applicable statutory and regulatory provisions pertaining to this chapter.

Such assurances shall remain in effect for the duration of participation under this chapter.

Grants.

"(b) LOCAL APPLICATIONS.—A local educational agency may receive a grant under this chapter for any fiscal year if it has on file with the State educational agency an application which describes the procedure to be used under section 1014(b) to assess students' needs and establish program goals, describes the programs and projects to be conducted with such assistance for a period of not more than 3 years, and describes the desired outcomes for eligible children, in terms of basic and more advanced skills that all children are expected to master, which will be used as the basis for evaluating the program or project as required by section 1019, and such application has been approved by the State educational agency and developed in consultation with teachers and parents.

"(c) LOCAL ASSURANCES.—Such application shall provide assurance that the programs and projects described—

"(1) are of sufficient size, scope, and quality to give reasonable promise of substantial progress toward meeting the special educational needs of the children being served, are designed and implemented in consultation with teachers (including early childhood education professionals and librarians when appropriate), and provide for parental involvement in accordance with section 1016;

"(2) make provision for services to educationally deprived children attending private elementary and secondary schools in accordance with section 1017;

"(3) allocate time and resources for frequent and regular coordination of the curriculum under this chapter with the regular instructional program; and

Handicapped persons.

"(4) in the case of participating students who are also limited English proficient or are handicapped, provide maximum coordination between services provided under this chapter and

services provided to address children's handicapping conditions or limited English proficiency, in order to increase program effectiveness, eliminate duplication, and reduce fragmentation of the students' programs.

"SEC. 1013. ELIGIBLE SCHOOLS.

Disadvantaged persons.
20 USC 2723.

"(a) GENERAL PROVISIONS.—

"(1) Subject to subsection (b), a local educational agency shall use funds received under this chapter in school attendance areas having high concentrations of children from low-income families (hereinafter referred to as 'eligible school attendance areas'), and where funds under this chapter are insufficient to provide programs and projects for all educationally deprived children in eligible school attendance areas, a local educational agency shall annually rank its eligible school attendance areas from highest to lowest within each grade span grouping or for the entire local educational agency, according to relative degree of concentration of children from low-income families. A local educational agency may carry out a program or project assisted under this chapter in an eligible school attendance area only if it also carries out such program or project in all other eligible school attendance areas which are ranked higher under the first sentence of this paragraph.

"(2) The same measure of low income, which shall be chosen by the local educational agency on the basis of the best available data and which may be a composite of several indicators, shall be used with respect to all school attendance areas within a grade span grouping or for the entire local educational agency, both to identify the areas having high concentrations of children from low-income families and to determine the ranking of each area.

"(3) The requirements of this subsection shall not apply in the case of a local educational agency with a total enrollment of less than 1,000 children, but this paragraph does not relieve such an agency from the responsibility to serve eligible children according to the provisions of section 1014.

"(b) LOCAL EDUCATIONAL AGENCY DISCRETION.—Notwithstanding subsection (a)(1) of this section, a local educational agency shall have discretion to identify and rank eligible attendance areas as follows:

"(1) A local educational agency may designate as eligible and serve all of its attendance areas within a grade span grouping or in the entire local educational agency if the percentage of children from low-income families in each attendance area of the agency is within 5 percentage points of the average percentage of such children within a grade span grouping or for the entire local educational agency.

"(2) A local educational agency may designate any school attendance area in which at least 25 percent of the children are from low-income families as an eligible school attendance area if the aggregate amount expended under this chapter and under a State program meeting the requirements of section 1018(d)(1)(B) in that fiscal year in each school attendance area of that agency eligible under subsection (a) in which projects assisted under this chapter were carried out in the preceding fiscal year equals or exceeds the amount expended from those sources in that area in such preceding fiscal year if such

attendance areas qualify for such amounts under subsection (c)(1).

"(3) A local educational agency may, with the approval of the State educational agency, designate as eligible and serve school attendance areas with substantially higher numbers or percentages of educationally deprived children before school attendance areas with higher concentrations of children from low-income families, but this paragraph shall not permit the provision of services to more school attendance areas than could otherwise be served. A State educational agency shall approve such a proposal only if the State educational agency finds that the proposal will not substantially impair the delivery of deprived children from low-income families in project areas served by the local educational agency.

"(4) Funds received under this part may be used for educationally deprived children who are in a school which is not located in an eligible school attendance area when the proportion of children from low-income families in average daily attendance in such school is substantially equal to the proportion of such children in an eligible school attendance area of such agency.

"(5) If an eligible school attendance area or eligible school was so designated and served in accordance with subsection (a) in the immediately preceding fiscal year, it may continue to be so designated for the subsequent fiscal year even though it does not qualify as eligible under such subsection in such additional year.

"(6) With the approval of the State educational agency, eligible school attendance areas or eligible schools which have higher proportions or numbers of children from low-income families may be skipped if they are receiving, from non-Federal funds, services of the same nature and scope as would otherwise be provided under this part, except that (A) the number of children attending private elementary and secondary schools who receive services under this part shall be determined without regard to non-Federal compensatory education funds which serve eligible children in public elementary and secondary schools, and (B) children attending private elementary and secondary schools who receive assistance under this part shall be identified in accordance with this section and without regard to skipping public school attendance areas or schools under this paragraph.

"(c) ALLOCATIONS.—

"(1) Except as provided in paragraph (2), a local educational agency shall allocate funds under this part among project areas or schools on the basis of the number and needs of children to be served as determined in accordance with section 1014.

"(2) Children in eligible schools, who receive services under this part and subsequently become ineligible due to improved academic achievement attributable to such services, may continue to be considered eligible for 2 additional years only for the purpose of determining the allocation of funds among eligible schools under paragraph (1). Any funds so allocated shall be used to provide services to any children determined to be eligible under section 1014.

"SEC. 1014. ELIGIBLE CHILDREN.

Disadvantaged persons.
20 USC 2724.

"(a) GENERAL PROVISIONS.—

"(1) Except as provided in subsections (c) and (d) of this section and section 1015, a local educational agency shall use funds received under this part for educationally deprived children, identified in accordance with subsection (b) as having the greatest need for special assistance, in school attendance areas or schools satisfying the requirements of section 1013.

"(2) The eligible population for services under this part are—

"(A) those children up to age 21 who are entitled to a free public education through grade 12, and

"(B) those children who are not yet at a grade level where the local educational agency provides a free public education, yet are of an age at which they can benefit from an organized instructional program provided in a school or other educational setting.

"(b) ASSESSMENT OF EDUCATIONAL NEED.—A local educational agency may receive funds under this part only if it makes an assessment of educational needs each year to (1) identify educationally deprived children in all eligible attendance areas; (2) identify the general instructional areas on which the program will focus; (3) select those educationally deprived children who have the greatest need for special assistance, as identified on the basis of educationally related objective criteria established by the local educational agency, which include written or oral testing instruments, that are uniformly applied to particular grade levels throughout the local educational agency; and (4) determine the special educational needs (and library resource needs) of participating children with specificity sufficient to ensure concentration on such needs.

"(c) LOCAL EDUCATIONAL AGENCY DISCRETION.—(1) Educationally deprived children who begin participation in a program or project assisted under this part, in accordance with subsections (a) and (b) but who, in the same school year, are transferred to a school attendance area or school not receiving funds under this part, may, if the local agency so determines, continue to participate in a program or project funded under this part for the duration of that same school year.

"(2) In providing services under this part a local educational agency may skip educationally deprived children in greatest need of assistance who are receiving, from non-Federal sources, services of the same nature and scope as would otherwise be provided under this part.

"(3) A child who, in the previous year, was identified as being in greatest need of assistance, and who continues to be educationally deprived, but who is no longer identified as being in greatest need of assistance, may participate in a program or project assisted under this part while continuing to be educationally deprived for a maximum of 2 additional years.

"(d) SPECIAL RULES.—(1) Children receiving services to overcome a handicapping condition or limited English proficiency shall also be eligible to receive services under this part, if they have needs stemming from educational deprivation and not related solely to the handicapping condition or limited English proficiency. Such children shall be selected on the same basis as other children identified as eligible for and selected to receive services under this part. Funds

under this part may not be used to provide services that are otherwise required by law to be made available to such children.

"(2) A student who at any time in the previous 2 years was receiving services under subpart 3 of part D of this chapter or under subpart 3 of part B of title I of the Elementary and Secondary Education Act (as amended by chapter 1 of the Education Consolidation and Improvement Act of 1981) shall be considered eligible for services under this part, and may be served subject to the provisions of subsections (a) and (b).

Disadvantaged persons.
20 USC 2725.

"SEC. 1015. SCHOOLWIDE PROJECTS.

"(a) USE OF FUNDS FOR SCHOOLWIDE PROJECTS.—In the case of any school serving an attendance area that is eligible to receive services under this part and in which, for the first year of the 3-year period of projects assisted under this section, not less than 75 percent of the children are from low-income families or any eligible school in which not less than 75 percent of the children enrolled in the school are from low-income families, the local educational agency may carry out a project under this part to upgrade the entire educational program in that school if the requirements of subsections (b), (c), (d), and (e) are met.

"(b) DESIGNATION OF SCHOOLS.—A school may be designated for a schoolwide project under subsection (a) if—

"(1) a plan has been developed for that school by the local educational agency and has been approved by the State educational agency which—

"(A) provides for a comprehensive assessment of educational needs of all students in the school, in particular the special needs of educationally deprived children;

"(B) establishes goals to meet the special needs of all students and to ensure that educationally deprived children are served effectively and demonstrate performance gains comparable to other students;

"(C) describes the instructional program, pupil services, and procedures to be used to implement those goals;

"(D) describes the specific uses of funds under this part as part of that program; and

"(E) describes how the school will move to implement an effective schools program as defined in section 1471, if appropriate;

"(2) the plan has been developed with the involvement of those individuals who will be engaged in carrying out the plan, including parents, teachers, librarians, education aides, pupil services personnel, and administrators (and secondary students if the plan relates to a secondary school);

"(3) the plan provides for consultation among individuals described in paragraph (2) as to the educational progress of all students and the participation of such individuals in the development and implementation of the accountability measures required by subsection (e);

"(4) appropriate training is provided to parents of children to be served, teachers, librarians, and other instructional, administrative, and pupil services personnel to enable them effectively to carry out the plan;

"(5) the plan includes procedures for measuring progress, as required by subsection (e), and describes the particular measures to be used; and

"(6)(A) in the case of a school district in which there are one or more schools described in subsection (a) and there are also one or more other schools serving project areas, the local educational agency makes the Federal funds provided under this part available for children in such schools described in subsection (a) in amounts which, per educationally deprived child served, equal or exceed the amount of such funds made available per educationally deprived child served in such other schools; and

"(B) the average per pupil expenditure in schools described in subsection (a) (excluding amounts expended under a State compensatory education program) for the fiscal year in which the plan is to be carried out will not be less than such expenditure in such schools in the previous fiscal year, except that the cost of services for programs described in section 1018(d)(2)(A) shall be included for each fiscal year as appropriate only in proportion to the number of children in the building served in such programs in the year for which this determination is made.

"(c) APPROVAL OF PLAN; OPERATION OF PROJECT.—

"(1) The State educational agency shall approve the plan of any local educational agency for a schoolwide project if that plan meets the requirements of subsection (b).

"(2) For any school which has such a plan approved, the local educational agency—

"(A) shall, in order to carry out the plan, be relieved of any requirements under this part with respect to the commingling of funds provided under this chapter with funds available for regular programs;

"(B) shall use funds received under this part only to supplement, and to the extent practicable, increase the level of funds that would, in the absence of such Federal funds, be made available from non-Federal sources for the school approved for a schoolwide project under paragraph (1);

"(C) shall comply with the provisions of section 1018(c); and

"(D) may not be required to identify particular children as being eligible to participate in projects assisted under this part but shall identify educationally deprived children for purposes of subsections (b) and (e) of this section.

"(d) USE OF FUNDS.—In addition to uses under section 1011, funds may be used in schoolwide projects for—

"(1) planning and implementing effective schools programs, and

"(2) other activities to improve the instructional program and pupil services in the school, such as reducing class size, training staff and parents of children to be served, and implementing extended schoolday programs.

"(e) ACCOUNTABILITY.—

"(1) The State educational agency may grant authority for a local educational agency to operate a schoolwide project for a period of 3 years. If a school meets the accountability requirements in paragraphs (2) and (3) at the end of such period, as determined by the State educational agency, that school will be allowed to continue the schoolwide project for an additional 3-year period.

"(2)(A) Except as provided in subparagraph (B), after 3 years, a school must be able to demonstrate (i) that the achievement level of educationally deprived children as measured according to the means specified in the plan required by subsection (b) exceeds the average achievement of participating children districtwide, or (ii) that the achievement of educationally deprived children in that school exceeds the average achievement of such children in that school in the 3 fiscal years prior to initiation of the schoolwide project.

"(B) For a secondary school, demonstration of lower dropout rates, increased retention rates, or increased graduation rates is acceptable in lieu of increased achievement, if achievement levels over the 3-year schoolwide project period, compared with the 3-year period immediately preceding the schoolwide project, do not decline.

"(3) Schools shall annually collect achievement and other assessment data for the purposes of paragraph (2). The results of achievement and other assessments shall be made available annually to parents, the public, and the State educational agency.

Public information.

20 USC 2726.

"SEC. 1016. PARENTAL INVOLVEMENT.

"(a) FINDINGS; GENERAL REQUIREMENT.—

"(1) Congress finds that activities by schools to increase parental involvement are a vital part of programs under this chapter.

"(2) Toward that end, a local educational agency may receive funds under this chapter only if it implements programs, activities, and procedures for the involvement of parents in programs assisted under this chapter. Such activities and procedures shall be planned and implemented with meaningful consultation with parents of participating children and must be of sufficient size, scope, and quality to give reasonable promise of substantial progress toward achieving the goals under subsection (b).

"(3) For purposes of this section, parental involvement includes, but is not limited to, parent input into the design and implementation of programs under this chapter, volunteer or paid participation by parents in school activities, and programs, training, and materials which build parents' capacity to improve their children's learning in the home and in school.

"(b) GOALS OF PARENTAL INVOLVEMENT.—In carrying out the requirements of subsection (a), a local educational agency shall, in coordination with parents of participating children, develop programs, activities, and procedures which have the following goals—

"(1) to inform parents of participating children of the program under this chapter, the reasons for their children's participation in such programs, and the specific instructional objectives and methods of the program;

"(2) to support the efforts of parents, including training parents, to the maximum extent practicable, to work with their children in the home to attain the instructional objectives of programs under this chapter and to understand the program requirements of this chapter and to train parents and teachers to build a partnership between home and school;

"(3) to train teachers and other staff involved in programs under this chapter to work effectively with the parents of participating students;

"(4) to consult with parents, on an ongoing basis, concerning the manner in which the school and parents can better work together to achieve the program's objectives and to give parents a feeling of partnership in the education of their children;

"(5) to provide a comprehensive range of opportunities for parents to become informed, in a timely way, about how the program will be designed, operated, and evaluated, allowing opportunities for parental participation, so that parents and educators can work together to achieve the program's objectives; and

"(6) to ensure opportunities, to the extent practicable, for the full participation of parents who lack literacy skills or whose native language is not English.

"(c) MECHANISMS FOR PARENTAL INVOLVEMENT.—

"(1) Each local educational agency, after consultation with and review by parents, shall develop written policies to ensure that parents are involved in the planning, design, and implementation of programs and shall provide such reasonable support for parental involvement activities as parents may request. Such policies shall be made available to parents of participating children.

"(2) Each local educational agency shall convene an annual meeting to which all parents of participating children shall be invited, to explain to parents the programs and activities provided with funds under this chapter. Such meetings may be districtwide or at the building level, as long as all such parents are given an opportunity to participate.

"(3) Each local educational agency shall provide parents of participating children with reports on the children's progress, and, to the extent practical, hold a parent-teacher conference with the parents of each child served in the program, to discuss that child's progress, placement, and methods by which parents can complement the child's instruction. Educational personnel under this chapter shall be readily accessible to parents and shall permit parents to observe activities under this chapter. Reports.

"(4) Each local educational agency shall (A) provide opportunities for regular meetings of parents to formulate parental input into the program, if parents of participating children so desire; (B) provide parents of participating children with timely information about the program; and (C) make parents aware of parental involvement requirements and other relevant provisions of programs under this chapter.

"(5) Parent programs, activities, and procedures may include regular parent conferences; parent resource centers; parent training programs and reasonable and necessary expenditures associated with the attendance of parents at training sessions; hiring, training, and utilization of parental involvement liaison workers; reporting to parents on the children's progress; training and support of personnel to work with parents, to coordinate parent activities, and to make contact in the home; use of parents as classroom volunteers, tutors, and aides; provision of school-to-home complementary curriculum and materials and assistance in implementing home-based education activities that reinforce classroom instruction and student motivation; provision of timely information on programs under this chapter (such as program plans and evaluations); soliciting parents' suggestions in the planning, development, and operation of the

program; providing timely responses to parent recommendations; parent advisory councils; and other activities designed to enlist the support and participation of parents to aid in the instruction of their children.

"(6) Parents of participating children are expected to cooperate with the local educational agency by becoming knowledgeable of the program goals and activities and by working to reinforce their children's training at home.

"(d) COORDINATION WITH ADULT EDUCATION ACT.—Programs of parental involvement shall coordinate, to the extent possible, with programs funded under the Adult Education Act.

"(e) ACCESSIBILITY REQUIREMENT.—Information, programs, and activities for parents pursuant to this section shall be provided, to the extent practicable, in a language and form which the parents understand.

Disadvantaged persons.
20 USC 2727.

"SEC. 1017. PARTICIPATION OF CHILDREN ENROLLED IN PRIVATE SCHOOLS.

"(a) GENERAL REQUIREMENTS.—To the extent consistent with the number of educationally deprived children in the school district of the local educational agency who are enrolled in private elementary and secondary schools, such agency shall, after timely and meaningful consultation with appropriate private school officials, make provisions for including special educational services and arrangements (such as dual enrollment, educational radio and television, computer equipment and materials, other technology, and mobile educational services and equipment) in which such children can participate and which meet the requirements of sections 1011(a), 1012(b)(1), 1013, 1014, and 1018(b). Expenditures for educational services and arrangements pursuant to this section for educationally deprived children in private schools shall be equal (taking into account the number of children to be served and the special educational needs of such children) to expenditures for children enrolled in the public schools of the local educational agency.

"(b) BYPASS PROVISION.—

"(1) If a local educational agency is prohibited by law from providing for the participation in special programs for educationally deprived children enrolled in private elementary and secondary schools as required by subsection (a), the Secretary shall waive such requirements, and shall arrange for the provision of services to such children through arrangements which shall be subject to the requirements of subsection (a).

"(2) If the Secretary determines that a local educational agency has substantially failed to provide for the participation on an equitable basis of educationally deprived children enrolled in private elementary and secondary schools as required by subsection (a), the Secretary shall arrange for the provision of services to such children through arrangements which shall be subject to the requirements of subsection (a), upon which determination the provisions of subsection (a) shall be waived.

"(3)(A) The Secretary shall develop and implement written procedures for receiving, investigating, and resolving complaints from parents, teachers, or other concerned organizations or individuals concerning violations of this section. The Secretary shall investigate and resolve each such complaint within 120 days after receipt of the complaint.

"(B) When the Secretary arranges for services pursuant to this subsection, the Secretary shall, after consultation with the appropriate public and private school officials, pay to the provider the cost of such services, including the administrative cost of arranging for such services, from the appropriate allocation or allocations under this chapter.

"(C) Pending final resolution of any investigation or complaint that could result in a determination under this subsection, the Secretary may withhold from the allocation of the affected State or local educational agency the amount the Secretary estimates would be necessary to pay the cost of such services.

"(D) Any determination by the Secretary under this section shall continue in effect until the Secretary determines that there will no longer be any failure or inability on the part of the local educational agency to meet the requirements of subsection (a).

"(4)(A) The Secretary shall not take any final action under this subsection until the State educational agency and local educational agency affected by such action have had an opportunity, for at least 45 days after receiving written notice thereof, to submit written objections and to appear before the Secretary or a designee to show cause why such action should not be taken.

"(B) If a State or local educational agency is dissatisfied with the Secretary's final action after a proceeding under subparagraph (A) of this paragraph, it may, within 60 days after notice of such action, file with the United States court of appeals for the circuit in which such State is located a petition for review of that action. A copy of the petition shall be forthwith transmitted by the clerk of the court to the Secretary. The Secretary thereupon shall file in the court the record of the proceedings on which the Secretary's action was based, as provided in section 2112 of title 28, United States Code.

"(C) The findings of fact by the Secretary, if supported by substantial evidence, shall be conclusive; but the court, for good cause shown, may remand the case to the Secretary to take further evidence, and the Secretary may thereupon make new or modified findings of fact and may modify the previous action, and shall file in the court the record of the further proceedings. Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence.

"(D) Upon the filing of a petition under subparagraph (B), the court shall have jurisdiction to affirm the action of the Secretary or to set it aside, in whole or in part. The judgment of the court shall be subject to review by the Supreme Court of the United States upon certiorari or certification as provided in section 1254 of title 28, United States Code.

"(c) PRIOR DETERMINATION.—Any bypass determination by the Secretary under title I of the Elementary and Secondary Education Act of 1965, as in effect prior to July 1, 1988, or chapter 1 of the Education Consolidation and Improvement Act of 1981 shall remain in effect to the extent consistent with the purposes of this chapter.

"(d) CAPITAL EXPENSES.—

"(1) A local educational agency may apply to the State educational agency for payments for capital expenses consistent with the provisions of this subsection. State educational agen-

cies shall distribute funds to local educational agencies based on the degree of need as set forth in the application. Such an application shall contain information on such capital expenses by fiscal year and shall contain an assurance that any funds received pursuant to this subsection shall be used solely for purposes of the program authorized by this chapter.

"(2)(A) From the amount appropriated for the purposes of this subsection for any fiscal year, the amount which each State shall be eligible to receive shall be an amount which bears the same ratio to the amount appropriated as the number of children enrolled in private schools who were served under chapter 1 of the Education Consolidation and Improvement Act of 1981 in the State during the period July 1, 1984 through June 30, 1985, bears to the total number of such children served during such period in all States.

"(B) Amounts which are not used by a State for the purposes of this subsection shall be reallocated by the Secretary among other States on the basis of need.

Appropriation authorization.

"(3) There is authorized to be appropriated $30,000,000 for fiscal year 1988, $40,000,000 for the fiscal year 1989, and such sums as may be necessary for each of the fiscal years 1990, 1991, 1992, and 1993. Any sums appropriated under this provision shall be used for increases in capital expenses paid from funds under chapter 1 of the Education Consolidation and Improvement Act or this section subsequent to July 1, 1985, of local educational agencies in providing the instructional services required under section 557 of the Education Consolidation and Improvement Act and this section, when without such funds, services to private schoolchildren would have been or have been reduced or would be reduced or adversely affected.

"(4) For the purposes of this subsection, the term 'capital expenses' is limited to expenditures for noninstructional goods and services such as the purchase, lease and renovation of real and personal property (including but not limited to mobile educational units and leasing of neutral sites or space), insurance and maintenance costs, transportation, and other comparable goods and services.

20 USC 2728.

"SEC. 1018. FISCAL REQUIREMENTS.

"(a) MAINTENANCE OF EFFORT.—

"(1) Except as provided in paragraph (2), a local educational agency may receive funds under this chapter for any fiscal year only if the State educational agency finds that either the combined fiscal effort per student or the aggregate expenditures of that agency and the State with respect to the provision of free public education by that agency for the preceding fiscal year was not less than 90 percent of such combined fiscal effort or aggregate expenditures for the second preceding fiscal year.

"(2) The State educational agency shall reduce the amount of the allocation of funds under this chapter in any fiscal year in the exact proportion to which a local educational agency fails to meet the requirement of paragraph (1) by falling below 90 percent of both the combined fiscal effort per student and aggregate expenditures (using the measure most favorable to such local agency), and no such lesser amount shall be used for computing the effort required under paragraph (1) for subsequent years.

"(3) Each State educational agency may waive, for 1 fiscal year only, the requirements of this subsection if the State educational agency determines that such a waiver would be equitable due to exceptional or uncontrollable circumstances such as a natural disaster or a precipitous and unforeseen decline in the financial resources of the local educational agency.

"(b) FEDERAL FUNDS TO SUPPLEMENT, NOT SUPPLANT REGULAR NON-FEDERAL FUNDS.—A State educational agency or other State agency in operating its State level programs or a local educational agency may use funds received under this chapter only so as to supplement and, to the extent practicable, increase the level of funds that would, in the absence of such Federal funds, be made available from non-Federal sources for the education of pupils participating in programs and projects assisted under this chapter and in no case may such funds be so used as to supplant such funds from such non-Federal sources. In order to demonstrate compliance with this subsection, no State educational agency, other State agency, or local educational agency shall be required to provide services under this chapter through use of a particular instructional method or in a particular instructional setting.

"(c) COMPARABILITY OF SERVICES.—

"(1) A local educational agency may receive funds under this chapter only if State and local funds will be used in the district of such agency to provide services in project areas which, taken as a whole, are at least comparable to services being provided in areas in such district which are not receiving funds under this chapter. Where all school attendance areas in the district of the agency are designated as project areas, the agency may receive such funds only if State and local funds are used to provide services which, taken as a whole, are substantially comparable in each project area.

"(2)(A) A local educational agency shall be considered to have met the requirements of paragraph (1) if it has filed with the State educational agency a written assurance that it has established and implemented—

"(i) a districtwide salary schedule;

"(ii) a policy to ensure equivalence among schools in teachers, administrators, and auxiliary personnel; and

"(iii) a policy to ensure equivalence among schools in the provision of curriculum materials and instructional supplies.

"(B) Unpredictable changes in student enrollment or personnel assignments which occur after the beginning of a school year shall not be included as a factor in determining comparability of services.

"(3) Each educational agency shall develop procedures for compliance with the provisions of this subsection, and shall annually maintain records documenting compliance. Each State educational agency shall monitor the compliance of local educational agencies within the States with respect to the requirements of this subsection. Records.

"(4) Each local educational agency with not more than 1 building for each grade span shall not be subject to the provisions of this subsection.

"(5) Each local educational agency which is found to be out of compliance with this subsection shall be subject to withholding

or repayment of funds only to the amount or percentage by which the local educational agency has failed to comply.

Disadvantaged persons.

"(d) EXCLUSION OF SPECIAL STATE AND LOCAL PROGRAM FUNDS.—

"(1)(A) For the purposes of determining compliance with the requirements of subsections (b) and (c), a local educational agency or a State agency operating a program under part D of this chapter may exclude State and local funds expended for carrying out special programs to meet the educational needs of educationally deprived children including compensatory education for educationally deprived children after prior determination pursuant to paragraphs (3) and (4) of this subsection that such programs meet the requirements of subparagraph (B).

"(B) A State or local program meets the requirements of this subparagraph if it is similar to programs assisted under this part. The Secretary shall consider a State or local program to be similar to programs assisted under this part if—

"(i) all children participating in the program are educationally deprived,

"(ii) the program is based on similar performance objectives related to educational achievement and is evaluated in a manner consistent with those performance objectives,

"(iii) the program provides supplementary services designed to meet the special educational needs of the children who are participating,

Records.

"(iv) the local educational agency keeps such records and affords such access thereto as are necessary to assure the correctness and verification of the requirements of this subparagraph, and

"(v) the State educational agency monitors performance under the program to assure that the requirements of this subparagraph are met.

"(2) State and local governments have placed a new focus on education;

"(3) school effectiveness can be increased through effective schools programs to improve student achievement, student behavior, teaching, learning, and school management; and

"(4) teachers make a significant and positive contribution to the education of our Nation's students, and local educational agencies are encouraged to recognize this contribution.

"(b) STATEMENT OF PURPOSE.—It is the purpose of programs under this chapter—

"(1) to provide the initial funding to enable State and local educational agencies to implement promising educational programs that can be supported by State and local sources of funding after such programs are demonstrated to be effective;

"(5) to allow State and local educational agencies to meet their educational needs and priorities for targeted assistance described in section 1531.

"(c) STATE AND LOCAL RESPONSIBILITY.—The basic responsibility for the administration of funds made available under this chapter is in the State educational agencies, but it is the intent of Congress that this responsibility be carried out with a minimum of paperwork and that the responsibility for the design and implementation of programs assisted under this chapter will be mainly that of local educational agencies, school superintendents and principals, and

classroom teachers and supporting personnel, because they have the most direct contact with students and are most directly responsible to parents and because they are the most likely to be able to design programs to meet the educational needs of students in their own districts.

"(a) FINDINGS.—The Congress finds and declares that—

"(8) that, therefore, large numbers of children of limited English proficiency have educational needs which can be met by the use of bilingual educational methods and techniques;

"(9) that in some school districts establishment of bilingual education programs may be administratively impractical due to the presence of small numbers of students of a particular native language or because personnel who are qualified to provide bilingual instructional services are unavailable;

"(10) that States and local school districts should be encouraged to determine appropriate curricula for limited English proficient students within their jurisdictions and to develop and implement appropriate instructional programs;

"(11) that children of limited English proficiency have a high dropout rate and low median years of education;

"(12) that the segregation of many groups of limited English proficient students remains a serious problem;

"(13) that reliance on student evaluation procedures which are inappropriate for limited English proficient students have

resulted in the disproportionate representation of limited English proficient students in special education, gifted and talented, and other special programs;

"(14) that there is a serious shortage of teachers and educational personnel who are professionally trained and qualified to serve children of limited English proficiency;

"(15) that many schools fail to meet the full instructional needs of limited English proficient students who also may be handicapped or gifted and talented;

"(18) that parent and community participation in bilingual education programs contributes to program effectiveness; and

"(19) that because of limited English proficiency, many adults are not able to participate fully in national life, and that limited English proficient parents are often not able to participate effectively in their children's education,

the Congress declares it to be the policy of the United States, in order to establish equal educational opportunity for all children and to promote educational excellence (A) to encourage the establishment and operation, where appropriate, of educational programs using bilingual educational practices, techniques, and methods, (B) to encourage the establishment of special alternative instructional programs for students of limited English proficiency in school districts where the establishment of bilingual education programs is not practicable or for other appropriate reasons, and (C) for those purposes, to provide financial assistance to local educational agencies, and, for certain related purposes, to State educational agencies, institutions of higher education, and community organizations. The programs assisted under this title include programs in elementary and secondary schools as well as related preschool and adult programs which are designed to meet the educational needs of individuals of limited English proficiency, with particular attention to children having the greatest need for such programs. Such programs shall be designed to enable students to achieve full competence in English and to meet school grade-promotion and graduation requirements. Such programs may additionally provide for the development of student competence in a second language.

"(A) individuals who were not born in the United States or whose native language is a language other than English;

"(B) individuals who come from environments where a language other than English is dominant; and

"(C) individuals who are American Indian and Alaska Natives and who come from environments where a language other than English has had a significant impact on their level of English language proficiency;

and who, by reason thereof, have sufficient difficulty speaking, reading, writing, or understanding the English language to deny such individuals the opportunity to learn successfully in classrooms where the language of instruction is English or to participate fully in our society.

"(2) The term 'native language', when used with reference to an individual of limited English proficiency, means the language normally used by such individuals, or in the case of a child, the language normally used by the parents of the child.

"(3) The term 'low-income' when used with respect to a family means an annual income for such a family which does not exceed the poverty level determined pursuant to section 1005(c)(2) of this Act.

"(4)(A) The term 'program of transitional bilingual education' means a program of instruction, designed for children of limited English proficiency in elementary or secondary schools, which provides, with respect to the years of study to which such program is applicable, structured English language instruction, and, to the extent necessary to allow a child to achieve competence in the English language, instruction in the child's native language. Such instruction shall incorporate the cultural heritage of such children and of other children in American society. Such instruction shall, to the extent necessary, be in all

courses or subjects of study which will allow a child to meet grade-promotion and graduation standards.

"(B) In order to prevent the segregation of children on the basis of national origin in programs of transitional bilingual education, and in order to broaden the understanding of children about languages and cultural heritages other than their own, a program of transitional bilingual education may include the participation of children whose language is English, but in no event shall the percentage of such children exceed 40 percent. The program may provide for centralization of teacher training and curriculum development, but it shall serve such children in the schools which they normally attend.

"(C) In such courses or subjects of study as art, music, and physical education, a program of transitional bilingual education shall make provision for the participation of children of limited English proficiency in regular classes.

"(D) Children enrolled in a program of transitional bilingual education shall, if graded classes are used, be placed, to the extent practicable, in classes with children of approximately the same age and level of educational attainment. If children of significantly varying ages or levels of educational attainment are placed in the same class, the program of transitional bilingual education shall seek to insure that each child is provided with instruction which is appropriate for such child's level of educational attainment.

"(5)(A) The term 'program of developmental bilingual education' means a full-time program of instruction in elementary and secondary schools which provides, with respect to the years of study to which such program is applicable, structured English language instruction and instruction in a second language. Such programs shall be designed to help children achieve competence in English and a second language, while mastering subject matter skills. Such instruction shall, to the extent necessary, be in all courses or subjects of study which will allow a child to meet grade-promotion and graduation standards.

"(B) Where possible, classes in programs of developmental bilingual education shall be comprised of approximately equal numbers of students whose native language is English and limited English proficient students whose native language is the second language of instruction and study in the program.

"(6) The term 'special alternative instructional programs' means programs of instruction designed for children of limited English proficiency in elementary and secondary schools. Such programs are not transitional or developmental bilingual education programs, but have specially designed curricula and are appropriate for the particular linguistic and instructional needs of the children enrolled. Such programs shall provide, with respect to the years of study to which such program is applicable, structured English language instruction and special instructional services which will allow a child to achieve competence in the English language and to meet grade-promotion and graduation standards.

"(7) The term 'family English literacy program' means a program of instruction designed to help limited English proficient adults and out-of-school youth achieve competence in the English language. Such programs of instruction may be conducted exclusively in English or in English and the student's

native language. Where appropriate, such programs may include instruction on how parents and family members can facilitate the educational achievement of limited English proficient children. To the extent feasible, preference for participation in such programs shall be accorded to the parents and immediate family members of children enrolled in programs assisted under this title. Such programs of instruction may include instruction designed to enable aliens who are otherwise eligible for temporary resident status under section 245A of the Immigration and Nationality Act to achieve a minimal understanding of ordinary English and a knowledge and understanding of history and government of the United States as required by section 312 of such Act.

"(8) The term 'programs of academic excellence' means programs of transitional bilingual education, developmental bilingual education, or special alternative instruction (A) which have an established record of providing effective, academically excellent instruction; and (B) which—

"(i) can be used as models for effective schools for limited English proficient students to facilitate the dissemination and use of effective teaching practices for limited English proficient students; or

"(9) The term 'Office' means the Office of Bilingual Education and Minority Languages Affairs.

"(10) The term 'Director' means the Director of the Office of Bilingual Education and Minority Languages Affairs.

"(11) The term 'Secretary' means the Secretary of Education.

"(12) The term 'other programs for persons of limited English proficiency' when used in this title means any programs within the Department of Education directly involving bilingual education activities serving persons of limited English proficiency, such as the programs carried out in coordination with the provisions of this title pursuant to part E of title IV of the Carl D. Perkins Vocational Education Act, and section 306(b)(11) of the Adult Education Act, and programs and projects serving individuals of limited English proficiency pursuant to section 6(b)(4) of the Library Services and Construction Act.

"(b) REGULATION REQUIREMENT.—(1) In prescribing regulations under this title, the Secretary shall consult with State and local educational agencies, organizations representing persons of limited English proficiency, and organizations representing teachers and other personnel involved in bilingual education.

(2) demographics of the American family are changing to the degree that significant numbers of children attending school come from families with single parents, families in which both parents are employed outside the home, or where the primary caregiver is not the biological parent;

(3) the demographics mean that current approaches to developing and maintaining partnerships with educators in compensatory education programs require review and modification to

make them more responsive to the needs of both families and schools; and

(4) effective approaches to more fully involving families as partners in their children's education should be encouraged as a matter of Federal policy.

(b) PURPOSE.—The purpose of this subpart is to encourage eligible local educational agencies to increase the involvement of families in the improvement of the educational achievement of their children in the preschool, elementary, and secondary schools within such agency.

"(1) recovery of funds hearings pursuant to section 452 of this Act,

"(2) withholding hearings pursuant to section 455 of this Act,

"(3) cease and desist hearings pursuant to section 456 of this Act, and

edge of the workings of Federal education programs in such agencies. The Secretary shall designate one of the judges of the Office to be the chief judge.

"(d) For the purposes of conducting hearings described in subsection (a), the chief judge shall assign a judge to each case or class of cases. A judge shall be disqualified in any case in which the judge has a substantial interest, has been of counsel, is or has been a material witness, or is so related to or connected with any party or the party's attorney as to make it improper for the judge to be assigned to the case.

"(e) The judge shall review and may require that evidence be taken on the sufficiency of the preliminary departmental determination as set forth in section 452.

Regulations.

"(f)(1) The proceedings of the Office shall be conducted according to such rules as the Secretary shall prescribe by regulation in conformance with the rules relating to hearings in title 5, United States Code, sections 554, 556, and 557.

"(2) The provisions of title 5, United States Code, section 504, relating to costs and fees of parties, shall apply to the proceedings before the Department.

"(g)(1) In order to secure a fair, expeditious, and economical resolution of cases and where the judge determines that the discovered information is likely to elicit relevant information with respect to an issue in the case, is not sought primarily for the purposes of delay or harassment, and would serve the ends of justice, the judge may order a party to—

"(A) produce relevant documents;

"(B) answer written interrogatories that inquire into relevant matters; and

"(C) have depositions taken.

The judge shall set a time limit of 90 days on the discovery period. The judge may extend this period for good cause shown. At the request of any party, the judge may establish a specific schedule for the conduct of discovery.

"(2) In order to carry out the provisions of subsections (f)(1) and (g)(1), the judge is authorized to issue subpoenas and apply to the appropriate court of the United States for enforcement of a subpoena. The court may enforce the subpoena as if it pertained to a proceeding before that court.

Contracts.

"(a)(1) Whenever the Secretary determines that a recipient of a grant or cooperative agreement under an applicable program must

return funds because the recipient has made an expenditure of funds that is not allowable under that grant or cooperative agreement, or has otherwise failed to discharge its obligation to account properly for funds under the grant or cooperative agreement, the Secretary shall give the recipient written notice of a preliminary departmental decision and notify the recipient of its right to have that decision reviewed by the Office and of its right to request mediation.

"(2) In a preliminary departmental decision, the Secretary shall have the burden of stating a prima facie case for the recovery of funds. The facts to serve as the basis of the preliminary departmental decision may come from an audit report, an investigative report, a monitoring report, or other evidence. The amount of funds to be recovered shall be determined on the basis of section 453.

"(3) For the purpose of paragraph (2), failure by a recipient to maintain records required by law, or to allow the Secretary access to such records, shall constitute a prima facie case.

"(b)(1) A recipient that has received written notice of a preliminary departmental decision and that desires to have such decision reviewed by the Office shall submit to the Office an application for review not later than 30 days after receipt of notice of the preliminary departmental decision. The application shall be in the form and contain the information specified by the Office. As expeditiously as possible, the Office shall return to the Secretary for such action as the Secretary considers appropriate any preliminary departmental decision which the Office determines does not meet the requirements of subsection (a)(2).

"(2) In cases where the preliminary departmental decision requests a recovery of funds from a State recipient, that State recipient may not recover funds from an affected local educational agency unless that State recipient has—

"(A) transmitted a copy of the preliminary departmental decision to any affected subrecipient within 10 days of the date that the State recipient in a State administered program received such written notice; and

"(B) consulted with each affected subrecipient to determine whether the State recipient should submit an application for review under paragraph (1).

"(3) In any proceeding before the Office under this section, the burden shall be upon the recipient to demonstrate that it should not be required to return the amount of funds for which recovery is sought in the preliminary departmental decision under subsection (a).

"(c) A hearing shall be set 90 days after receipt of a request for review of a preliminary departmental decision by the Office, except that such 90-day requirement may be waived at the discretion of the judge for good cause.

"(d) Upon review of a decision of the Office by the Secretary, the findings of fact by the Office, if supported by substantial evidence, shall be conclusive. However, the Secretary, for good cause shown, may remand the case to the Office to take further evidence, and the Office may thereupon make new or modified findings of fact and may modify its previous action. Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence.

"(e) Parties to the proceeding shall have 30 days to file a petition for review of a decision of the administrative law judges with the Office of the Secretary.

"(f)(1) If a recipient submits a timely application for review of a preliminary departmental decision, the Secretary shall take no collection action until the decision of the Office upholding the preliminary Department decision in whole or in part becomes final agency action under subsection (g).

"(2) If a recipient files a timely petition for judicial review under section 458, the Secretary shall take no collection action until judicial review is completed.

"(3) The filing of an application for review under paragraph (1) or a petition for judicial review under paragraph (2) shall not affect the authority of the Secretary to take any other adverse action under this part against the recipient.

"(g) A decision of the Office regarding the review of a preliminary departmental decision shall become final agency action 60 days after the recipient receives written notice of the decision unless the Secretary either—

"(1) modifies or sets aside the decision, in whole or in part, in which case the decision of the Secretary shall become final agency action when the recipient receives written notice of the Secretary's action, or

"(2) remands the decision to the Office.

"(h) The Secretary shall publish decisions that have become final agency action under subsection (g) in the Federal Register or in another appropriate publication within 60 days.

"(i) The amount of a preliminary departmental decision under subsection (a) for which review has not been requested in accordance with subsection (b), and the amount sustained by a decision of the Office or the Secretary which becomes final agency action under subsection (g), may be collected by the Secretary in accordance with chapter 37 of title 31, United States Code.

"(j)(1) Notwithstanding any other provision of law, the Secretary may, subject to the notice requirements of paragraph (2), compromise any preliminary departmental decision under this section which does not exceed the amount agreed to be returned by more than $200,000, if the Secretary determines that (A) the collection of any or all or the amount thereof would not be practical or in the public interest, and (B) the practice which resulted in the preliminary departmental decision has been corrected and will not recur.

Federal Register, publication.

"(2) Not less than 45 days prior to the exercise of the authority to compromise a preliminary departmental decision pursuant to paragraph (1), the Secretary shall publish in the Federal Register a notice of intention to do so. The notice shall provide interested persons an opportunity to comment on any proposed action under this subsection through the submission of written data, views, or arguments.

"(k) No recipient under an applicable program shall be liable to return funds which were expended in a manner not authorized by law more than 5 years before the recipient received written notice of a preliminary departmental decision.

"(l) No interest shall be charged arising from a claim during the administrative review of the preliminary departmental decision.

"SEC. 453. MEASURE OF RECOVERY. 20 USC 1234b.

"(a)(1) A recipient determined to have made an unallowable expenditure, or to have otherwise failed to discharge its responsibility to account properly for funds, shall be required to return funds in an amount that is proportionate to the extent of the harm its violation caused to an identifiable Federal interest associated with the program under which the recipient received the award. Such amount shall be reduced in whole or in part by an amount that is proportionate to the extent the mitigating circumstances caused the violation.

"(2) For the purpose of paragraph (1), an identifiable Federal interest includes, but is not limited to, serving only eligible beneficiaries; providing only authorized services or benefits; complying with expenditure requirements and conditions (such as set-aside, excess cost, maintenance of effort, comparability, supplement-not-supplant, and matching requirements); preserving the integrity of planning, application, recordkeeping, and reporting requirements; and maintaining accountability for the use of funds.

"(b)(1) When a State or local educational agency is determined to have made an unallowable expenditure, or to have otherwise failed to discharge its responsibility to account properly for funds, and mitigating circumstances exist, as described in paragraph (2), the judge shall reduce such amount by an amount that is proportionate to the extent the mitigating circumstances caused the violation. Furthermore, the judge is authorized to determine that no recovery is justified when mitigating circumstances warrant. The burden of demonstrating the existence of mitigating circumstances shall be upon the State or local educational agency.

"(2) For the purpose of paragraph (1), mitigating circumstances exist only when it would be unjust to compel the recovery of funds because the State or local educational agency—

"(A) actually and reasonably relied upon erroneous written guidance provided by the Department;

"(B) made an expenditure or engaged in a practice after—

"(i) the State or local educational agency submitted to the Secretary, in good faith, a written request for guidance with respect to the expenditure or practice at issue, and

"(ii) a Department official did not respond within 90 days of receipt by the Department of such request; or

"(C) actually and reasonably relied upon a judicial decree issued to the recipient.

"(3) A written request for guidance as described in paragraph (2) sent by certified mail (return receipt requested) shall be conclusive proof of receipt by the Department. Mail.

"(4) If the Secretary responds to a written request for guidance described in paragraph (2)(B) more than 90 days after its receipt, the State or local educational agency that submitted the request shall comply with the guidance received at the earliest practicable time.

"(5) In order to demonstrate the existence of the mitigating circumstances described in paragraph (2)(B), the State or local educational agency shall demonstrate that—

"(A) the written request for guidance accurately described the proposed expenditure or practice and included the facts necessary for a determination of its legality; and

"(B) the written request for guidance contained a certification by the chief legal officer of the State educational agency that

such officer had examined the proposed expenditure or practice and believed the proposed expenditure or practice was permissible under then applicable State and Federal law; and

"(C) the State or local educational agency reasonably believed that the proposed expenditure or practice was permissible under then applicable State and Federal law.

"(6) The Secretary shall disseminate to State educational agencies responses to written requests for guidance, described in paragraph (5), that reflect significant interpretations of applicable law or policy.

"(c) The Secretary shall periodically review the written requests for guidance submitted under this section to determine the need for new or supplementary regulatory or other guidance under applicable programs.

20 USC 1234c.

"SEC. 454. REMEDIES FOR EXISTING VIOLATIONS.

"(a) Whenever the Secretary has reason to believe that any recipient of funds under any applicable program is failing to comply substantially with any requirement of law applicable to such funds, the Secretary may—

"(2) issue a complaint to compel compliance through a cease and desist order of the Office, as authorized by section 456;

"(3) enter into a compliance agreement with a recipient to bring it into compliance, as authorized by section 457; or

"(4) take any other action authorized by law with respect to the recipient.

"(b) Any action, or failure to take action, by the Secretary under this section shall not preclude the Secretary from seeking a recovery of funds under section 452.

20 USC 1234d.

"SEC. 455. WITHHOLDING.

"(a) In accordance with section 454, the Secretary may withhold from a recipient, in whole or in part, further payments (including payments for administrative costs) under an applicable program.

"(c) The hearing shall be held before the Office and shall be conducted in accordance with the rules prescribed pursuant to subsections (f) and (g) of section 451 of this Act.

"(d) Pending the outcome of any hearing under this section, the Secretary may suspend payments to a recipient, suspend the authority of the recipient to obligate Federal funds, or both, after such recipient has been given reasonable notice and an opportunity to show cause why future payments or authority to obligate Federal funds should not be suspended.

"(e) Upon review of a decision of the Office by the Secretary, the findings of fact by the Office, if supported by substantial evidence, shall be conclusive. However, the Secretary, for good cause shown, may remand the case to the Office to take further evidence, and the

Office may thereupon make new or modified findings of fact and may modify its previous action. Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence.

"(f) The decision of the Office in any hearing under this section shall become final agency action 60 days after the recipient receives written notice of the decision unless the Secretary either—

"(1) modifies or sets aside the decision, in whole or in part, in which case the decision of the Secretary shall become final agency action when the recipient receives written notice of the Secretary's action; or

"(2) remands the decision of the Office.

"(2) contains a notice of a hearing to be held before the Office on a date at least 30 days after the service of the complaint.

"(b) The recipient upon which a complaint has been served shall have the right to appear before the Office on the date specified and to show cause why an order should not be entered by the Office requiring the recipient to cease and desist from the violation of law charged in the complaint.

"(c) The testimony in any hearing held under this section shall be reduced to writing and filed with the Office. If upon that hearing the Office is of the opinion that the recipient is in violation of any requirement of law as charged in the complaint, the Office shall—

"(1) make a report in writing stating its findings of fact; and Reports.

"(2) issue to the recipient an order requiring the recipient to cease and desist from the practice, policy, or procedure which resulted in the violation.

"(d) The report and order of the Office under this section shall become the final agency action when the recipient receives the report and order.

"(e) The Secretary may enforce a final order of the Office under this section which becomes final agency action by—

"(1) withholding from the recipient any portion of the amount payable to it, including the amount payable for administrative costs, under the applicable program; or

"(2) certifying the facts to the Attorney General who shall cause an appropriate proceeding to be brought for the enforcement of the order.

"SEC. 457. COMPLIANCE AGREEMENTS. 20 USC 1234f.

"(a) In accordance with section 454, the Secretary may enter into a compliance agreement with a recipient under an applicable program. "(b)(1) Before entering into a compliance agreement with a recipient, the Secretary shall hold a hearing at which the recipient, affected students and parents or their representatives, and other interested parties are invited to participate. The recipient shall have

the burden of persuading the Secretary that full compliance with the applicable requirements of law is not feasible until a future date.

"(c) A compliance agreement under this section shall contain—

"(1) an expiration date not later than 3 years from the date of the written findings under subsection (b)(2), by which the recipient shall be in full compliance with the applicable requirements of law, and

"(2) those terms and conditions with which the recipient must comply until it is in full compliance.

"(d) If a recipient fails to comply with the terms and conditions of a compliance agreement under this section, the Secretary may consider that compliance agreement to be no longer in effect, and the Secretary may take any action authorized by law with respect to the recipient.

20 USC 1234g.

"SEC. 458. JUDICIAL REVIEW.

"(b)(1) The amount of the grant provided to each tribe or tribal organization under this section for each fiscal year shall be determined by applying the administrative cost percentage rate of the tribe or tribal organization to each of the direct cost education programs operated by the tribe or tribal organization for which funds are received from or through the Bureau.

"(2) The Secretary shall—

"(2) Funds received as grants under this section with respect to tribal elementary or secondary education programs shall remain

tive cost functions, that are operated directly by a tribe or tribal organization under a contract or agreement with the Bureau.

"(4)(A) Except as otherwise provided in this paragraph, the direct cost base of a tribe or tribal organization for the fiscal year is the aggregate direct cost program funding for all tribal elementary or secondary educational programs operated by the tribe or tribal organization during—

"(iii) a standard direct cost base which is the aggregate direct cost funding level for which the percentage determined under subsection (c) will—

"(I) be equal to the median between the maximum base rate and the minimum base rate, and

"(II) ensure that the amount of the grants provided under this section will provide adequate (but not excessive) funding of the administrative costs of tribal elementary or secondary educational programs closest to the size of the program.

"(2) The studies required under paragraph (1) shall—

"(A) be conducted in full consultation (in accordance with section 1130) with—

This part may be cited as the "Tribally Controlled Schools Act of 1988". 25 USC 2501 note.

SEC. 5202. FINDINGS.

25 USC 2501.

The Congress, after careful review of the Federal Government's historical and special legal relationship with, and resulting responsibilities to, Indians, finds that—

(1) the Indian Self-Determination and Education Assistance Act, which was a product of the legitimate aspirations and a recognition of the inherent authority of Indian nations, was and is a crucial positive step towards tribal and community control;

(2) the Bureau of Indian Affairs' administration and domination of the contracting process under such Act has not provided the full opportunity to develop leadership skills crucial to the realization of self-government, and has denied to the Indian people an effective voice in the planning and implementation of programs for the benefit of Indians which are responsive to the true needs of Indian communities;

(3) Indians will never surrender their desire to control their relationships both among themselves and with the non-Indian governments, organizations, and persons;

(4) true self-determination in any society of people is dependent upon an educational process which will ensure the development of qualified people to fulfill meaningful leadership roles;

(5) the Federal administration of education for Indian children has not effected the desired level of educational achievement nor created the diverse opportunities and personal satisfaction which education can and should provide;

(6) true local control requires the least possible Federal interference; and

(7) the time has come to enhance the concepts made manifest in the Indian Self-Determination and Education Assistance Act.

SEC. 5203. DECLARATION OF POLICY.

25 USC 2502.

(a) RECOGNITION.—The Congress recognizes the obligation of the United States to respond to the strong expression of the Indian people for self-determination by assuring maximum Indian participation in the direction of educational services so as to render such services more responsive to the needs and desires of those communities.

(b) COMMITMENT.—The Congress declares its commitment to the maintenance of the Federal Government's unique and continuing trust relationship with and responsibility to the Indian people through the establishment of a meaningful Indian self-determination policy for education which will deter further perpetuation of Federal bureaucratic domination of programs.

(c) NATIONAL GOAL.—The Congress declares that a major national goal of the United States is to provide the resources, processes, and structures which will enable tribes and local communities to effect the quantity and quality of educational services and opportunities which will permit Indian children to compete and excel in the life areas of their choice, and to achieve the measure of self-determination essential to their social and economic well-being.

(d) EDUCATIONAL NEEDS.—The Congress affirms the reality of the special and unique educational needs of Indian peoples, including the need for programs to meet the linguistic and cultural aspirations of Indian tribes and communities. These may best be met through a grant process.

(e) FEDERAL RELATIONS.—The Congress declares its commitment to these policies and its support, to the full extent of its responsibility, for Federal relations with the Indian Nations.

(f) TERMINATION.—The Congress hereby repudiates and rejects House Concurrent Resolution 108 of the 83rd Congress and any policy of unilateral termination of Federal relations with any Indian Nation.

25 USC 2503.

SEC. 5204. GRANTS AUTHORIZED.

(B) submit to the Secretary applications for such grants.

(2) Grants provided under this part shall be deposited into the general operating fund of the tribally controlled school with respect to which the grant is provided.

(3)(A) Except as otherwise provided in this paragraph, grants provided under this part shall be used to defray, at the discretion of the school board of the tribally controlled school with respect to which the grant is provided, any expenditures for education-related activities for which any funds that compose the grant may be used under the laws described in section 5205(a), including but not limited to, expenditures for—

(i) school operations, academic, educational, residential, guidance and counseling, and administrative purposes, and

(ii) support services for the school, including transportation.

(B) Grants provided under this part may, at the discretion of the school board of the tribally controlled school with respect to which such grant is provided, be used to defray operation and maintenance expenditures for the school if any funds for the operation and maintenance of the school are allocated to the school under the provisions of any of the laws described in section 5205(a).

(C) If funds allocated to a tribally controlled school under chapter 1 of title I of the Elementary and Secondary Education Act of 1965, the Education of the Handicapped Act, or any Federal education law other than title XI of the Education Amendments of 1978 are included in a grant provided under this part, a portion of the grant equal to the amount of the funds allocated under such law shall be expended only for those activities for which funds provided under such law may be expended under the terms of such law.

(b) LIMITATIONS.—

(1) No more than one grant may be provided under this part with respect to any Indian tribe or tribal organization for any fiscal year.

(2) Funds provided under any grant made under this part may not be used in connection with religious worship or sectarian instruction.

(3) Funds provided under any grant made under this part may not be expended for administrative costs (as defined under section 1128A(e)(1) of the Education Amendments of 1978) in excess of the amount generated for such costs under section 1128A of such Act.

(c) LIMITATION ON TRANSFER OF FUNDS AMONG SCHOOLSITES.—

(1) In the case of a grantee which operates schools at more than one schoolsite, the grantee may expend no more than the lesser of—

(A) 10 percent of the funds allocated for a schoolsite under section 1128 of the Education Amendments of 1978, or

(B) $400,000 of such funds,

at any other schoolsite.

(2) For purposes of this subsection, the term "schoolsite" means the physical location and the facilities of an elementary or secondary educational or residential program operated by, or under contract with, the Bureau for which a discreet student count is identified under the funding formula established under section 1128 of the Education Amendments of 1978.

(d) NO REQUIREMENT TO ACCEPT GRANTS.—Nothing in this part may be construed—

(1) to require a tribe or tribal organization to apply for or accept, or

(2) to allow any person to coerce any tribe or tribal organization into applying for, or accepting,

a grant under this part to plan, conduct, and administer all of, or any portion of, any Bureau program. Such applications, and the timing of such applications, shall be strictly voluntary. Nothing in this part may be construed as allowing or requiring any grant with any entity other than the entity to which the grant is provided.

(e) NO EFFECT ON FEDERAL RESPONSIBILITY.—Grants provided under this part shall not terminate, modify, suspend, or reduce the responsibility of the Federal Government to provide a program.

(f) RETROCESSION.—Whenever an Indian tribe requests retrocession of any program for which assistance is provided under this part, such retrocession shall become effective upon a date specified by the Secretary not more than 120 days after the date on which the tribe requests the retrocession, or such later date as may be mutually agreed upon by the Secretary and the tribe. If such a program is retroceded, the Secretary shall provide to any Indian tribe served by such program at least the same quantity and quality of services that would have been provided under such program at the level of funding provided under this part prior to the retrocession.

(g) NO TERMINATION FOR ADMINISTRATIVE CONVENIENCE.—Grants provided under this Act may not be terminated, modified, suspended, or reduced only for the convenience of the administering agency.

SEC. 5205. COMPOSITION OF GRANTS. 25 USC 2504.

25 USC 2505.

SEC. 5206. ELIGIBILITY FOR GRANTS.

(a) IN GENERAL.—

(1) A tribally controlled school is eligible for assistance under this part if the school—

(A) was, on the date of enactment of this Act, a school which received funds under the authority of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450, et seq.),

(B) was a school operated (as either an elementary or secondary school or a combined program) by the Bureau and has met the requirements of subsection (b),

(C) is a school for which the Bureau has not provided funds, but which has met the requirements of subsection (c), or

(D) is a school with respect to which an election has been made under paragraph (2) and which has met the requirements of subsection (b).

(2) Any application which has been submitted under the Indian Self-Determination and Education Assistance Act by an Indian tribe for a school which is not in operation on the date of enactment of this Act shall be reviewed under the guidelines and regulations for applications submitted under the Indian Self-Determination and Education Assistance Act that were in effect at the time the application was submitted, unless the Indian tribe or tribal organization elects to have the application reviewed under the provisions of subsection (b).

(b) ADDITIONAL REQUIREMENTS FOR BUREAU SCHOOLS AND CERTAIN ELECTING SCHOOLS.—

(1) Any school that was operated as a Bureau school on the date of enactment of this Act, and any school with respect to which an election is made under subsection (a)(2), meets the requirements of this subsection if—

(A) the Indian tribe or tribal organization that operates, or desires to operate, the school submits to the Secretary an application requesting that the Secretary—

(i) transfer operation of the school to the Indian tribe or tribal organization, if the Indian tribe or tribal organization is not already operating the school, and

(ii) make a determination of whether the school is eligible for assistance under this part, and

(B) the Secretary makes a determination that the school is eligible for assistance under this part.

(2)(A) By no later than the date that is 120 days after the date on which an application is submitted to the Secretary under paragraph (1)(A), the Secretary shall determine—

(i) if the school is not being operated by the Indian tribe or tribal organization, whether to transfer operation of the school to the Indian tribe or tribal organization, and

(ii) whether the school is eligible for assistance under this part.

(B) In considering applications submitted under paragraph (1)(A), the Secretary—

(i) shall transfer operation of the school to the Indian tribe or tribal organization, if the Indian tribe or tribal organization is not already operating the school, and

(ii) shall determine that the school is eligible for assistance under this part,

unless the Secretary finds by clear and convincing evidence that the services to be provided by the Indian tribe or tribal organization will be deleterious to the welfare of the Indians served by the school.

(C) In considering applications submitted under paragraph (1)(A), the Secretary shall consider whether the Indian tribe or tribal organization would be deficient in operating the school with respect to—

(i) equipment,

(ii) bookkeeping and accounting procedures,

(iii) substantive knowledge of operating the school,

(iv) adequately trained personnel, or

(v) any other necessary components in the operation of the school.

(B) the Secretary makes a determination that the school is eligible for assistance under this part.

(2)(A) By no later than the date that is 180 days after the date on which an application is submitted to the Secretary under paragraph (1)(A), the Secretary shall determine whether the school is eligible for assistance under this part.

(B) In making the determination under subparagraph (A), the Secretary shall give equal consideration to each of the following factors:

(II) geographic and demographic factors in the affected areas;

(III) adequacy of applicant's program plans;

(III) consistency of available programs with tribal education codes or tribal legislation to education; and

(IV) the history and success of these services for the proposed population to be served, as determined from all factors and not just standardized examination performance.

(C) The Secretary may not make a determination under this paragraph that is primarily based upon the geographic proximity of comparable public education.

(D) Applications submitted under paragraph (1)(A) shall include information on the factors described in subparagraph (B)(i), but the applicant may also provide the Secretary such information relative to the factors described in subparagraph (B)(ii) as the applicant considers appropriate.

(E) If the Secretary fails to make a determination under subparagraph (A) with respect to an application within 180 days after the date on which the Secretary received the application, the Secretary shall be treated as having made a determination

that the tribally controlled school is eligible for assistance under the title and the grant shall become effective 18 months after the date on which the Secretary received the application, or an earlier date, at the Secretary's discretion.

(d) APPLICATIONS AND REPORTS.—

(1) All applications and reports submitted to the Secretary under this part, and any amendments to such applications or reports, shall be filed with the agency or area education officer designated by the Director of the Office of Indian Education of the Department of Education. The date on which such filing occurs shall, for purposes of this part, be treated as the date on which the application or amendment is submitted to the Secretary.

(2) Any application that is submitted under this part shall be accompanied by a document indicating the action taken by the tribal governing body in authorizing such application.

(e) EFFECTIVE DATE FOR APPROVED APPLICATIONS.—Except as provided in subsection (c)(2)(E), a grant provided under this part, and any transfer of the operation of a Bureau school made under subsection (b), shall become effective beginning with the academic year succeeding the fiscal year in which the application for the grant or transfer is made, or at an earlier date determined by the Secretary.

(f) DENIAL OF APPLICATIONS.—

(1) Whenever the Secretary declines to provide a grant under this part, to transfer operation of a Bureau school under subsection (b), or determines that a school is not eligible for assistance under this part, the Secretary shall—

(A) state the objections in writing to the tribe or tribal organization within the allotted time,

(B) provide assistance to the tribe or tribal organization to overcome all stated objections,

(C) provide the tribe or tribal organization a hearing, under the same rules and regulations that apply under the Indian Self-Determination and Education Assistance Act, and

(2) The Secretary shall reconsider any amended application submitted under this part within 60 days after the amended application is submitted to the Secretary.

(g) REPORT.—The Bureau shall submit an annual report to the Congress on all applications received, and actions taken (including the costs associated with such actions), under this section at the same time that the President is required to submit to the Congress the budget under section 1105 of title 31, United States Code.

SEC. 5207. DURATION OF ELIGIBILITY DETERMINATION. 25 USC 2506.

(a) IN GENERAL.—If the Secretary determines that a tribally controlled school is eligible for assistance under this part, the eligibility determination shall remain in effect until the determination is revoked by the Secretary, and the requirements of subsection (b) or (c) of section 5206, if applicable, shall be considered to have been met with respect to such school until the eligibility determination is revoked by the Secretary.

(b) ANNUAL REPORTS.—Each recipient of a grant provided under this part shall submit to the Secretary and to the tribal governing body (within the meaning of section 1121(j) of the Education Amend-

(3) an annual submission to the Secretary of the number of students served and a brief description of programs offered under the grant; and

(4) a program evaluation conducted by an impartial entity, to be based on the standards established for purposes of subsection (c)(1)(A)(ii).

(c) REVOCATION OF ELIGIBILITY.—

(1)(A) The Secretary shall not revoke a determination that a school is eligible for assistance under this part if—

(i) the Indian tribe or tribal organization submits the reports required under subsection (b) with respect to the school, and

(ii) at least one of the following subclauses applies with respect to the school:

(I) The school is certified or accredited by a State or regional accrediting association as determined by the Secretary of Education, or is a candidate in good standing for such accreditation under the rules of the State or regional accrediting association, showing that credits achieved by students within the education programs are, or will be, accepted at grade level by a State certified or regionally accredited institution.

(II) A determination made by the Secretary that there is a reasonable expectation that the accreditation described in subclause (I), or the candidacy in good standing for such accreditation, will be reached by the school within 3 years and that the program offered by the school is beneficial to the Indian students.

(III) The school is accredited by a tribal department of education if such accreditation is accepted by a generally recognized regional or State accreditation agency.

(IV) The school accepts the standards promulgated under section 1121 of the Education Amendments of 1978 and an evaluation of performance is conducted under this section in conformance with the regulations pertaining to Bureau operated schools by an impartial evaluator chosen by the grantee, but no grantee shall be required to comply with these standards to a higher degree than a comparable Bureau operated school.

(V) A positive evaluation of the school is conducted once every 3 years under standards adopted by the contractor under a contract for a school entered into under the Indian Self-Determination and Education Assistance Act prior to the date of enactment of this Act, such evaluation to be conducted by an impartial evaluator agreed to by the Secretary and the grantee. Upon failure to agree on such an evaluator, the governing body of the tribe shall choose the evaluator or perform the evaluation.

(B) The choice of standards employed for purposes of subparagraph (A)(ii) shall be consistent with section 1121(e) of the Education Amendments of 1978.

(2) The Secretary shall not revoke a determination that a school is eligible for assistance under this part, or reassume control of a school that was a Bureau school prior to approval of an application submitted under section 5206(b)(1)(A), until the Secretary—

(A) provides notice to the tribally controlled school and the tribal governing body (within the meaning of section 1121(j) of the Education Amendments of 1978) of the tribally controlled school which states—

(i) the specific deficiencies that led to the revocation or resumption determination, and

(ii) the actions that are needed to remedy such deficiencies, and

(B) affords such authority an opportunity to effect any remedial actions.

The Secretary shall provide such technical assistance as is necessary to effect such remedial actions. Such notice and technical assistance shall be in addition to a hearing and appeal to be conducted pursuant to the regulations described in section 5206(f)(1)(C).

(2) Funds provided under this part may be—

(A) invested by the Indian tribe or tribal organization only in obligations of the United States or in obligations or

PART C—DEPARTMENT OF EDUCATION

Indian Education Act of 1988. 25 USC 2601 note.

SEC. 5301. SHORT TITLE.

This part may be cited as the "Indian Education Act of 1988".

Subpart 1—Financial Assistance to Local Educational Agencies for the Education of Indian Children

25 USC 2601.

SEC. 5311. DECLARATION OF POLICY.

In recognition of the special educational and culturally related academic needs of Indian students in the United States, Congress hereby declares it to be the policy of the United States to provide financial assistance to local educational agencies to develop and

carry out elementary and secondary school programs specially designed to meet these special educational and culturally related academic needs, or both.

25 USC 2602.

SEC. 5312. GRANTS TO LOCAL EDUCATIONAL AGENCIES.

(a) IN GENERAL.—The Secretary shall, in order to effectuate the policy set forth in section 5311, carry out a program of making grants to local educational agencies which are entitled to payments under this subpart and which have submitted, and have had approved, applications therefor, in accordance with the provisions of this subpart.

(b) AMOUNT OF GRANTS.—

(1)(A) For any fiscal year for which appropriations are authorized under section 5316 of this Act, the Secretary shall determine the number of eligible Indian children who were enrolled in the schools of a local educational agency, and for whom such agency provided free public education, during such fiscal year.

(B) For purposes of this subpart, the term "eligible Indian children" means Indian children whom the Secretary has determined—

(i) were enrolled in a school of the local educational agency, and

(ii) were provided free public education by the local educational agency.

(2)(A) From the sums appropriated under section 5316(a) for any fiscal year, the Secretary shall allocate to each local educational agency which has an application approved under this subpart an amount which bears the same ratio to such sums as the product of—

(i) the number of eligible Indian children, multiplied by

(ii) the average per pupil expenditure per local educational agency,

bears to the sum of such products for all such local educational agencies.

(B) A local educational agency shall not be entitled to receive a grant under this subpart for any fiscal year unless the number of eligible Indian children, with respect to such agency, is at least 10 or constitutes at least 50 percent of its total enrollment. The requirements of this subparagraph shall not apply to any local educational agencies serving Indian children in Alaska, California, and Oklahoma or located on, or in proximity to, an Indian reservation.

(C) For the purposes of this subsection, the average per pupil expenditure for a local educational agency is equal to the amount determined by dividing—

(i) the sum of—

(I) the aggregate current expenditures, during the second fiscal year preceding the fiscal year for which the computation is made, of all of the local educational agencies in the State in which such agency is located, plus

(II) any direct current expenditures by such State for the operation of such agencies (without regard to the sources of funds from which either of such expenditures are made), by

(ii) the aggregate number of children who were in average daily attendance for whom such agencies provided free public education during such preceding fiscal year.

(3)(A) The first fiscal year for which schools operated by the Bureau of Indian Affairs of the Department of the Interior shall be treated as local educational agencies for the purposes of this subpart (other than sections 5314(b)(2)(B)(ii) and 5315(c)(2)) is the first fiscal year beginning after the date of enactment of this Act for which the amount of funds appropriated for allocation under this subsection equals or exceeds the amount of funds that, if such schools are not treated as local educational agencies, is necessary to allocate under paragraph (2) (determined without regard to subparagraph (B)) to each local educational agency which has an application approved under this subpart for such fiscal year an amount of funds for each eligible Indian child equal to the sum of—

(i) the average amount of funds per eligible Indian child that was received by such local educational agency for fiscal year 1988 under section 303(a)(2) of the Indian Elementary and Secondary School Assistance Act (20 U.S.C. 241bb(a)(2)), plus

(ii) 2 percent of the amount described in clause (i).

(B)(i) Notwithstanding any other provision of this subpart, for each fiscal year to which this clause applies—

(I) paragraph (2) shall first be applied to allocate the portion of the funds appropriated for such fiscal year for allocation under this subsection that does not exceed the amount determined to be necessary under subparagraph (A) among only those local educational agencies that received funds under section 303(a)(2) of the Indian Elementary and Secondary School Assistance Act (20 U.S.C 241bb(a)(2)) for fiscal year 1988, and

(II) paragraph (2) shall then be applied to allocate the remaining portion (if any) of the funds appropriated for such fiscal year for allocation under this subsection among only those local educational agencies that are schools operated by the Bureau of Indian Affairs.

(ii) Clause (i) applies to the first fiscal year described in subparagraph (A), and each succeeding fiscal year, until the amount of funds appropriated for allocation under this subsection for any fiscal year beginning after the date of enactment of this Act equals or exceeds the amount of funds that, if all schools operated by the Bureau of Indian Affairs are treated as local educational agencies, is necessary to allocate under paragraph (2) (determined without regard to clause (i)) to each local educational agency which has an application approved under this subpart for such fiscal year an amount of funds for each eligible Indian child equal to the sum of—

(I) the average amount of funds per eligible Indian child that was received by such local educational agency for fiscal year 1988 under the Indian Elementary and Secondary School Assistance Act, plus

(II) 2 percent of the amount described in subclause (I).

(c) GRANTS TO SCHOOLS THAT ARE NOT, OR HAVE NOT BEEN, LOCAL EDUCATIONAL AGENCIES.—

(1) In addition to the sums appropriated for any fiscal year for grants to local educational agencies under this subpart, there is

This Act may be cited as the "International Child Abduction Remedies Act".

SEC. 2. FINDINGS AND DECLARATIONS.

42 USC 11601.

(a) FINDINGS.—The Congress makes the following findings:

(1) The international abduction or wrongful retention of children is harmful to their well-being.

(2) Persons should not be permitted to obtain custody of children by virtue of their wrongful removal or retention.

(3) International abductions and retentions of children are increasing, and only concerted cooperation pursuant to an international agreement can effectively combat this problem.

(4) The Convention on the Civil Aspects of International Child Abduction, done at The Hague on October 25, 1980, establishes legal rights and procedures for the prompt return of children who have been wrongfully removed or retained, as well as for securing the exercise of visitation rights. Children who are wrongfully removed or retained within the meaning of the Convention are to be promptly returned unless one of the narrow exceptions set forth in the Convention applies. The Convention provides a sound treaty framework to help resolve the problem of international abduction and retention of children and will deter such wrongful removals and retentions.

(b) DECLARATIONS.—The Congress makes the following declarations:

(1) It is the purpose of this Act to establish procedures for the implementation of the Convention in the United States.

(2) The provisions of this Act are in addition to and not in lieu of the provisions of the Convention.

(3) In enacting this Act the Congress recognizes—

(A) the international character of the Convention; and

(B) the need for uniform international interpretation of the Convention.

(4) The Convention and this Act empower courts in the United States to determine only rights under the Convention and not the merits of any underlying child custody claims.

An Act

To establish the Big Cypress National Preserve Addition in the State of Florida, and for other purposes.

Apr. 29, 1988
[S. 90]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

Big Cypress National Preserve Addition Act. National Wilderness Preservation System. Conservation. Public lands. 16 USC 698f note.

SECTION 1. SHORT TITLE.

(a) SHORT TITLE.—This Act may be cited as the "Big Cypress National Preserve Addition Act".

(b) AMENDMENT OF BIG CYPRESS NATIONAL PRESERVE ACT.—Whenever in this Act an amendment is expressed in terms of an amendment to the Act of October 11, 1974, such amendment shall be considered to be made to the Act entitled "An Act to establish the Big Cypress National Preserve in the State of Florida, and for other purposes", approved October 11, 1974 (Public Law 93-440; 88 Stat. 1257).

16 USC 698f note.

SEC. 2. FINDINGS AND PURPOSE.

(a) FINDINGS.—The Congress finds that—

(1) the planned construction of Interstate 75 is presently being designed in such a way as to improve the natural water flow to the Everglades National Park, which has been disrupted by State Road 84 (commonly known as "Alligator Alley");

(2) the planned construction of Interstate 75 provides an opportunity to enhance protection of the Everglades National Park, to promote protection of the endangered Florida panther, and to provide for public recreational use and enjoyment of public lands by expanding the Big Cypress National Preserve to include those lands adjacent to Interstate 75 in Collier County north and east of the Big Cypress National Preserve, west of the Broward County line, and south of the Hendry County line;

(3) the Federal acquisition of lands bordering the Big Cypress National Preserve in conjunction with the construction of Interstate 75 would provide significant public benefits by limiting development pressure on lands which are important both in terms of fish and wildlife habitat supporting endangered species and of wetlands which are the headwaters of the Big Cypress National Preserve; and

(4) public ownership of lands adjacent to the Big Cypress National Preserve would enhance the protection of the Everglades National Park while providing recreational opportunities and other public uses currently offered by the Big Cypress National Preserve.

(b) PURPOSE.—It is the purpose of this Act to establish the Big Cypress National Preserve Addition.

SEC. 3. ESTABLISHMENT OF ADDITION.

(a) BIG CYPRESS NATIONAL PRESERVE ADDITION.—The Act of October 11, 1974, is amended by adding at the end thereof the following new section:

"(2) Except as provided in paragraph (3), if the State of Florida transfers to the Secretary lands within the Addition, the Secretary shall pay to or reimburse the State of Florida (out of funds appropriated for such purpose) an amount equal to 80 percent of the total costs to the State of Florida of acquiring such lands.

"(3) The amount described in paragraph (1) shall be reduced by an amount equal to 20 percent of the amount of the total cost incurred by the Secretary in acquiring lands in the Addition other than from the State of Florida.

May 2, 1988
[S.J. Res. 235]

Deploring the Soviet Government's active persecution of religious believers in Ukraine.

Whereas 1988 marks the Millennium of the Christianity of Kievan Rus', adopted by Prince Volodymyr in a ceremony on the banks of the Dnieper River;

Whereas today freedom of religion is a fundamental right which is explicitly guaranteed by the Universal Declaration of Human Rights, the International Covenants on Human Rights, and the Final Act of the Conference on Security and Cooperation in Europe;

Whereas the Soviet Government has violated the Universal Declaration of Human Rights, the International Covenants on Human Rights, and the Final Act of the Conference on Security and Cooperation in Europe by engaging in the persecution of religious believers in the Soviet Union, including the systematic liquidation of the historic and national churches in Ukraine;

Whereas the Ukrainian Orthodox and Ukrainian Catholic churches, both forcibly liquidated in the 1930's and 1940's, respectively, have remained outlawed while their clergy and laity have been murdered, imprisoned, or exiled for their religious beliefs;

Whereas, despite decades of severe persecution, Ukrainian Orthodox and Ukrainian Catholic believers to this day continue to practice their faiths clandestinely for fear of persecution by Soviet authorities;

Whereas the Soviet Government has, in addition, sought to restrain and undermine the spiritual mission of the Evangelical Church in Ukraine, and has established restrictive legislation in direct contravention of the Biblical precepts that undergird the evangelical movement;

Whereas many members of the Ukrainian Evangelical churches, in particular unregistered Baptist and Pentecostal congregations, are currently imprisoned and harassed for their faith;

Whereas suspected clergy and lay members of the Ukrainian Orthodox, Ukrainian Catholic, Baptist, and Pentecostal churches are victimized by job discrimination, their access to religious literature is restricted, and they are subject to various forms of harassment such as house searches, interrogations, and arbitrary arrests by Soviet authorities;

Whereas, despite the Soviet government's policies of religious persecution in Ukraine, faith in God is widespread among Ukrainians as evidenced by the underground Ukrainian Catholic movement which embraces hundreds of priests headed by a number of secret bishops assisted by more than 1,000 religious women in orders; and

Whereas Ukrainian Catholic catacomb bishops, priests, and laity have placed themselves in direct danger of persecution by appeal-

ing to the Kremlin to end its prohibition of the Ukrainian Catholic Church: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the Congress of the United States deplores the Soviet Government's active persecution of religious believers in Ukraine, as well as the forcible liquidation of the Ukrainian Orthodox and Ukrainian Catholic Churches. Human rights.

SEC. 2. On the occasion of the Millennium of Christianity in Kievan Rus', the Congress of the United States—

(1) discourages official participation by the Government of the United States in ceremonies of the Millennium in the Union of Soviet Socialist Republics, so long as individuals remain harassed and imprisoned for their religious beliefs, are denied access to religious literature and the opportunity to receive religious instruction, and the Ukrainian Catholic and Ukrainian Orthodox Churches remain outlawed;

(2) sends its greetings to the Ukrainian people as they mark this solemn event in the history of the Ukrainian nation;

(3) voices its concern for those Ukrainian religious believers who are persecuted for attempting to exercise their rights to religious worship;

(4) urges the President of the United States, the Secretary of State, the United States delegation to the United Nations, the United States Delegation to the Vienna Review Meeting of the Conference on Security and Cooperation in Europe to continue to speak out forcefully against violations of religious liberty throughout the Soviet Union and specifically in Ukraine during this anniversary year;

(5) calls upon the Soviet Government to abide by the Universal Declaration of Human Rights, the International Covenants on Human Rights, and the Final Act of the Conference on Security and Cooperation in Europe, and release all those imprisoned for their religious beliefs; and

(6) urges, in observance of the Christian Millennium, the Soviet Government to legalize the Ukrainian Orthodox and Ukrainian Catholic Churches.

Joint Resolution

May 3, 1988
[H.J. Res. 421]

Designating May 1988 as "National Digestive Disease Awareness Month".

Whereas digestive diseases rank third among illnesses in total economic cost in the United States;

Whereas digestive diseases represent one of the Nation's most serious health problems in terms of discomfort and pain, personal expenditures for treatment, working hours lost, and mortality;

Whereas 20 million Americans suffer from chronic digestive diseases;

Whereas more than 14 million cases of acute digestive diseases are treated in this country each year, including ⅓ of all malignancies and some of the most common acute infections;

Whereas more Americans are hospitalized because of digestive diseases than any other type of disease;

Whereas digestive diseases necessitate 25 percent of all surgical operations;

Whereas digestive diseases are one of the most prevalent causes of disability in the work force;

Whereas, in the United States, digestive diseases cause yearly expenditures of over $17,000,000,000 in direct health care costs and a total annual economic burden of nearly $50,000,000,000;

Whereas more than 100 different digestive diseases, and other disorders of the gastrointestinal tract, each cause more than 200 deaths every year;

Whereas there has been interest on the part of the research community in the causes, cures, prevention, and clinical treatment of digestive diseases and related nutritional problems;

Whereas the people of the United States should recognize prevention and treatment of digestive diseases as a major health priority;

Whereas national organizations, such as the Digestive Diseases National Coalition, are committed to increasing awareness and understanding of digestive diseases in the health care community and among members of the general public;

Whereas the National Institutes of Health, through the National Digestive Diseases Education and Information Clearinghouse and the National Digestive Diseases Advisory Board, is committed to encouraging and coordinating such educational efforts;

Whereas the National Digestive Disease Education Program is a coordinated effort to educate the public and the health care community on the seriousness of digestive diseases and to provide information relative to the treatment, prevention, and control of digestive diseases; and

Whereas May 1988 marks the fourth anniversary of the National Digestive Disease Education Program: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That May 1988 is designated as "National Digestive Disease Awareness Month", and the President is authorized and requested to issue a proclamation calling upon all government agencies and the people of the United States to observe such month with appropriate programs, ceremonies, and activities.

To designate the period commencing on May 1, 1988, and ending on May 7, 1988, as "National Older Americans Abuse Prevention Week".

May 5, 1988
[S.J. Res. 222]

Whereas each year an estimated 550,000 to 2.5 million elders are the victims of physical and emotional abuse, neglect, and denial of fundamental civil rights;

Whereas these elders represent every racial, religious and socio-economic class;

Whereas the suffering of these elders poses a threat to our families and to our society as a whole;

Whereas in most instances this neglect and abuse stems from the lack of information on intervention and prevention;

Whereas the health and well-being of our elders is, and must be, one of our Nation's highest priorities;

Whereas May, 1988, has traditionally been designated as "Older Americans Month", and provides the ideal opportunity for the people of the United States to become educated and aware of the welfare of the elderly; and

Whereas it is appropriate to focus the attention of the Nation upon the problem of elderly abuse: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the period commencing on May 1, 1988, and ending on May 7, 1988, is designated as "National Older Americans Abuse Prevention Week", and the President is authorized and requested to issue a proclamation calling upon all Government agencies and the people of the United States to observe such period with appropriate programs, ceremonies, and activities.

[S.J. Res. 242]

Designating the period commencing May 2, 1988, and ending on May 8, 1988, as "Public Service Recognition Week".

Whereas the remarkable range of skills and unceasing dedication of government employees has supported the United States' leadership position in the world;

Whereas government employees have helped make the United States a global leader in industry, health care, agriculture, and defense by developing some of the world's most important technologies;

Whereas career government employees provide the Nation's defense, carry out the laws of the land, ensure environmental protection, maintain transportation systems, guard the Nation's borders to stem the flow of illegal drugs, administer Social Security, support health programs, provide policy direction for the education of the Nation's children, and provide countless other crucial public services;

Whereas government employees perform their demanding duties in exchange for compensation which is often far less than that received by their private sector counterparts; and

Whereas government employees are a valuable national resource, fulfilling the needs and desires of the American people as expressed through their elected representatives in the executive, legislative, and judicial branches of government: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That May 2-8, 1988, is designated as "Public Service Recognition Week", and the President is authorized and requested to issue a proclamation calling upon the people of the United States to observe such week with appropriate ceremonies and activities.

May 6, 1988

Whereas older Americans have contributed many years of service to their families, their communities, and the Nation;
Whereas the population of the United States is comprised of a large percentage of older Americans representing a wealth of knowledge and experience;
Whereas older Americans should be acknowledged for the contributions they continue to make to their communities and the Nation; and
Whereas many States and communities acknowledge older Americans during the month of May: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That, in recognition of the traditional designation of the month of May as "Older Americans Month" and the repeated expression by the Congress of its appreciation and respect for the achievements of older Americans and its desire that these Americans continue to play an active role in the life of the Nation, the President is directed to issue a proclamation designating the month of May 1988 as "Older Americans Month" and calling on the people of the United States to observe this month with appropriate programs, ceremonies, and activities.

[H.J. Res. 541]

Commending the State of Israel and its people on the occasion of the fortieth anniversary of the reestablishment of the independent State of Israel.

Whereas the State of Israel redeems the Biblical promise to the Jewish people of the homeland from which they were exiled for 2,000 years;

Whereas the establishment of the State of Israel as a homeland for the Jews followed the slaughter of more than 6,000,000 Jews during the Holocaust;

Whereas the United States helped in the creation of the State of Israel by extending diplomatic relations to the State of Israel upon its proclamation of independence on May 14, 1948;

Whereas since its establishment 40 years ago, Israel has rebuilt a nation, forged a new society, and created an economic, cultural, and intellectual infrastructure that is nothing short of miraculous;

Whereas despite the heavy costs of six wars, terrorism, international ostracism, and economic boycotts, the people of Israel have relinquished neither their desire to live in peace with their neighbors nor their democratic ideals;

Whereas at great social and financial costs, Israel has absorbed hundreds of thousands of Jews from countries throughout the world, many of them refugees from Arab countries, and fully integrated them into Israeli society;

Whereas the world, particularly the less developed countries of Latin America and Africa, has benefited tremendously from Israeli advances in agriculture, medicine, and industry;

Whereas the United States and Israel have always maintained a special relationship based on mutually shared democratic values, strategic interests, and moral bonds of friendship and respect; and

Whereas the American people have shared an affinity with the people of Israel and regard Israel as a strong and trusted ally and important strategic partner: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the United States—

(1) hails the historic milestone of 40 years of existence of the reestablished, independent State of Israel;

(2) praises the people of Israel for their remarkable achievements in building a new state and society and maintaining the only democracy in the Middle East in the face of constant belligerence by her neighbors;

(3) notes with deep satisfaction the bonds of friendship and cooperation between the United States and the State of Israel which have meant so much to both countries; and

To authorize and request the President to issue a proclamation designating June 6-12, 1988, as "National Fishing Week".

Whereas the United States Bureau of the Census reported that fifty-four million residents of our country participated in sport fishing in 1980;

Whereas sport fishing is a family oriented, outdoor, recreational activity that provides therapeutic rewards and enjoyment to people of all ages;

Whereas the demands for goods and services by sport fishing participants is estimated to generate $25,000,000,000 in economic activity and employment for an estimated six hundred thousand individuals each year;

Whereas fishing promotes respect for Nation's marine, estuarine, and fresh waters, and their associated plant and animal communities; and

Whereas our country's league of fishing enthusiasts represent a constituency that seeks to prevent the degradation of our Nation's diverse aquatic habitats: Now, therefore, be it

Whereas foster parents devotedly and unselfishly open their home and family life to children in need;

Whereas foster parents are a vital part in permanency planning to protect the best interests of a foster child;

Whereas foster parents work cooperatively with human service agencies and biological parents to strengthen family life;

Whereas foster parents must have the commitment of the national, State and local communities in terms of funding, support, and training; and

Designating the week of May 8, 1988, through May 14, 1988, as "National Osteoporosis Prevention Week of 1988".

May 10, 1988
[S.J. Res. 250]

Whereas osteoporosis, a degenerative bone condition, afflicts twenty-four million people in the United States;
Whereas osteoporosis, afflicts 90 per centum of women over age 75;
Whereas 50 per centum of all women in the United States over age 45 will develop some form of osteoporosis;
Whereas hip fractures are the most disabling outcome of osteoporosis, and 32 per centum of women and 17 per centum of men who live to age 90 will likely suffer a hip fracture due primarily to osteoporosis;
Whereas the mortality rates for people who suffer a hip fracture increase by 20 per centum, with such fractures resulting in the death of over fifty thousand older women and many older men each year;
Whereas 15 to 25 per centum of people who suffer a hip fracture stay in a long-term care facility for at least one year after the fracture occurs, and 25 to 35 per centum of people who return home from a long-term care facility after recovering from a hip fracture require assistance with daily living after returning home;
Whereas the total cost to society of dealing with osteoporosis was $7,000,000,000 to $10,000,000,000 in 1986 and such cost is expected to rise as the population ages;
Whereas osteoporosis is associated with the loss of bone mass due to a lack of estrogen as a result of menopause, alcohol or cigarette use, and low calcium intake;
Whereas exercise and proper nutrition before an individual is age 35 will build bone mass to help prevent osteoporosis; and
Whereas people who suffer from osteoporosis should be aware of the increased risk of bone fractures, and should take precautions to reduce the chance of accidents that may result in bone fractures due primarily to osteoporosis: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the week of May 8, 1988, through May 14, 1988, is designated as "National Osteoporosis Prevention Week of 1988", and the President of the United States is authorized and requested to issue a proclamation calling upon the people of the United States to observe such week with appropriate programs and activities.

May 12, 1988
[S.J. Res. 212]

Whereas tuberous sclerosis (hereinafter referred to in this resolution as "TS") is a genetic disorder affecting as many as 1 in 10,000 Americans;

Whereas TS remains poorly understood and frequently misdiagnosed, even though it is one of the more common genetic disorders;

Whereas TS affects males and females of all races;

Whereas the characteristics of TS include skin markings, seizures, motor difficulties, mental retardation, tumors of the brain and other organs, and behavioral abnormalities;

Whereas in any individual, the disease's severity can range from being mild, when patients can live normal lives, to being extreme, when TS is disabling and may be life threatening;

Whereas although modern research technology has provided information about TS, there remains much to be learned;

Whereas only with continued, extensive research is there any chance of conquering TS; and

Whereas establishing a national TS awareness week would serve to enhance public awareness of TS and stimulate further TS research: Now, therefore, be it

[S.J. Res. 240]

To designate the period commencing on May 16, 1988 and ending on May 22, 1988, as "National Safe Kids Week".

Whereas the children of the United States represent the most precious natural resource of the United States;

Whereas each year approximately one out of every four children under the age of fifteen in the United States is involved in an accident;

Whereas injuries resulting from accidents are the leading cause of death among children in the United States, claiming the lives of nearly eight thousand children each year;

Whereas approximately fifty thousand children in the United States are left permanently disabled because of accidental injuries each year;

Whereas the incidence and seriousness of such injuries can be significantly reduced through preventive measures and appropriate treatments; and

Whereas adults and children in the United States should become aware of the frequency and nature of accidental injuries to children, and of the need to undertake preventive measures and seek appropriate treatment: Now, therefore, be it

"Whereas, Under section 4(a)(1)(A) of the Low-Level Radioactive Waste Policy Act (42 U.S.C. § 2021d(a)(1)(A)), each state is responsible for providing for the capacity for disposal of low-level radioactive waste generated within its borders;

Safety.

"Whereas, To promote the health, safety and welfare of residents within, the Commonwealth of Pennsylvania and other eligible states as defined in Article 5(A) of this compact shall enter into a compact for the regional management and disposal of low-level radioactive waste.

"(2) Current Expense Budget—Upon legislative enactment of this compact by two party states and each year until the regional facility becomes available, the Commission shall adopt a current expense budget for its fiscal year. The budget shall include the Commission's estimated expenses for administration. Such expenses shall be allocated to the party states according to the following formula:

"Each designated initial host state will be allocated costs equal to twice the costs of the other party states, but such costs will not exceed $200,000.

"Each remaining party state will be allocated a cost of one half the cost of the initial host state, but such costs will not exceed $100,000.

"The party states will include the amounts allocated above in their respective budgets, subject to such review and approval as may be required by their respective budgetary processes. Such amounts shall be due and payable to the Commission in quarterly installments during the fiscal year.

"(3) Annual Budget Request—For continued funding of its activities, the Commission shall submit an annual budget request to each party state for funding, based upon the percentage of the region's waste generated in each state in the region, as reported in the latest available annual inventory required under Article 2(B)(k). "Article 3

"Rights, Responsibilities and Obligations of Party States

"(A) Regional Facilities.

"There shall be regional facilities sufficient to dispose of the low-level waste generated within the region. Each regional facility shall be capable of disposing of such low-level waste but in the form(s) required by regulations or license conditions. Specialized facilities for particular types of low-level waste management, reduction or treatment may not be developed in any party state unless they are in accordance with the laws and regulations of such state and applicable Federal laws and regulations.

"(B) Equal Access to Regional Facilities.

"Each party state shall have equal access as other party states to regional facilities located within the region and accepting low-level waste, provided, however, that the host state may close the regional facility located within its borders when necessary for public health and safety. However, a host state shall send notification to the Commission in writing within three (3) days of its action and shall, within thirty (30) working days, provide in writing the reasons for the closing. Safety.

"(C) Initial Host State.

"Pennsylvania and party states which generated 25 percent or more of the volume or curies of low-level waste generated by Pennsylvania, based on a comparison of averages over the three years 1982 through 1984, are designated as "initial host states" and are required to develop and host low-level waste sites as regional facilities. The percentage of waste from each state shall be determined by cubic foot volume or total curie content, whichever is greater.

"(D) Exemption From Being Initial Host State.

"Party states which generate less than 25 percent of the volume or curies of low-level waste generated by Pennsylvania, based on a comparison of averages over the years 1982 through 1984, shall be exempt from initial host state responsibilities. These states shall

continue to be exempt as long as they generate less than 25 percent threshold over successive 3-year periods. Once a state generates an average of 25 percent or more of the volume or curies generated by Pennsylvania over a successive 3-year period, it shall be designated as a "host state" for a 30-year period by the Commission and shall immediately initiate development of a regional facility to be operational within five years. Such host state shall be prepared to accept at its regional facility low-level waste at least equal to that generated in the state. With Commission approval, any party state may volunteer to host a regional facility. The percentage of waste from each state shall be determined by either a cubic foot volume or total curie content, whichever is greater.

"(E) Useful Life of Regional Facilities.

"Pennsylvania and other host states are obligated to develop regional facilities for the duration of this compact. All regional facilities shall be designed for at least a 30-year useful life. At the end of the facility's life, normal closure and maintenance procedures shall be initiated in accordance with the applicable requirements of the host state and the Federal Government. Each host state's obligation for operating regional facilities shall remain as long as the state continues to produce over a 3-year period 25 percent or more of the volume or curies of low-level waste generated by Pennsylvania.

"(F) Duties of Host State.

"Each host state shall:

"(a) Cause a regional facility to be sited and developed on a timely basis.

Safety. Environmental protection.

"(b) Ensure by law, consistent with applicable state and Federal law, the protection and preservation of public health, safety and environmental quality in the siting, design, development, licensure or other regulation, operation, closure, decommissioning, long-term care and the institutional control period of the regional facility within the state. To the extent authorized by Federal law, a host state may adopt more stringent laws, rules or regulations than required by Federal law.

"(c) Ensure and maintain a manifest system which documents all waste-related activities of generators, brokers, carriers and related activities of generators, brokers, carriers and operators, and establish the chain of custody of waste from its initial generation to the end of its hazardous life. Copies of all such manifests shall be submitted to the Commission on a timely basis.

"(d) Ensure that charges for disposal of low-level waste at the regional facility are sufficient to fully fund the safe disposal and perpetual care of the regional facility and that charges are assessed without discrimination as to the party state of origin.

Reports.

"(e) Submit an annual report to the Commission on the status of the regional facility which contains projections of the anticipated future capacity.

"(f) Notify the Commission immediately if any exigency arises requiring the possible temporary or permanent closure of a regional facility within the state at a time earlier than was projected in the state's most recent annual report to the Commission.

"(g) Require that the institutional control period of any disposal facility be at least as long as the hazardous life, as defined in Article 1(h), of the radioactive materials that are disposed at that facility.

"(h) Prohibit the use of any shallow land burial, as defined in Article 1(r), and develop alternative means for treatment, storage and disposal of low-level waste.

"(i) Establish by law, to the extent not prohibited by Federal law, requirements for financial responsibility, including, but not limited to:

"(i) Requirements for the purchase and maintenance of adequate insurance by generators, brokers, carriers and operators of the regional facility;

"(ii) Requirements for the establishment of a long-term care fund to be funded by a fee placed on generators to pay for preventative or corrective measures of low-level waste to the regional facility; and

"(iii) Any further financial responsibility requirements that shall be submitted by generators, brokers, carriers and operators as deemed necessary by the host state.

"(G) Duties of Party State.

"Each party state:

"(a) Shall appropriate its portion of the Commission's initial and annual budgets as set out in Article 2(C) (2) and (3).

"(b) To the extent authorized by Federal law, shall develop and enforce procedures requiring low-level waste shipments originating within its borders and destined for a regional facility to conform to volume reduction, packaging and transportation requirements and regulations as well as any other requirements specified by the regional facility. Such procedures shall include, but are not limited to:

"(i) Periodic inspections of packaging and shipping practices;

"(ii) Periodic inspections of low-level waste containers while in custody of carriers; and

"(iii) Appropriate enforcement actions with respect to violations.

"(c) To the extent authorized by Federal law, shall, after receiving notification from a host state or other person that a person in a party state has violated volume reduction, packaging, shipping or transportation requirements or regulations, take appropriate action to ensure that violations do not recur. Appropriate action shall include, but is not limited to, the requirement that a bond be posted by the violator to pay the cost of repackaging at the regional facility and the requirement that future shipments be inspected. Appropriate action may also include suspension of the violator's use of the regional facility. Should such suspension be imposed, the suspension shall remain in effect until such time as the violator has, to the satisfaction of the party state imposing such suspension, complied with the appropriate requirements or regulations upon which the suspension was based and has taken appropriate action to ensure that such violation or violations do not recur.

"(d) Shall maintain a registry of all generators and quantities generated within the state. Records.

"(H) Liability.

"In the event of liability arising from the operation of any regional facility and during and after closure of that facility, each party state shall share in that liability in an amount equal to that state's share of the region's low-level waste disposed of at the facility. If such liability arises from negligence, malfeasance or Claims.

neglect on the part of a host state or any party state, then any other host or party state(s) may make any claim allowable under law for that negligence, malfeasance or neglect. If such liability arises from a particular waste shipment or shipments to, or quantity of waste or condition at, the regional facility, then any host or party state may make any claim allowable under law for such liability. The percentage of waste shall be based on volume of waste or total curie content.

"(I) Failure of Party State to Fulfill Obligations.

"A party state which fails to fulfill its obligations, including timely funding of the Commission, may have its privileges under the Compact suspended or its membership in the Compact revoked by the Commission and be subject to any other legal and equitable remedies available to the party states.

"Article 4

"Prohibited Acts and Penalties

"(A) Prohibition.

"It shall be unlawful for any person to dispose of low-level waste within the region except at a regional facility unless authorized by the Commission.

"(B) Waste Disposed of Within Region.

"After establishment of the regional facility(s), it shall be unlawful for any person to dispose of any low-level waste within the region unless the waste was generated within the region or unless authorized to do so both by the Commission and by law of the host state in which said disposal takes place. For the purposes of this compact, waste generated within the region excludes radioactive material shipped from outside the party states to a waste management facility within the region. In determining whether to grant such authorization, the factors to be considered by the Commission shall include, but not be limited to, the following:

Safety. Environmental protection.

"(a) The impact on the health, safety and environmental quality of the citizens of the party states;

"(b) The impact of importing waste on the available capacity and projected life of the regional facility;

"(c) The availability of a regional facility appropriate for the safe disposal of the type of low-level waste involved.

"(C) Waste Generated Within Region.

"Any and all low-level waste generated within the region shall be disposed of at a regional facility, except for specific cases agreed upon by the Commission, with the affirmative votes by a majority of the Commission members of the host state(s) affected by the decision.

"(D) Liability.

"Generators, brokers and carriers of wastes, and owners and operators of sites shall be liable for their acts, omissions, conduct or relationships in accordance with all laws relating thereto. The party states shall impose a fine for any violation in an amount equal to the present and future costs associated with correcting any harm caused by the violation and shall assess punitive fines or penalties if it is deemed necessary. In addition, the host state shall bar any person who violates host state or Federal regulations from using the regional facility until that person demonstrates to the satisfaction of the host state the ability and willingness to comply with the law.

"(E) Conflict of Interest.

"(1) Prohibitions—

"No commissioner, officer or employee shall:

"(a) Be financially interested, either directly or indirectly, in a contract, sale, purchase, lease or transfer of real or personal property to which the Commission is a party.

"(b) Solicit or accept money or any other thing of value in addition to the expenses paid to him by the Commission for services performed within the scope of his official duties.

"(c) Offer money or anything of value for or in consideration of obtaining an appointment, promotion or privilege in his employment with the Commission.

"(2) Forfeiture of Office or Employment— Employment and unemployment.

"Any officer or employee who shall willfully violate any of the provisions of this section shall forfeit his office or employment.

"(3) Agreement Void—

"Any contract or agreement knowingly made in contravention of this section is void. Contracts.

"(4) Criminal and Civil Sanctions—

"Officers and employees of the Commission shall be subject, in addition to the provisions of this section, to such criminal and civil sanctions for misconduct in office as may be imposed by Federal law and the law of the signatory state in which such misconduct occurs.

"Article 5

"Eligibility, Entry Into Effect, Congressional Consent, Withdrawal

"(A) Eligibility.

"Only the States of Pennsylvania, West Virginia, Delaware and Maryland are eligible to become parties to this compact. State listing.

"(B) Entry into Effect.

"An eligible state may become a party state by legislative enactment of this compact or by executive order of the governor adopting this compact; provided, however, a state becoming a party state by executive order shall cease to be a party state upon adjournment of the first general session of its legislature convened thereafter, unless the legislature shall have enacted this compact before such adjournment.

"(C) Congressional Consent.

"This compact shall take effect when it has been enacted by the legislatures of Pennsylvania and one or more eligible states. However, Article 4 (B) and (C) shall not take effect until Congress has consented to this compact. Every fifth year after such consent has been given, Congress may withdraw consent. Effective date.

"(D) Withdrawal.

"A party state may withdraw from the compact by repealing the enactment of this compact, but no such withdrawal shall become effective until two years after enactment of the repealing legislation. If the withdrawing state is a host state, any regional facility in that state shall remain available to receive low-level waste generated within the region until five years after the effective date of the withdrawal.

"Article 6

"Construction and Severability

"(A) Construction.

"The provisions of this compact shall be broadly construed to carry out the purposes of the compact, but the sovereign powers of a party state shall not unnecessarily be infringed.

"(B) Severability.

"If any part or application of this compact is held invalid, the remainder, or its application to other situations or persons, shall not be affected.".

Joint Resolution

To designate the period commencing on May 15, 1988, and ending on May 21, 1988, as "National Rural Health Awareness Week".

May 19, 1988
[S.J. Res. 254]

Whereas the health of a nation depends on the health of its people;
Whereas one quarter of the population of the United States lives in rural communities;
Whereas one third of the Nation's elderly live in rural communities;
Whereas rural communities have disproportionately fewer health care providers compared to the urban population, with rural communities holding 12 percent of the Nation's doctors, 18 percent of the Nation's nurses, and 14 percent of the Nation's pharmacies;
Whereas rural areas face an acute and growing nursing shortage, with 50 percent of rural hospitals and long-term care facilities reporting difficulty in recruiting and retaining nurses;
Whereas rural areas are increasingly impacted by a lack of access to obstetric care;
Whereas the decline of the rural economy in recent years has reduced economic resources available to rural communities, leading to increased closures of hospitals and other health care facilities in rural areas, the loss or curtailing of services by local health departments, and disruption of social service programs;
Whereas the decline in availability of health care services in rural areas has, in turn, increased the shortage of physicians, nurses, psychologists, and other allied health professionals;
Whereas rural communities have few transportation services, preventing rural residents from obtaining needed health care;
Whereas the health status of rural Americans is lower than for residents of urban areas, with rural residents having higher infant and maternal mortality rates, higher rates of chronic illness, and higher rates of injury;
Whereas there are more poor and medically indigent in rural areas than in urban areas;
Whereas rural hospitals serve a higher than average number of elderly patients, resulting in a high proportion of Medicare payment as a percentage of their total revenue; and
Whereas current policies result in substantially lower Medicare payments to rural health care providers for equivalent services, further increasing the likelihood of financial failure and closure of these facilities: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the period commencing on May 15, 1988, and ending on May 21, 1988, is designated as "National Rural Health Awareness Week", and the President is authorized and requested to issue a proclamation calling upon the people of the United States to observe the above period with appropriate programs, ceremonies, and activities.

"§ 114. Multiyear procurement for certain medical items 38 USC 114.

"(a) The Administrator may enter into a multiyear contract for the procurement of supplies or services for use in Veterans' Administration health-care facilities if the Administrator makes each of the following determinations:

"(1) Appropriations are available for obligations that are necessary for total payments that would be required during the fiscal year in which the contract is entered into, plus the estimated amount of any cancellation charge payable under the contract.

"(2) The contract is in the best interest of the United States by reason of the effect that use of a multiyear, rather than one-year, contract would have in—

"(A) reducing costs;

"(B) achieving economies in contract administration or in any other Veterans' Administration activities;

"(C) increasing quality of performance by or service from the contractors; or

"(D) encouraging effective competition.

"(3) During the proposed contract period—

"(A) there will be a continuing or recurring need for the supplies or services being procured;

"(B) there is not a substantial likelihood of substantial changes in the need for such supplies or services in terms of the total quantity of such supplies or services or of the rate of delivery of such supplies or services; and

"(C) the specifications for the supplies or services are expected to be reasonably stable.

"(4) The risks relating to the prospective contractor's ability to perform in accordance with the specifications and other terms of the contract are not excessive.

"(5) The use of a multiyear contract will not inhibit small business concerns in competing for the contract.

"(6) In the case of the procurement of a pharmaceutical item for which a patent has expired less than four years before the date on which the solicitation of offers is issued, there is no substantial likelihood that increased competition among potential contractors would occur during the term of the contract as the result of the availability of generic equivalents increasing during the term of the contract.

"(b)(1) A multiyear contract authorized by this section shall contain—

"(A) a provision that the obligation of the United States under the contract during any fiscal year which is included in the contract period and is subsequent to the fiscal year during which the contract is entered into is contingent on the availability of sufficient appropriations (as determined by the Administrator pursuant to paragraph (2)(A) of this subsection) if, at the time the contract is entered into, appropriations are not available to cover the total estimated payments that will be required during the full term of the contract; and

"(B) notwithstanding section 1502(a) of title 31, a provision for the payment of reasonable cancellation charges to compensate the contractor for nonrecurring, unrecovered costs, if any, if the performance is cancelled pursuant to the provision required by subparagraph (A) of this paragraph.

"(2)(A) If, during a fiscal year after the fiscal year during which a multiyear contract is entered into under this section, the Administrator determines that, in light of other funding needs involved in the operation of Veterans' Administration health-care programs, the amount of funds appropriated for such subsequent fiscal year is not sufficient for such contract, the Administrator shall cancel such contract pursuant to the provisions required by paragraph (1)(A) of this subsection.

"(B) Cancellation charges under a multiyear contract shall be paid from the appropriated funds which were originally available for performance of the contract or the payment of cancellation costs unless such funds are not available in an amount sufficient to pay the entire amount of the cancellation charges payable under the contract. In a case in which such funds are not available in such amount, funds available for the procurement of supplies and services for use for the same purposes as the supplies or services procured through such contract shall be used to the extent necessary to pay such cost.

"(c) Nothing in this section shall be construed so as to restrict the Administrator's exercise of the right to terminate for convenience a contract under any other provision of law which authorizes multiyear contracting.

Regulations.

"(d) The Administrator shall prescribe regulations for the implementation of this section.

"(e) For the purposes of this section:

"(1) The term 'appropriations' has the meaning given that term in section 1511 of title 31.

"(2) The term 'cancel' or 'cancellation' refers to the termination of a contract by the Administrator as required under paragraph (2)(B)(i) of this subsection.

"(3) The term 'multiyear contract' means a contract which by its terms is to remain in effect for a period which extends beyond the end of the fiscal year during which the contract is entered into but not beyond the end of the fourth fiscal year following such fiscal year. Such term does not include a contract for construction or for a lease of real property.

"(4) The term 'nonrecurring, unrecovered costs' means those costs reasonably incurred by the contractor in performing a multiyear contract which (as determined under regulations prescribed under subsection (d) of this section) are generally incurred on a one-time basis."

Joint Resolution

To designate June 1988 as "National Recycling Month".

June 14, 1988
[H.J. Res. 469]

Whereas a solid waste disposal crisis exists in the United States;
Whereas half of the major cities in the United States will have no space available for disposal of garbage within 5 years;
Whereas trash incineration and non-incineration industries should adopt recycling methods;
Whereas source separation, mechanical separation, and community-based recycling programs divert a significant portion of waste from landfills;
Whereas recycling preserves limited landfill capacity for disposal of nontoxic waste;
Whereas recycling saves energy and avoids the pollution created in extracting resources from their natural environment;
Whereas the revenues from goods recovered by public sector recycling programs help to offset the costs of the programs;
Whereas shared savings, which accrue by avoiding the higher cost of landfills or incineration, make recycling an economically efficient disposal policy even where markets for recycled materials are weak or undeveloped;
Whereas a well-developed system of recycling scrap metals, paper, and glass already exists and significantly reduces the quantity of solid waste composed of metal, paper, and glass;
Whereas substantial increases in the amount of materials recycled will require development of markets that absorb the increase in the amount of materials recycled, known as incremental markets;
Whereas many consumer products are designed without sufficient regard for safe and efficient recycling after disposal;
Whereas the Federal Government and State and local governments should enact legislative measures that will increase the amount of solid waste that is recycled;
Whereas the Federal Government and State and local governments should encourage the growth of incremental markets for materials recovered from recyclable goods;
Whereas the Federal Government and State and local governments should promote the design of products that can be recycled safely and efficiently after use;
Whereas the Federal Government and State and local governments should establish requirements for in-home separation of waste to enable efficient recycling; and
Whereas the people of the United States should be encouraged to participate in educational and legislative endeavors that promote waste separation methods, community-based recycling programs, and expanded utilization of recovered materials: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That June 1988 is designated as "National Recycling Month", and the President of the

United States is authorized and requested to issue a proclamation calling upon the people of the United States to observe the month with appropriate ceremonies and activities.

An Act

To prohibit the use of certain antifouling paints containing organotin and the use of organotin compounds, purchased at retail, used to make such paints.

June 16, 1988
[H.R. 2210]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

Organotin Antifouling Paint Control Act of 1988. Hazardous materials. Environmental protection. 33 USC 2401 note.

SECTION 1. SHORT TITLE.

This Act may be cited as the "Organotin Antifouling Paint Control Act of 1988".

SEC. 2. FINDINGS; PURPOSE.

33 USC 2401.

(a) FINDINGS.—The Congress finds the following:

(1) Antifouling paints containing organotin biocides are used to prevent the build-up of barnacles and other encrusting organisms on vessels.

(2) Laboratory and field studies show that organotin is very toxic to marine and freshwater organisms at very low levels.

(3) Vessels that are less than 25 meters in length and are coated with organotin antifouling paint account for a large amount of the organotin released into the aquatic environment.

(4) The Environmental Protection Agency has determined that concentrations of organotin currently in the waters of the United States may pose unreasonable risks to oysters, clams, fish, and other aquatic life.

(b) PURPOSE.—The purpose of this Act is to protect the aquatic environment by reducing immediately the quantities of organotin entering the waters of the United States.

SEC. 3. DEFINITIONS.

33 USC 2402.

For purposes of this Act:

(1) The term "Administrator" means the Administrator of the Environmental Protection Agency.

(2) The term "antifouling paint" means a coating, paint, or treatment that is applied to a vessel to control fresh water or marine fouling organisms.

(3) The term "estuary" means a body of water having an unimpaired connection with open sea, where the sea water is measurably diluted with fresh water derived from land drainage, and such term includes the Chesapeake Bay and estuary-type areas of the Great Lakes.

(A) is allowed to be used under the terms of the final decision referred to in section 12(c); or

(B) until such final decision takes effect, is certified by the Administrator under section 6 as having a release rate of not more than 4.0 micrograms per square centimeter per day.

(7) The term "release rate" means the rate at which organotin is released from an antifouling paint over the long term, as determined by the Administrator, using—

(A) the American Society for Testing Materials (ASTM) standard test method which the Environmental Protection Agency required in its July 29, 1986, data call-in notice on tributyltin compounds used in antifouling paints; or

(B) any similar test method specified by the Administrator.

(8) The term "retail" means the transfer of title to tangible personal property other than for resale, after manufacturing or processing.

(1) the aluminum hull of a vessel that is less than 25 meters in length; or

(2) the outboard motor or lower drive unit of a vessel that is less than 25 meters in length.

33 USC 2404.

(b) SUBSEQUENT CERTIFICATION.—After the initial period of certification required by subsection (a), and not later than 90 days after the receipt of information with regard to an antifouling paint containing organotin submitted—

(1) in response to a data call-in referred to in subsection (a); or

(2) under any provision of law;

the Administrator shall certify such paint if, on the basis of such information, the Administrator determines that such paint has a release rate of not more than 4.0 micrograms per square centimeter per day.

SEC. 7. MONITORING AND RESEARCH OF ECOLOGICAL EFFECTS. Water. 33 USC 2406.

(a) ESTUARINE MONITORING.—The Administrator, in consultation with the Under Secretary of Commerce for Oceans and Atmosphere, shall monitor the concentrations of organotin in the water column, sediments, and aquatic organisms of representative estuaries and near-coastal waters in the United States. This monitoring program shall remain in effect until 10 years after the date of the enactment of this Act. The Administrator shall submit a report annually to the Speaker of the House of Representatives and to the President pro tempore of the Senate detailing the results of such monitoring program for the preceding year. Termination date. Reports.

An Act

June 16, 1988
[H.R. 2969]

To amend chapter 11 of title 11 of the United States Code to improve the treatment of claims for certain retiree benefits of former employees.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

Retiree Benefits Bankruptcy Protection Act of 1988.
Courts, U.S.
11 USC 101 note.

SECTION 1. SHORT TITLE.

This Act may be cited as the "Retiree Benefits Bankruptcy Protection Act of 1988".

SEC. 2. RETIREE BENEFITS.

(a) BENEFITS.—Subchapter I of chapter 11 of title 11, United States Code, is amended by adding at the end thereof the following new section:

11 USC 1114.

"§ 1114. Payment of insurance benefits to retired employees

"(a) For purposes of this section, the term 'retiree benefits' means payments to any entity or person for the purpose of providing or reimbursing payments for retired employees and their spouses and dependents, for medical, surgical, or hospital care benefits, or benefits in the event of sickness, accident, disability, or death under any plan, fund, or program (through the purchase of insurance or otherwise) maintained or established in whole or in part by the debtor prior to filing a petition commencing a case under this title.

"(b)(1) For purposes of this section, the term 'authorized representative' means the authorized representative designated pursuant to subsection (c) for persons receiving any retiree benefits covered by a collective bargaining agreement or subsection (d) in the case of persons receiving retiree benefits not covered by such an agreement.

"(2) Committees of retired employees appointed by the court pursuant to this section shall have the same rights, powers, and duties as committees appointed under sections 1102 and 1103 of this title for the purpose of carrying out the purposes of sections 1114 and 1129(a)(13) and, as permitted by the court, shall have the power to enforce the rights of persons under this title as they relate to retiree benefits.

"(c)(1) A labor organization shall be, for purposes of this section, the authorized representative of those persons receiving any retiree benefits covered by any collective bargaining agreement to which that labor organization is signatory, unless (A) such labor organization elects not to serve as the authorized representative of such persons, or (B) the court, upon a motion by any party in interest, after notice and hearing, determines that different representation of such persons is appropriate.

"(2) In cases where the labor organization referred to in paragraph (1) elects not to serve as the authorized representative of those persons receiving any retiree benefits covered by any collective bargaining agreement to which that labor organization is signatory, or in cases where the court, pursuant to paragraph (1) finds different

representation of such persons appropriate, the court, upon a motion by any party in interest, and after notice and a hearing, shall appoint a committee of retired employees if the debtor seeks to modify or not pay the retiree benefits or if the court otherwise determines that it is appropriate, from among such persons, to serve as the authorized representative of such persons under this section.

"(d) The court, upon a motion by any party in interest, and after notice and a hearing, shall appoint a committee of retired employees if the debtor seeks to modify or not pay the retiree benefits or if the court otherwise determines that it is appropriate, to serve as the authorized representative, under this section, of those persons receiving any retiree benefits not covered by a collective bargaining agreement.

"(e)(1) Notwithstanding any other provision of this title, the debtor in possession, or the trustee if one has been appointed under the provisions of this chapter (hereinafter in this section 'trustee' shall include a debtor in possession), shall timely pay and shall not modify any retiree benefits, except that—

"(A) the court, on motion of the trustee or authorized representative, and after notice and a hearing, may order modification of such payments, pursuant to the provisions of subsections (g) and (h) of this section, or

"(B) the trustee and the authorized representative of the recipients of those benefits may agree to modification of such payments,

after which such benefits as modified shall continue to be paid by the trustee.

"(2) Any payment for retiree benefits required to be made before a plan confirmed under section 1129 of this title is effective has the status of an allowed administrative expense as provided in section 503 of this title.

"(f)(1) Subsequent to filing a petition and prior to filing an application seeking modification of the retiree benefits, the trustee shall—

"(A) make a proposal to the authorized representative of the retirees, based on the most complete and reliable information available at the time of such proposal, which provides for those necessary modifications in the retiree benefits that are necessary to permit the reorganization of the debtor and assures that all creditors, the debtor and all of the affected parties are treated fairly and equitably; and

"(B) provide, subject to subsection (k)(3), the representative of the retirees with such relevant information as is necessary to evaluate the proposal.

"(2) During the period beginning on the date of the making of a proposal provided for in paragraph (1), and ending on the date of the hearing provided for in subsection (k)(1), the trustee shall meet, at reasonable times, with the authorized representative to confer in good faith in attempting to reach mutually satisfactory modifications of such retiree benefits.

"(g) The court shall enter an order providing for modification in the payment of retiree benefits if the court finds that—

"(1) the trustee has, prior to the hearing, made a proposal that fulfills the requirements of subsection (f);

"(2) the authorized representative of the retirees has refused to accept such proposal without good cause; and

"(3) such modification is necessary to permit the reorganization of the debtor and assures that all creditors, the debtor, and

all of the affected parties are treated fairly and equitably, and is clearly favored by the balance of the equities;

except that in no case shall the court enter an order providing for such modification which provides for a modification to a level lower than that proposed by the trustee in the proposal found by the court to have complied with the requirements of this subsection and subsection (f): *Provided, however,* That at any time after an order is entered providing for modification in the payment of retiree benefits, or at any time after an agreement modifying such benefits is made between the trustee and the authorized representative of the recipients of such benefits, the authorized representative may apply to the court for an order increasing those benefits which order shall be granted if the increase in retiree benefits sought is consistent with the standard set forth in paragraph (3): *Provided further,* That neither the trustee nor the authorized representative is precluded from making more than one motion for a modification order governed by this subsection.

"(h)(1) Prior to a court issuing a final order under subsection (g) of this section, if essential to the continuation of the debtor's business, or in order to avoid irreparable damage to the estate, the court, after notice and a hearing, may authorize the trustee to implement interim modifications in retiree benefits.

"(2) Any hearing under this subsection shall be scheduled in accordance with the needs of the trustee.

"(3) The implementation of such interim changes does not render the motion for modification moot.

"(i) No retiree benefits paid between the filing of the petition and the time a plan confirmed under section 1129 of this title becomes effective shall be deducted or offset from the amounts allowed as claims for any benefits which remain unpaid, or from the amounts to be paid under the plan with respect to such claims for unpaid benefits, whether such claims for unpaid benefits are based upon or arise from a right to future unpaid benefits or from any benefits not paid as a result of modifications allowed pursuant to this section.

"(j) No claim for retiree benefits shall be limited by section 502(b)(7) of this title.

"(k)(1) Upon the filing of an application for modifying retiree benefits, the court shall schedule a hearing to be held not later than fourteen days after the date of the filing of such application. All interested parties may appear and be heard at such hearing. Adequate notice shall be provided to such parties at least ten days before the date of such hearing. The court may extend the time for the commencement of such hearing for a period not exceeding seven days where the circumstances of the case, and the interests of justice require such extension, or for additional periods of time to which the trustee and the authorized representative agree.

"(2) The court shall rule on such application for modification within ninety days after the date of the commencement of the hearing. In the interests of justice, the court may extend such time for ruling for such additional period as the trustee and the authorized representative may agree to. If the court does not rule on such application within ninety days after the date of the commencement of the hearing, or within such additional time as the trustee and the authorized representative may agree to, the trustee may implement the proposed modifications pending the ruling of the court on such application.

"(3) The court may enter such protective orders, consistent with the need of the authorized representative of the retirees to evaluate the trustee's proposal and the application for modification, as may be necessary to prevent disclosure of information provided to such representative where such disclosure could compromise the position of the debtor with respect to its competitors in the industry in which it is engaged. Classified information.

"(l) This section shall not apply to any retiree, or the spouse or dependents of such retiree, if such retiree's gross income for the twelve months preceding the filing of the bankruptcy petition equals or exceeds $250,000, unless such retiree can demonstrate to the satisfaction of the court that he is unable to obtain health, medical, life, and disability coverage for himself, his spouse, and his dependents who would otherwise be covered by the employer's insurance plan, comparable to the coverage provided by the employer on the day before the filing of a petition under this title.".

(b) PLAN.—Section 1129 of title 11, United States Code, is amended by adding at the end of subsection (a) thereof the following:

"(13) The plan provides for the continuation after its effective date of payment of all retiree benefits, as that term is defined in section 1114 of this title, at the level established pursuant to subsection (e)(1)(B) or (g) of section 1114 of this title, at any time prior to confirmation of the plan, for the duration of the period the debtor has obligated itself to provide such benefits.".

(c) TECHNICAL AMENDMENT.—The table of sections for subchapter I of chapter 11, title 11, United States Code, is amended by adding at the end thereof the following new item:

"1114. Payment of insurance benefits to retired employees.".

Joint Resolution

June 22, 1988
[S.J. Res. 249]

Designating June 14, 1988, as "Baltic Freedom Day".

Whereas the people of the Baltic Republics of Lithuania, Latvia, and Estonia have cherished the principles of religious and political freedom and independence;

Whereas the Baltic Republics have existed as independent, sovereign nations belonging to and fully recognized by the League of Nations;

Whereas the Union of the Soviet Socialist Republics (U.S.S.R.) in collusion with Nazi Germany signed the Molotov-Ribbentrop Pact which allowed the U.S.S.R. in 1940 to illegally seize and occupy the Baltic States and by force incorporated them against their national will and contrary to their desire for independence and sovereignty into the U.S.S.R.;

Whereas due to Soviet and Nazi tyranny, by the end of World War II, the Baltic nations had lost 20 per centum of their total population;

Whereas the people of the Baltic Republics have individual and separate culture, national traditions, and languages distinctively foreign to those of Russia;

Whereas the U.S.S.R. since 1940 has systematically implemented its Baltic genocide by deporting native Baltic peoples from their homelands to forced labor and concentration camps in Siberia and elsewhere, and by relocating masses of Russians to the Baltic Republics, thus threatening the Baltic Cultures with extinction through russification;

Whereas the U.S.S.R. has imposed upon the captive people of the Baltic Republics an oppressive political system which has destroyed every vestige of democracy, civil liberties, and religious freedom;

Whereas the people of Lithuania, Latvia and Estonia find themselves today subjugated by the U.S.S.R., locked into a union they deplore, denied basic human rights, and persecuted for daring to protest;

Whereas the U.S.S.R. refuses to abide by the Helsinki accords which the U.S.S.R. voluntarily signed;

Whereas the United States stands as a champion of liberty, dedicated to the principles of national self-determination, human rights, and religious freedom, and opposed to oppression and imperialism;

Whereas the United States as a member of the United Nations has repeatedly voted with a majority of that international body to uphold the right of other countries of the world to determine their fates and be free of foreign domination;

Whereas the U.S.S.R. has steadfastly refused to return to the people of the Baltic States of Lithuania, Latvia, and Estonia the right to exist as independent republics separate and apart from the

U.S.S.R. or permit a return of personal, political and religious freedoms; and

Whereas 1988 marks the forty-eighth anniversary of the United States continued policy of nonrecognition of the illegal forcible occupation of Lithuania, Latvia and Estonia by the U.S.S.R.: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That—

(1) the Congress recognizes the continuing desire and right of the people of Lithuania, Latvia and Estonia for freedom and independence from the domination of the U.S.S.R.;

(2) the Congress deplores the refusal of the U.S.S.R. to recognize the sovereignty of the Baltic Republics and to yield to their rightful demands for independence from foreign domination and oppression;

(3) the fourteenth day of June 1988, the anniversary of the mass deportation of Baltic peoples from their homelands in 1941, be designated "Baltic Freedom Day" as a symbol of the solidarity of the American people with the aspirations of the enslaved Baltic people; and

(4) the President of the United States be authorized and requested to issue a proclamation for the observance of Baltic Freedom Day with appropriate ceremonies and activities and to submit the issue of the Baltic Republics to the United Nations so that the issue of Baltic self-determination will be brought to the attention of the United Nations General Assembly.

Joint Resolution

[S.J. Res. 147]

Designating the week beginning on the third Sunday of September in 1988 as "National Adult Day Care Center Week".

Whereas more than 1,200 adult day care centers are in operation nationwide, providing safe and positive environments to functionally disabled adults and senior citizens who are in need of daytime assistance or supervision;

Whereas adult day care centers have comprehensive programs providing a variety of services related to health, including medical therapy, medication monitoring, counseling, and health education;

Whereas adult day care centers are operated by professional staffs which identify individual health needs and give appropriate advice;

Whereas adult day care centers assist functionally disabled adults and senior citizens in maintaining a maximum level of independence;

Whereas adult day care centers provide opportunities for social interaction to individuals who otherwise may be socially isolated; and

Whereas adult day care centers offer relief to families who otherwise must provide constant care to functionally disabled adults and senior citizens, including victims of Alzheimer's disease and other forms of dementia: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the week beginning on the third Sunday of September in 1988 is designated as "National Adult Day Care Center Week". June 30, 1988
[H.J. Res. 485]

Designating June 26 through July 2, 1988, as "National Safety Belt Use Week".

Whereas safety belts and child safety seats have proven to be effective in reducing highway fatalities and injuries;

Whereas numerous public interest and safety organizations are working to encourage more extensive use of safety belts and child safety seats: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That June 26 through July 2, 1988, is designated as "National Safety Belt Use Week", and the President is authorized and requested to issue a proclamation—

If there is no excess described in subclause (I) or (II), such subclause shall be applied by substituting 'is less than' for 'exceeds' and the percentage determined with such substitution shall be taken into account as a negative percentage.

"(ii) ADJUSTMENT FOR MORE RECENT INCREASES IN COST-OF-LIVING.—If—

"(I) the percentage increase in the CPI for the 12-month period ending with May of the preceding calendar year, exceeds (or is less than)

"(II) such increase for the 12-month period ending with May of the 2nd preceding calendar year,

"(iii) DETERMINATION OF SHORTFALL OR EXCESS.—The shortfall (or excess) determined under this clause for any calendar year is the amount by which—

The amounts appropriated by the preceding sentence shall be transferred from time to time (not less frequently than monthly) from the general fund in the Treasury to the Reserve Fund, such amounts to be determined on the basis of estimates by the Secretary of the Treasury of the premiums, specified in the preceding sentence, paid to or deposited into the Treasury and on the basis of outlays, specified in the previous sentence, made; and proper adjustments shall be made in amounts subsequently transferred to the extent prior estimates were in excess of or were less than the appropriate amounts specified in such sentence. "(C) The Secretary may not enter into a contract with an organization under section 1876, or provide for payment under section 1833(a)(1)(A) with respect to an organization, with respect to a plan that is not a buy-out plan, unless the organization provides assurances, satisfactory to the Secretary, that— Contracts.

"(II) DETERMINATION FOR MULTIPLE-SOURCE DRUGS.—For purposes of subparagraph (B), the Secretary may base the determination under this subparagraph on the published average wholesale (or comparable direct) prices for the drug or on a biannual survey conducted by the Secretary of a representative sample of direct sellers, wholesalers, or pharmacists (as appropriate) of wholesale (or comparable direct) prices (excluding discounts to pharmacies).

"(iii) potential adverse reactions.

"(B) STANDARDS.—In carrying out the program under subparagraph (A), the Secretary shall establish for each covered outpatient drug standards for the prescribing of the drug which are based on accepted medical practice. In establishing such standards, the Secretary shall incorporate standards from such current authoritative compendia as the Secretary may select; except that the Secretary may

"(C) PROHIBITION OF FORMULARY.—Nothing in this title (including paragraph (8)), other than sections 1861(t)(4)(A) and 1862(c), shall be construed as authorizing the Secretary to exclude from coverage or to deny payment—

"(i) for any specific covered outpatient drug, or specific class of covered outpatient drug, or

"(ii) for any specific use of such a drug for a specific indication unless such exclusion is pursuant to section 1862(a)(1) based on a finding by the Secretary that such use is not safe or is not effective. Safety.

"(C) TREATMENT OF EXPENSES FOR COVERED OUTPATIENT DRUGS INCURRED WHILE ENROLLED IN A PREPAID PLAN OTHER THAN A DRUG BUY-OUT PLAN.—The Secretary may not enter into a contract with an organization under section 1876, or provide for payment under section 1833(a)(1)(A) with respect to an organization which provides reimbursement for covered outpatient drugs, with respect to a plan that is not a drug buy-out plan, unless the organization provides assurances, satisfactory to the Secretary, that—

"(i) the organization will maintain and make available, for its enrollees and in coordination with the appropriate carriers under this part, an accounting of expenses incurred by (or on behalf of) enrollees under the plan for covered outpatient drugs; and

"(ii) the organization will take into account, in any deductibles established under the plan in a year with respect to covered outpatient drugs under this part, the amounts of expenses for covered outpatient drugs in-
